(57) **CLAIM**

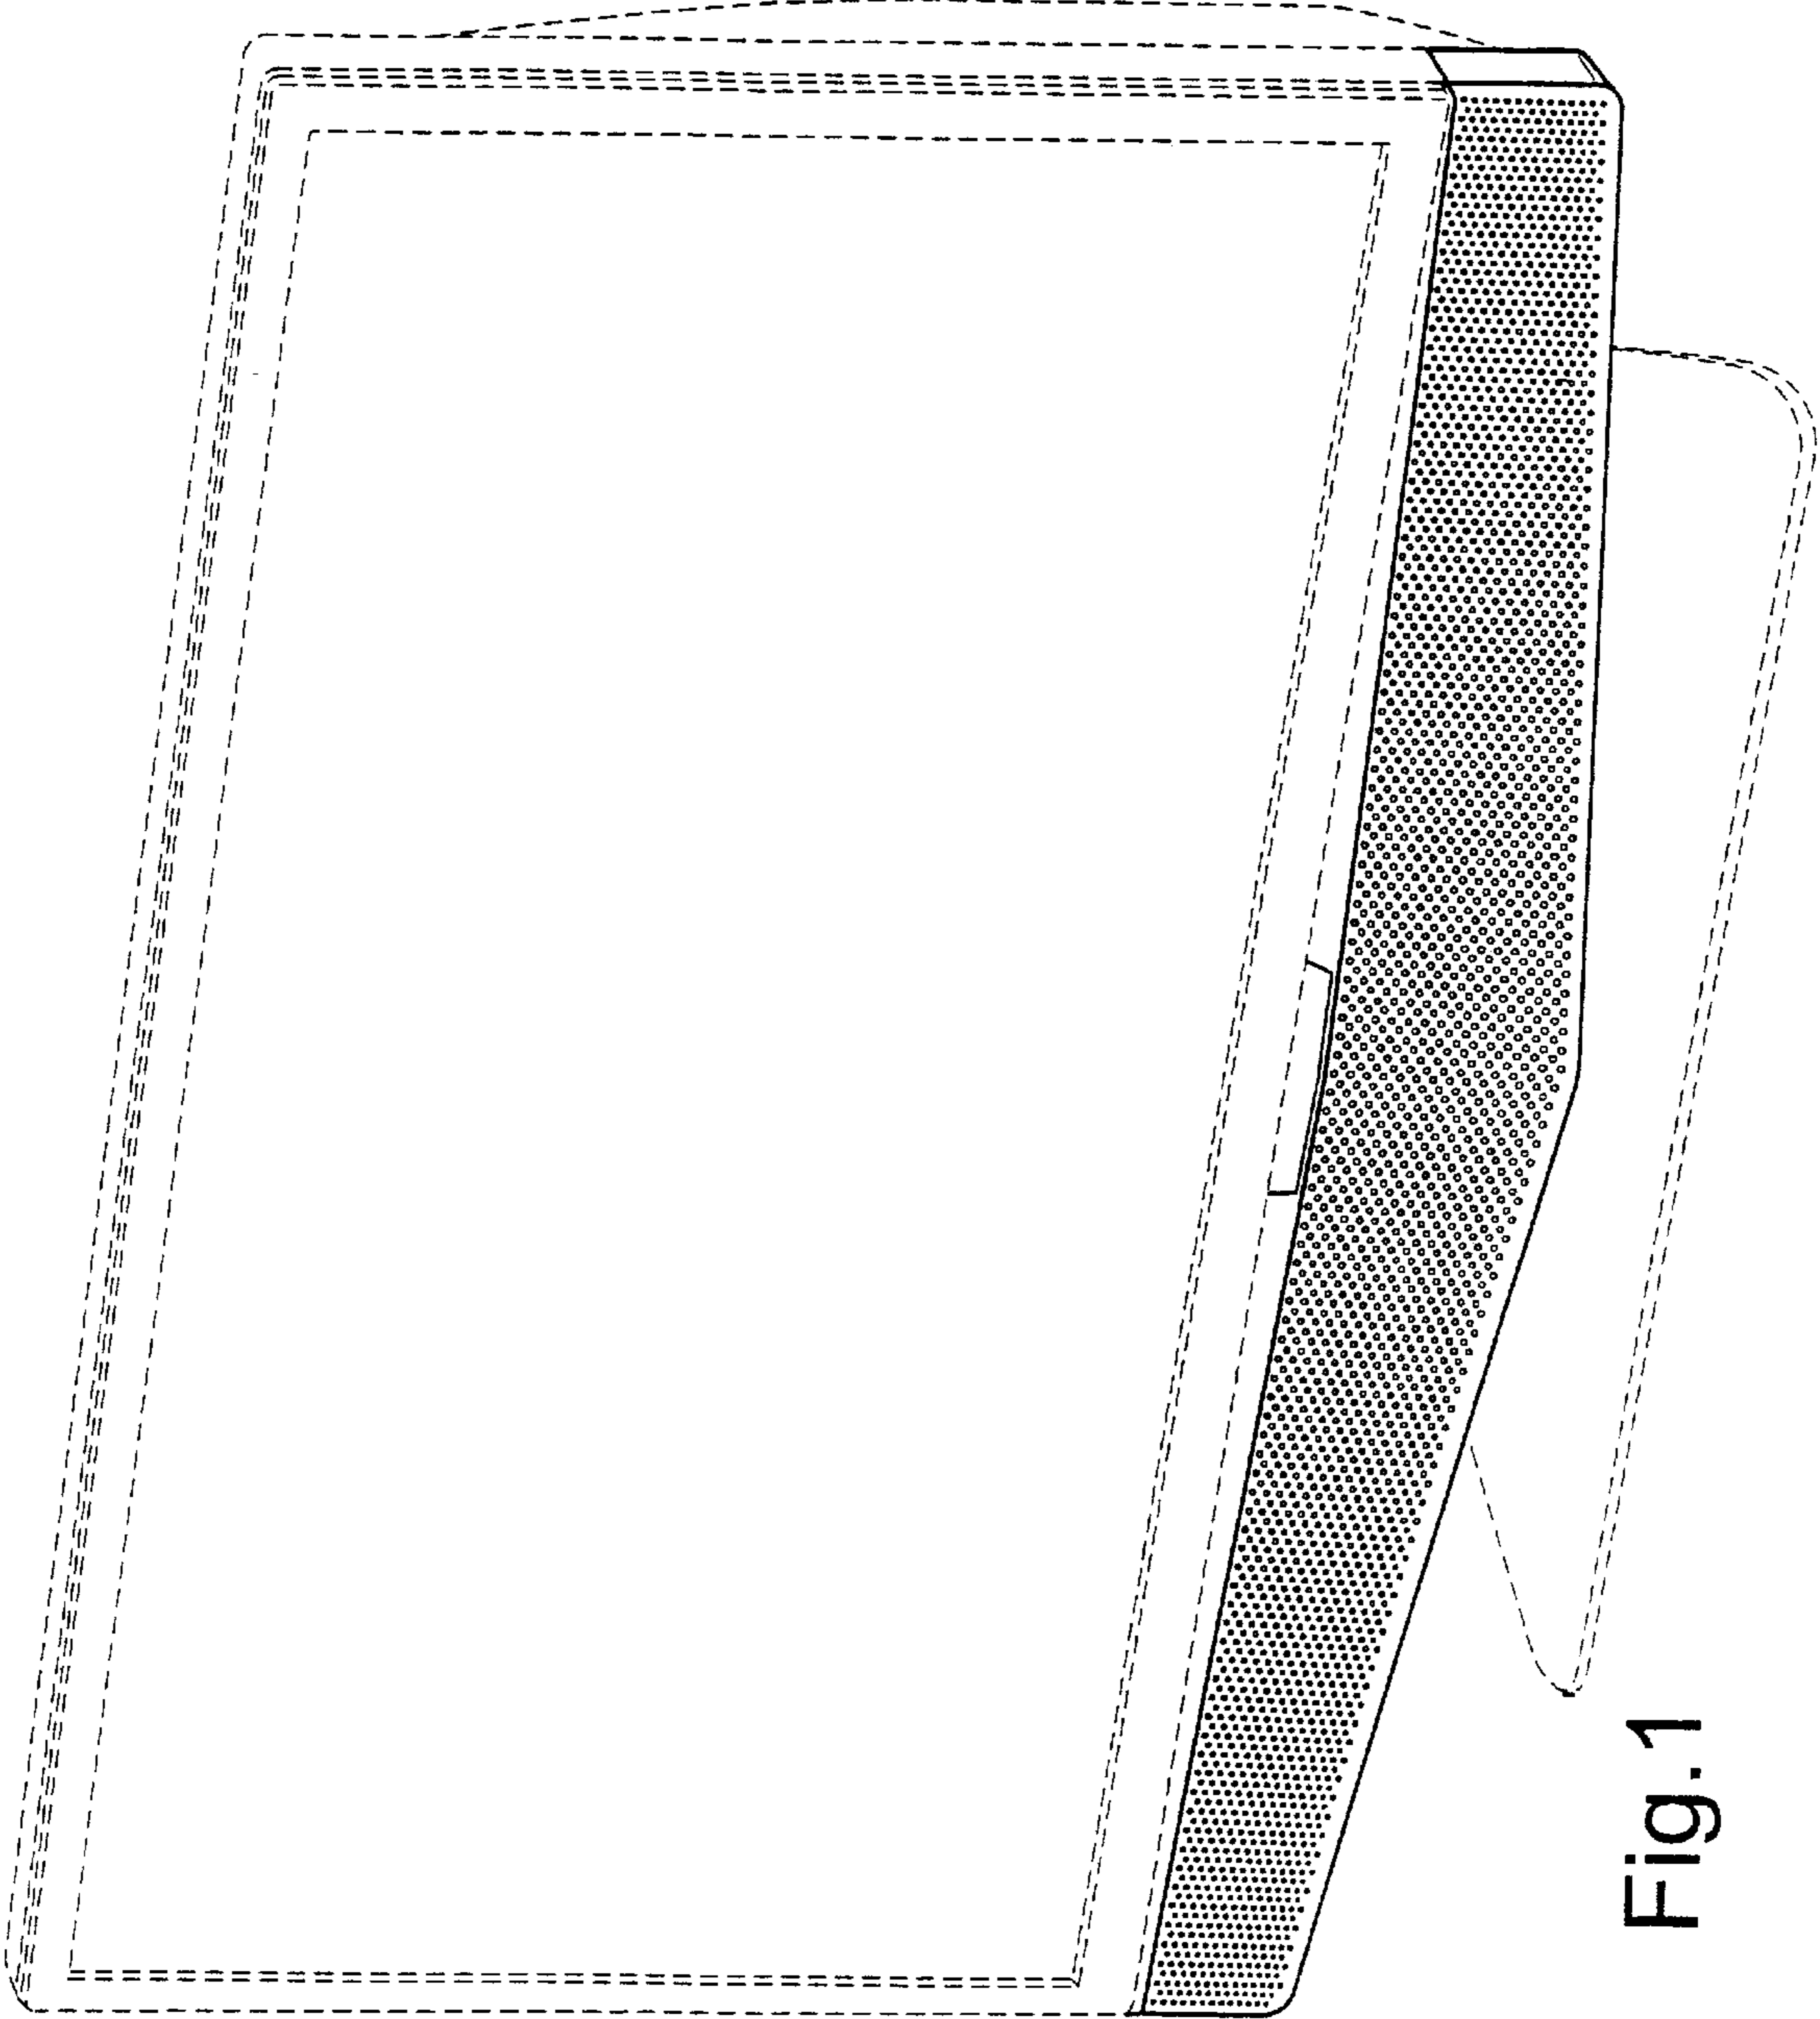

The ornamental design for a “exposed surfaces of a speaker and an acceptor of remote control for a television set,” as shown and described.

DESCRIPTION

FIG. 1 is a top, front and right side perspective view of exposed surfaces of a speaker and an acceptor of a remote control for a television set according to our design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a right side elevational view thereof; and, FIG. 6 is a left side elevational view thereof. The dashed lines shown in the drawing figures illustrate the environment, i.e., a television set, in which the exposed surfaces of the speaker and acceptor of a remote control for a television set are situate, the dashed lines illustrating portions of the television set not being part of the present design for which patent protection is sought.
