DESCRIPTION

FIG. 1 is a perspective view looking upward at the rear and right side of a saw showing my new design, and showing a saw blade in broken lines;
FIG. 2 is a left elevation view of the saw including a saw blade attachment lever with blade tension linkage, and showing a saw blade in broken lines;
FIG. 3 is a front elevation view of the saw including a saw blade attachment lever with blade tension linkage;
FIG. 4 is a rear elevation view of the saw including a saw blade attachment lever with blade tension linkage;
FIG. 5 is a top plan view of the saw including a saw blade attachment lever with blade tension linkage; and,
FIG. 6 is a bottom plan view of the saw including a saw blade attachment lever with blade tension linkage, and showing a saw blade in broken lines.
The broken lines showing the saw blade and blade attachment hole are for illustrative purposes only and form no part of the claimed design.
