(57) **CLAIM**

The ornamental design for a combined toothbrush and gum massager, as shown and described.

DESCRIPTION

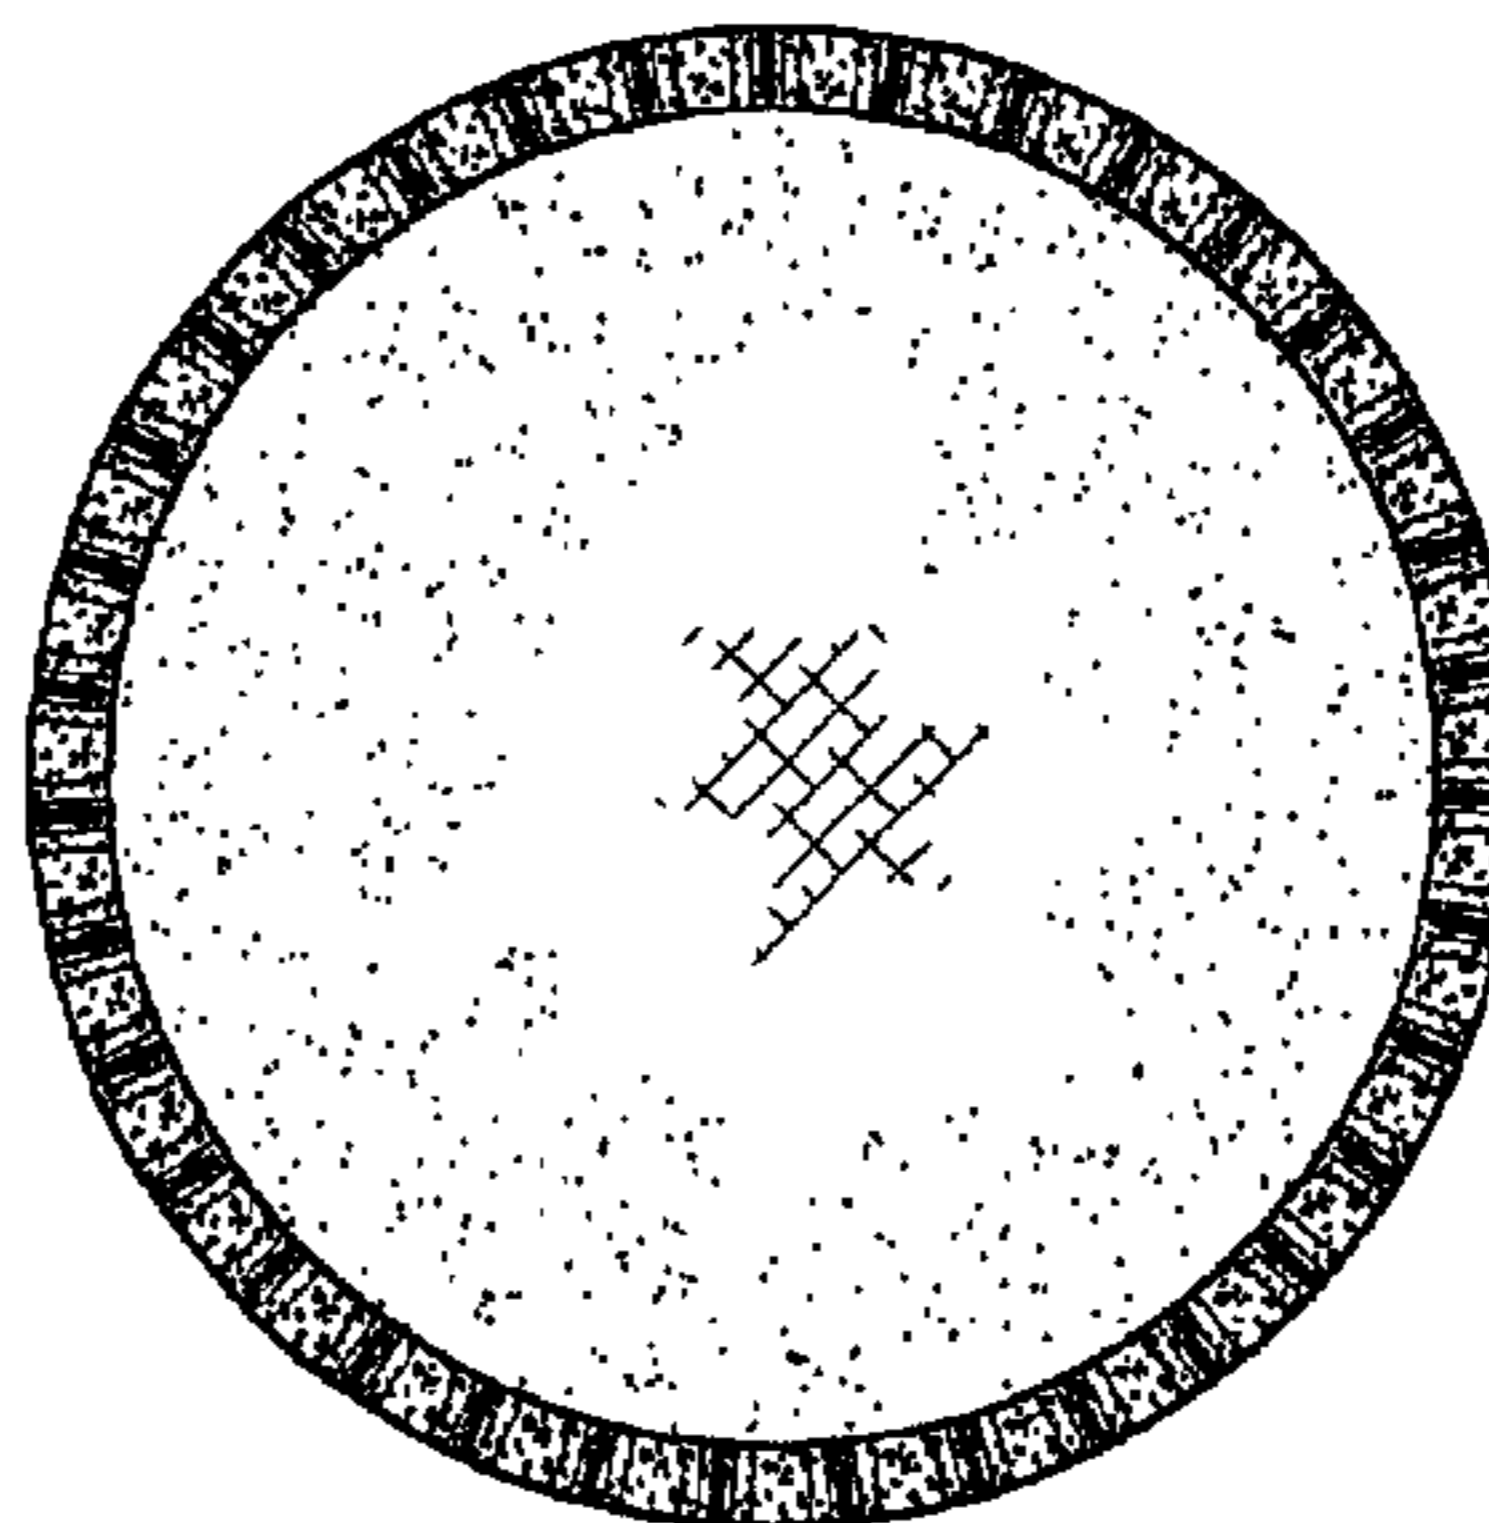

