(57) **CLAIM**

The ornamental design for a roof-mounted pop-up fire suppression sprinkler with concealment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the roof-mounted pop-up fire suppression sprinkler with concealment, in an extended position. The surrounding roof area forms no part of the design.

FIG. 2 is a perspective view of the roof-mounted pop-up fire suppression sprinkler with concealment, in a retracted position; and,

FIG. 3 is a perspective view of the roof-mounted pop-up fire suppression sprinkler with concealment, in an extended position, from a viewpoint opposite that of FIG. 1.
