(57) **CLAIM**

The ornamental design for a vending machine with symmetrical cover and canister exterior, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a vending machine with symmetrical cover and canister exterior, showing my new design.

FIG. 2 is a front elevational view of the vending machine with symmetrical cover and canister exterior.

FIG. 3 is a right side elevational view of the vending machine with symmetrical cover and canister exterior.

FIG. 4 is a left side elevational view of the vending machine with symmetrical cover and canister exterior.

FIG. 5 is a rear elevational view of the vending machine with symmetrical cover and canister exterior.

FIG. 6 is a top plan view of the vending machine with symmetrical cover and canister exterior; and,

FIG. 7 is a bottom plan view of the vending machine with symmetrical cover and canister exterior.
