(57) **CLAIM**

The ornamental design for a surface pattern of a paper product, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a surface pattern of a paper product showing my new ornamental design, it being understood that paper product is of indeterminate length and width, and that the surface pattern repeats uniformly throughout the entire surface of the paper product.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.

The surfaces or portions not shown in the drawing or described in the specification form no part of the claimed design.