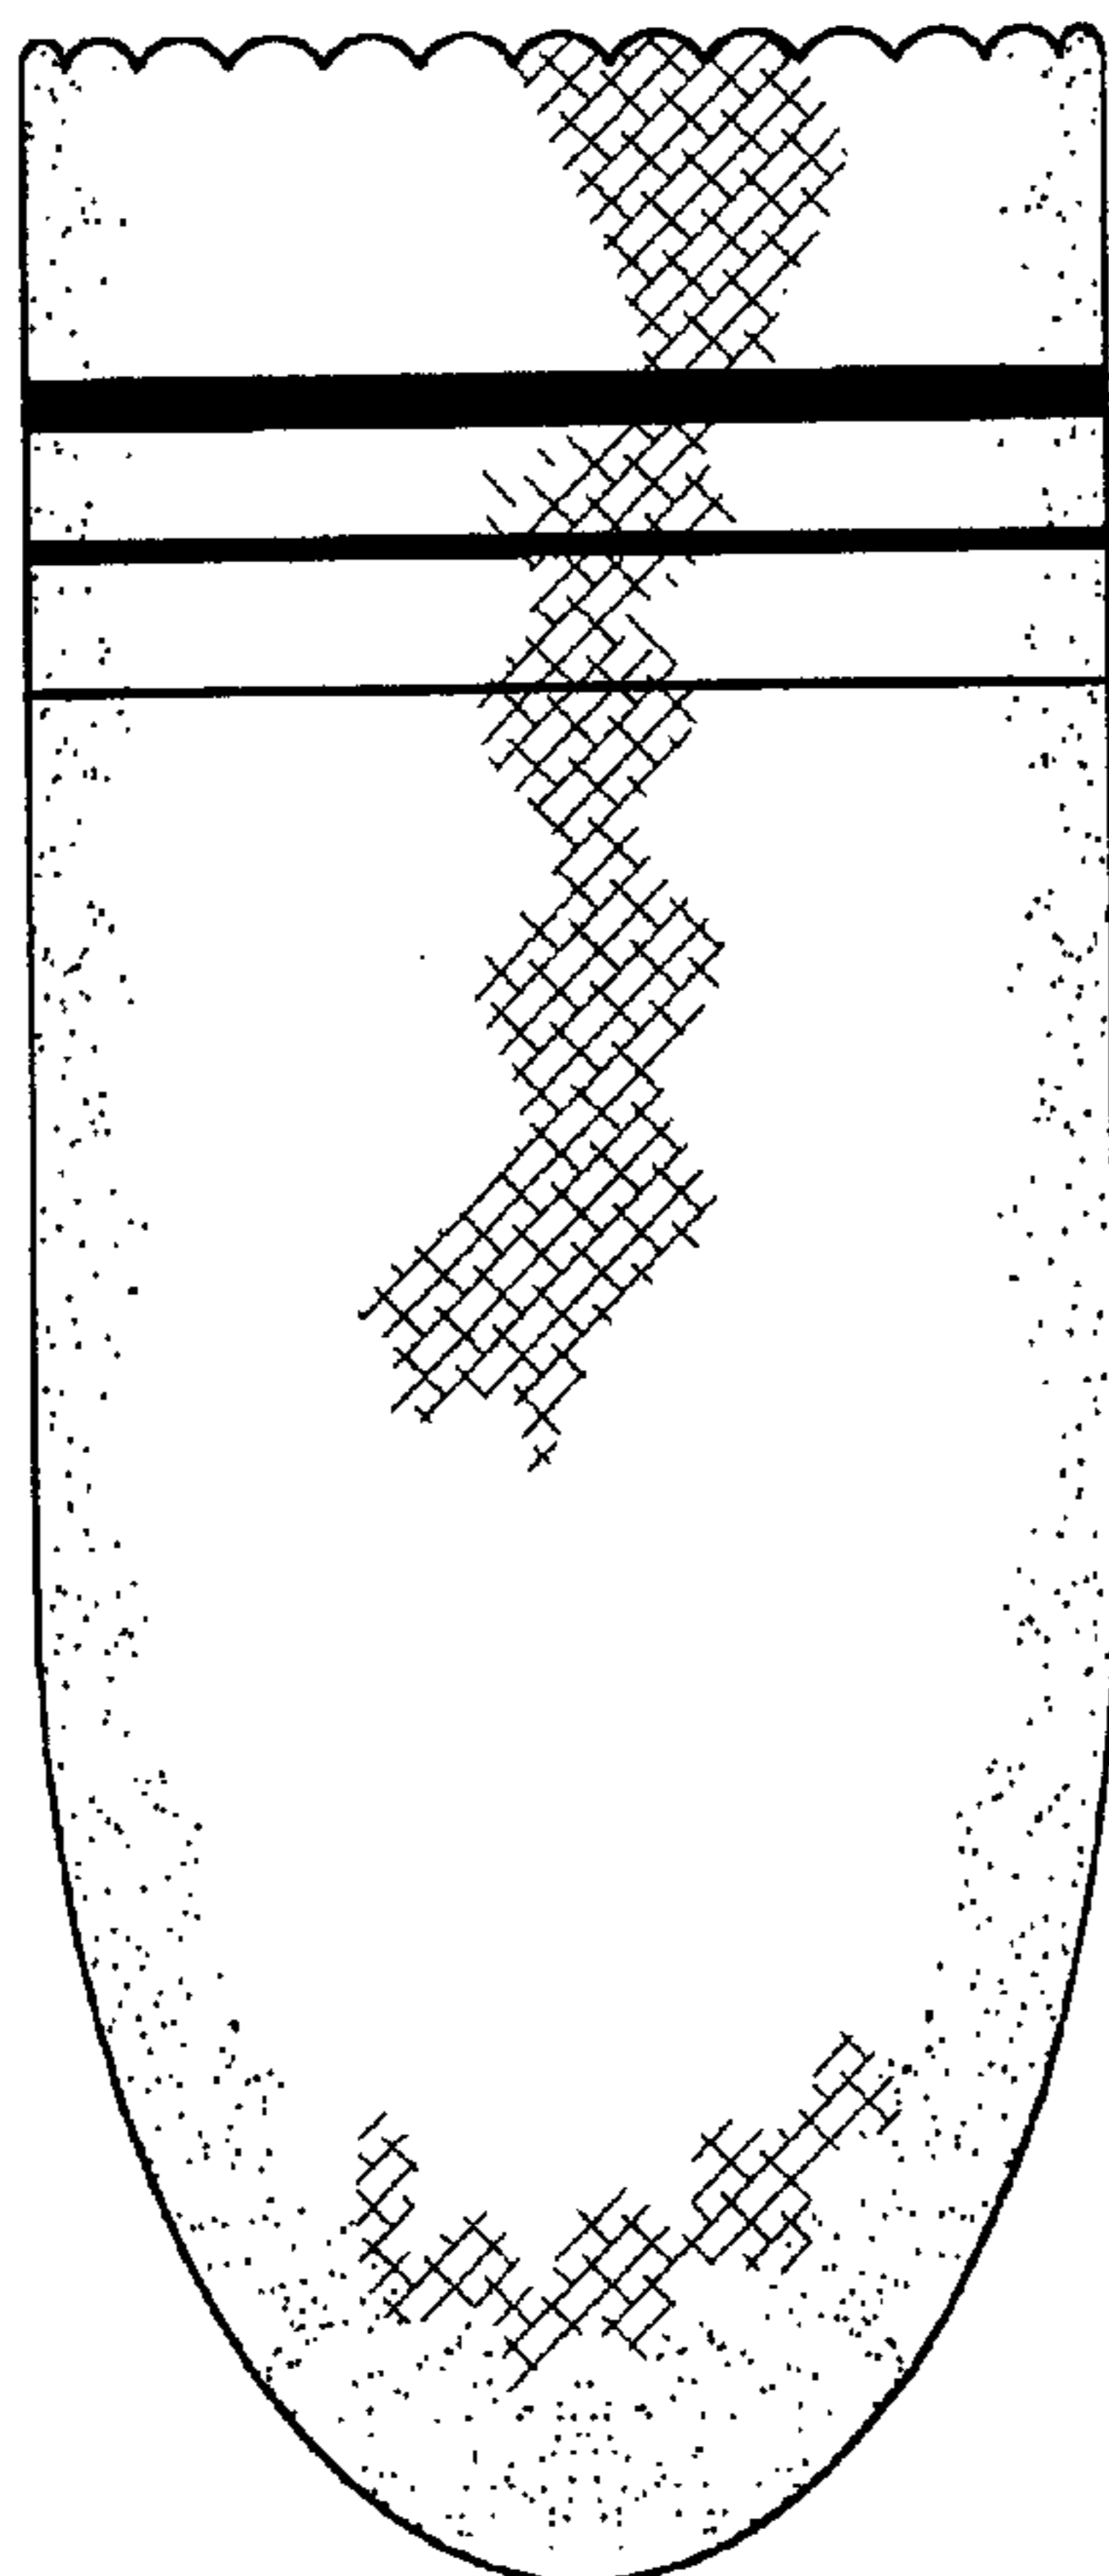

FIG. 1 is a front elevational view of a combined toothbrush and gum massager showing our new design, the rear elevational view, left side and right side views being the same thereas;

FIG. 2 is a top plan view thereof; and,

FIG. 3 is a bottom plan view thereof.

The crosshatching shown in the views represents a conventional material and is understood to continue over the entire surface on which it appears.
