(57) **CLAIM**

I claim the ornamental design for an extractor tool, as shown and described.

DESCRIPTION

FIG. 1 is a perspective of the extractor tool according to the present invention;

FIG. 2 is a left end view of the extractor tool according to the present invention;

FIG. 3 is a front elevation of the extractor tool according to the present invention;

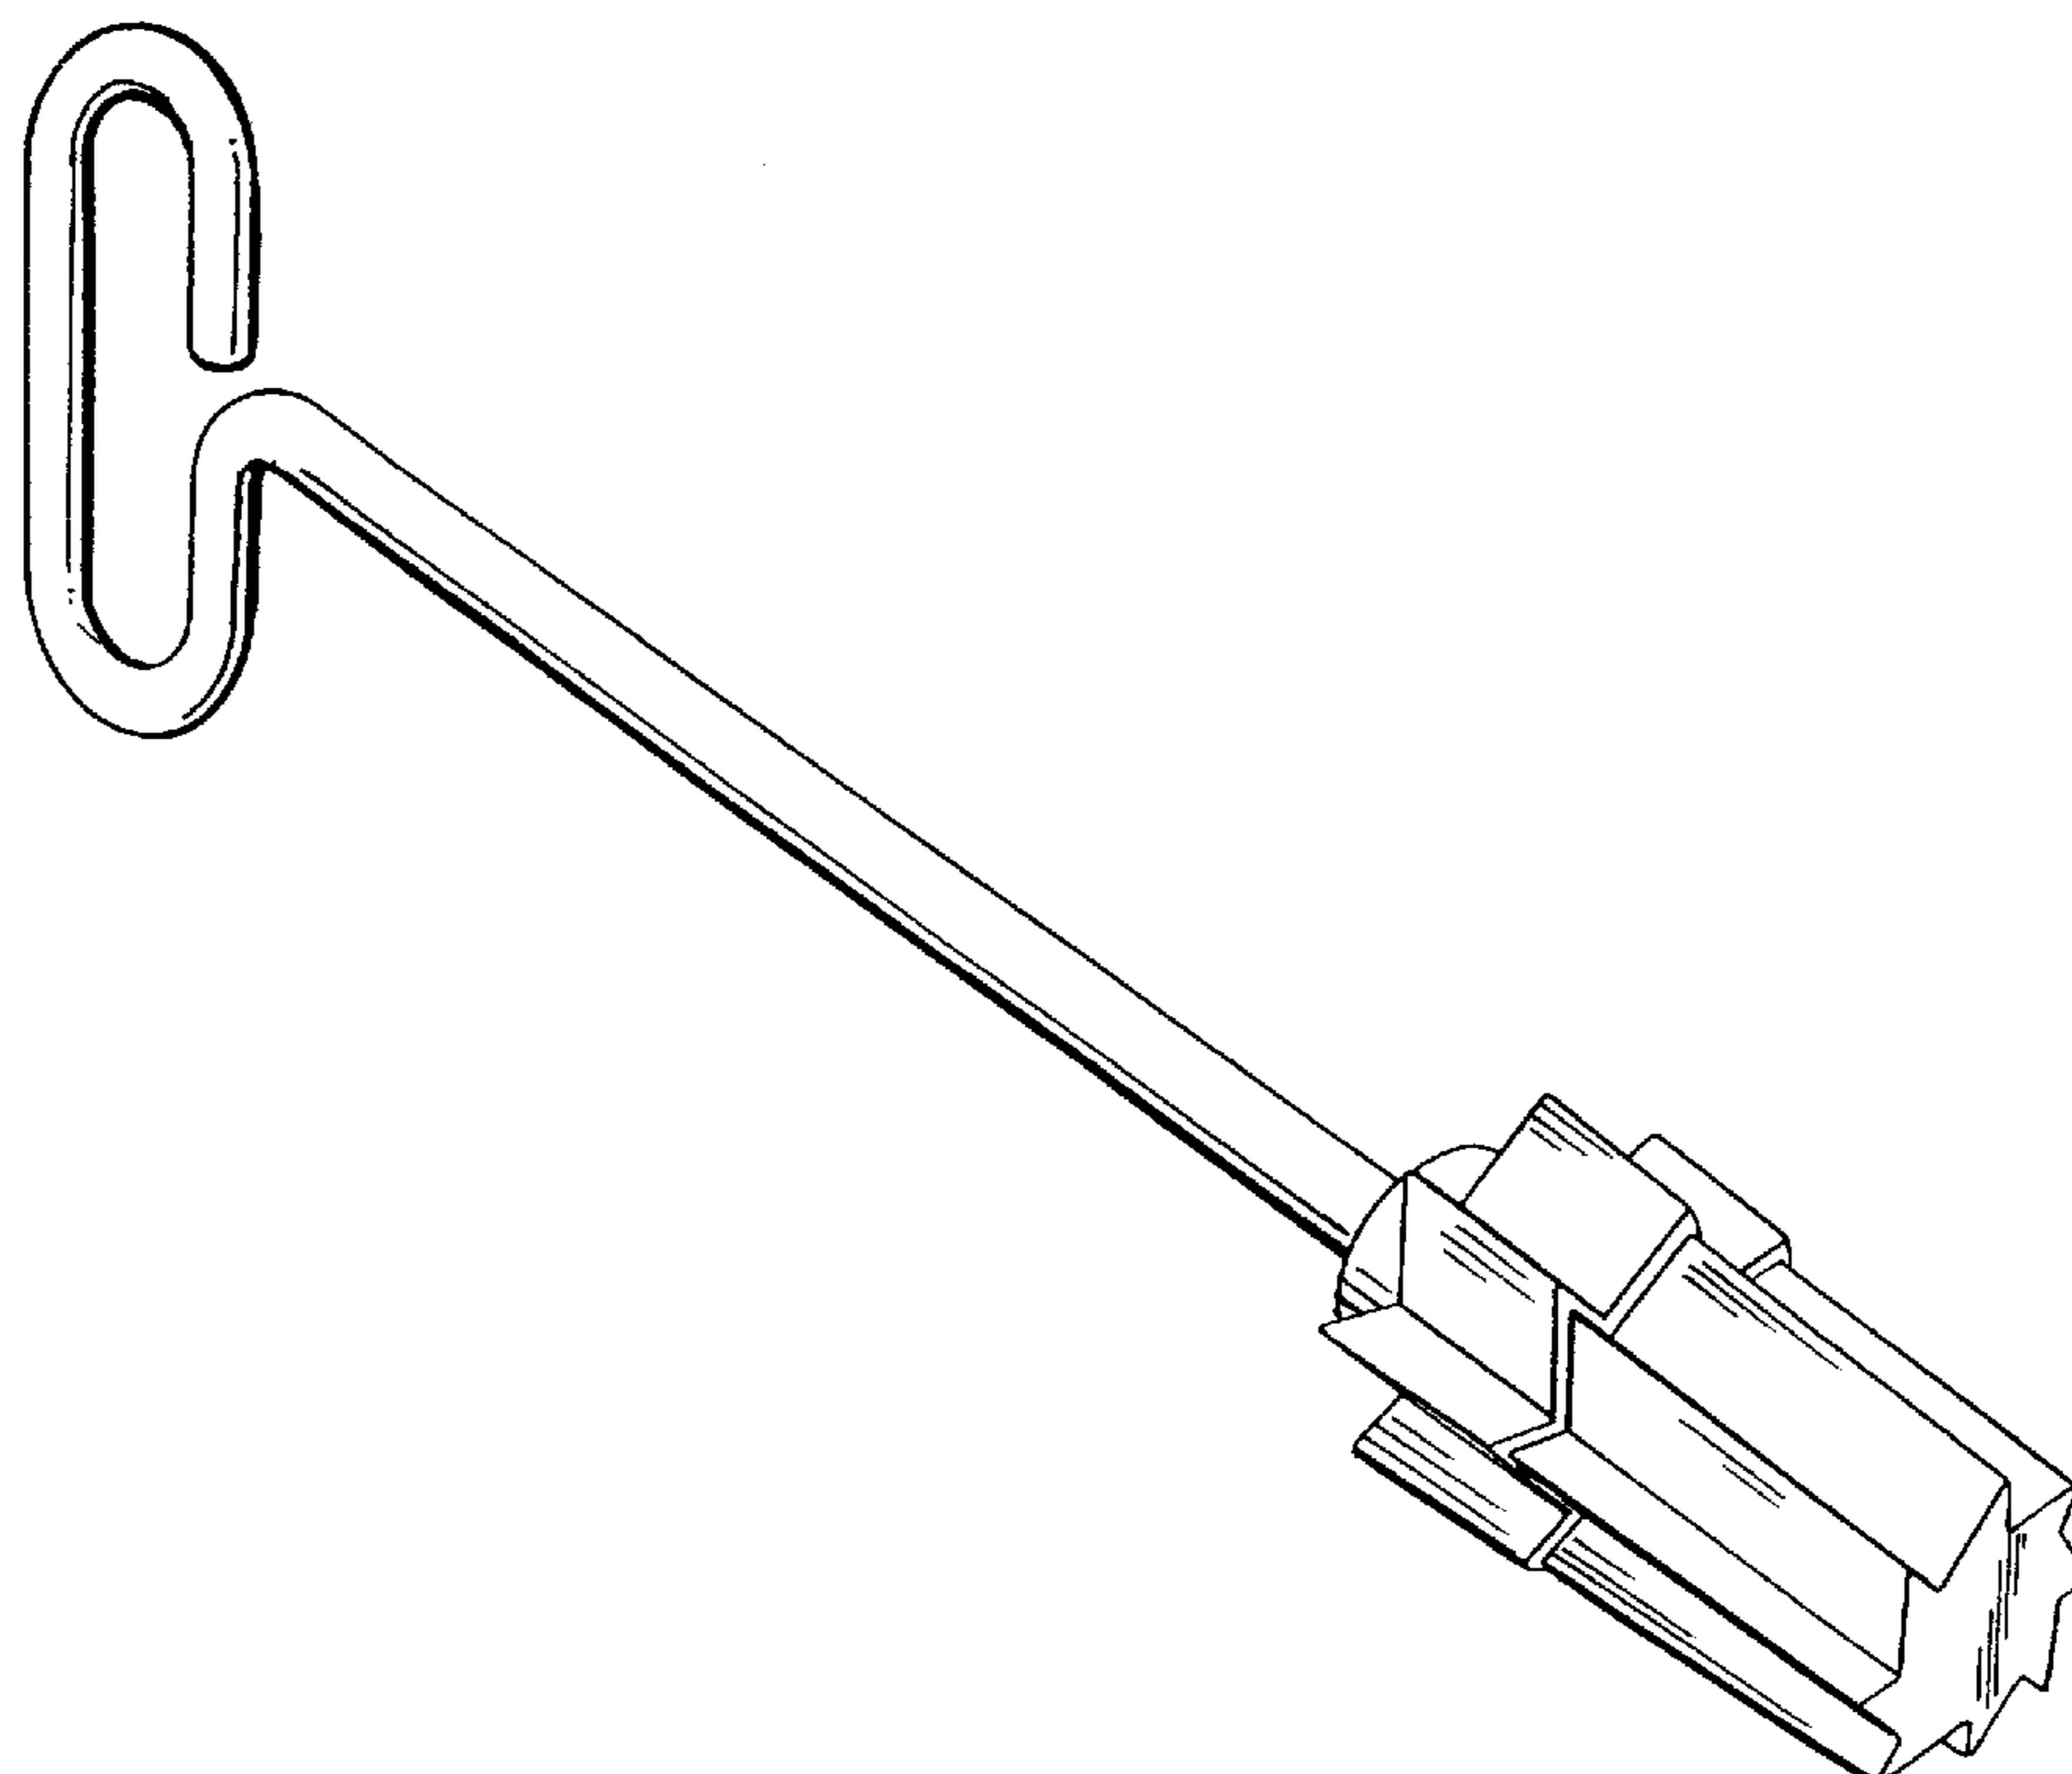

FIG. 4 is a back elevation of the extractor tool according to the present invention;

FIG. 5 is a right end view of the extractor tool according to the present invention;

FIG. 6 is a top elevation of the extractor tool according to the present invention; and,

FIG. 7 is a bottom elevation of the extractor tool according to the present invention.
