(57) **CLAIM**

The ornamental design for a vehicle bumper, as shown and described.

DESCRIPTION

FIG. **1** is a front perspective view of a vehicle bumper attached to a vehicle, no part of the vehicle is claimed;
FIG. **2** is a front elevational view of the vehicle bumper;
FIG. **3** is a top plan plan view of the vehicle bumper;
FIG. **4** is bottom up plan view of the vehicle bumper; and,
FIG. **5** is a left side elevational view of the vehicle bumper (the right side view is a mirror of the left side view and is not shown).
The broken lines are for illustrative purposes only and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
