(57) **CLAIM**

We claim the ornamental design for a vehicle panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the vehicle panel of the present invention;

FIG. 2 is a top plan view of the vehicle panel shown in FIG. 1;

FIG. 3 is a front view of the vehicle panel shown in FIG. 1, the rear view being a mirror image thereof; and,

FIG. 4 is a left side view of the vehicle panel shown in FIG. 1, the right side view being a mirror image thereof.

The underside of the vehicle panel is plain and unornamented. Features shown in broken lines in the drawings are for illustrative purposes only and form no part of the claimed design.
