The ornamental design for a charger, as shown and described.

**CLAIM** 

#### DESCRIPTION

FIG. 1 is a perspective view showing the top, front, and first side of the charger of the present invention in its retracted position;

FIG. 2 is a top plan view of the charger of the present invention in its retracted position;

FIG. 3 is a first side elevational view of the charger of the present invention in its retracted position, the second side elevational view being a mirror image of the first side elevation view;

FIG. 4 is a bottom plan view of the charger of the present invention in its retracted position;

FIG. 5 is a front elevational view of the charger of the present invention; and,

FIG. **6** is a rear elevational view of the charger of the present invention.
