(57) **CLAIM**

The ornamental design for a pipe clamp fixture set, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the pipe clamp fixture set of the invention, a pipe section being shown by broken lines to illustrate environmental structure and constituting no part of the claimed design;

FIG. 2 is a top plan view of the fixed component of the fixture set;

FIG. 3 is a side elevational view of the fixed component of the fixture set, the opposite side elevational view being a mirror image thereof;

FIG. 4 is a bottom view of the fixed component of the fixture set;

FIG. 5 is an outer end view of the fixed component of the fixture set;

FIG. 6 is an inner end view of the fixed component of the fixture set;

FIG. 7 is a top plan view of the adjustable component of the fixture set;

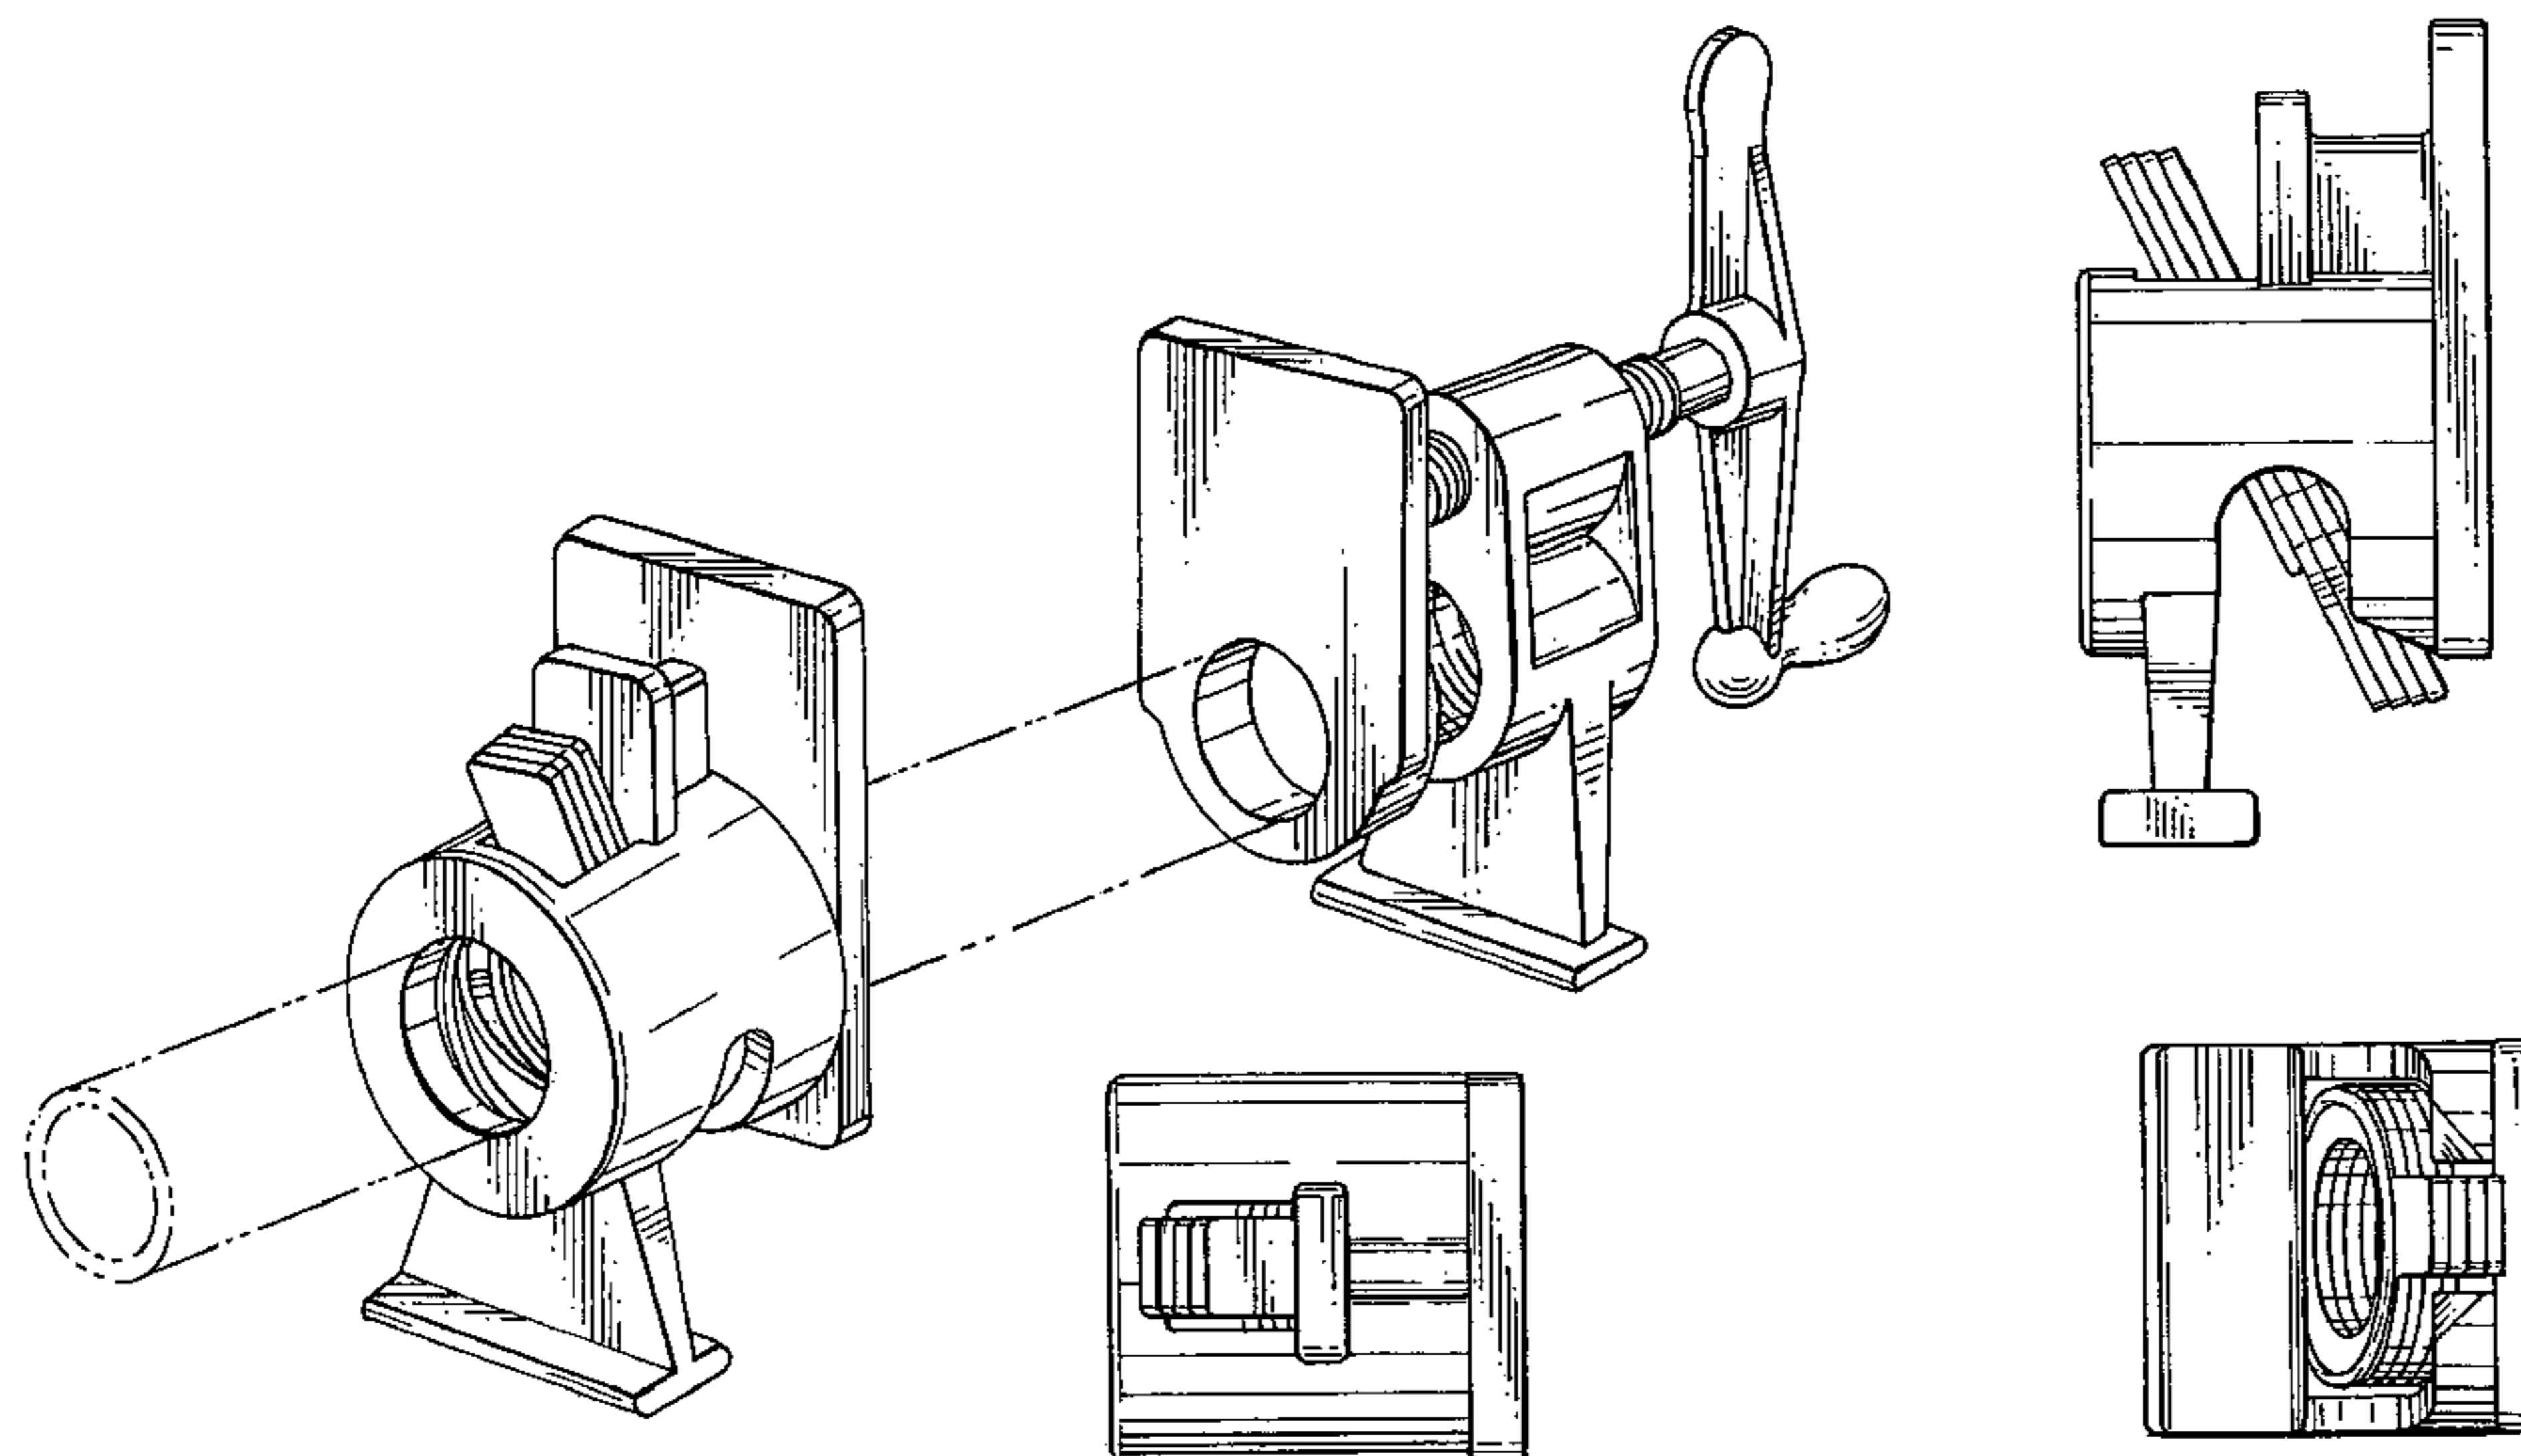

FIG. 8 is a side elevational view of the adjustable component of the fixture set, the opposite side elevational view being a mirror image thereof;

FIG. 9 is a bottom view of the adjustable component of the fixture set;

FIG. 10 is an outer end view of the adjustable component of the fixture set; and,

FIG. 11 is an inner end view of the adjustable component of the fixture set.
