(57) **CLAIM**

The ornamental design for a image for portion of a display screen, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a image for portion of a display screen showing our new design.

The broken line showing of the interior rectangles and the areas there within form no part of the claimed design. The outer rectangular broken line forms an unclaimed boundary of the design. The broken line showing of the portion of the display screen is for illustrative purposes only and forms no part of the claimed design.
