(57) **CLAIM**

The ornamental design for a set of images for portions of a display screen, as shown and described.

**DESCRIPTION**

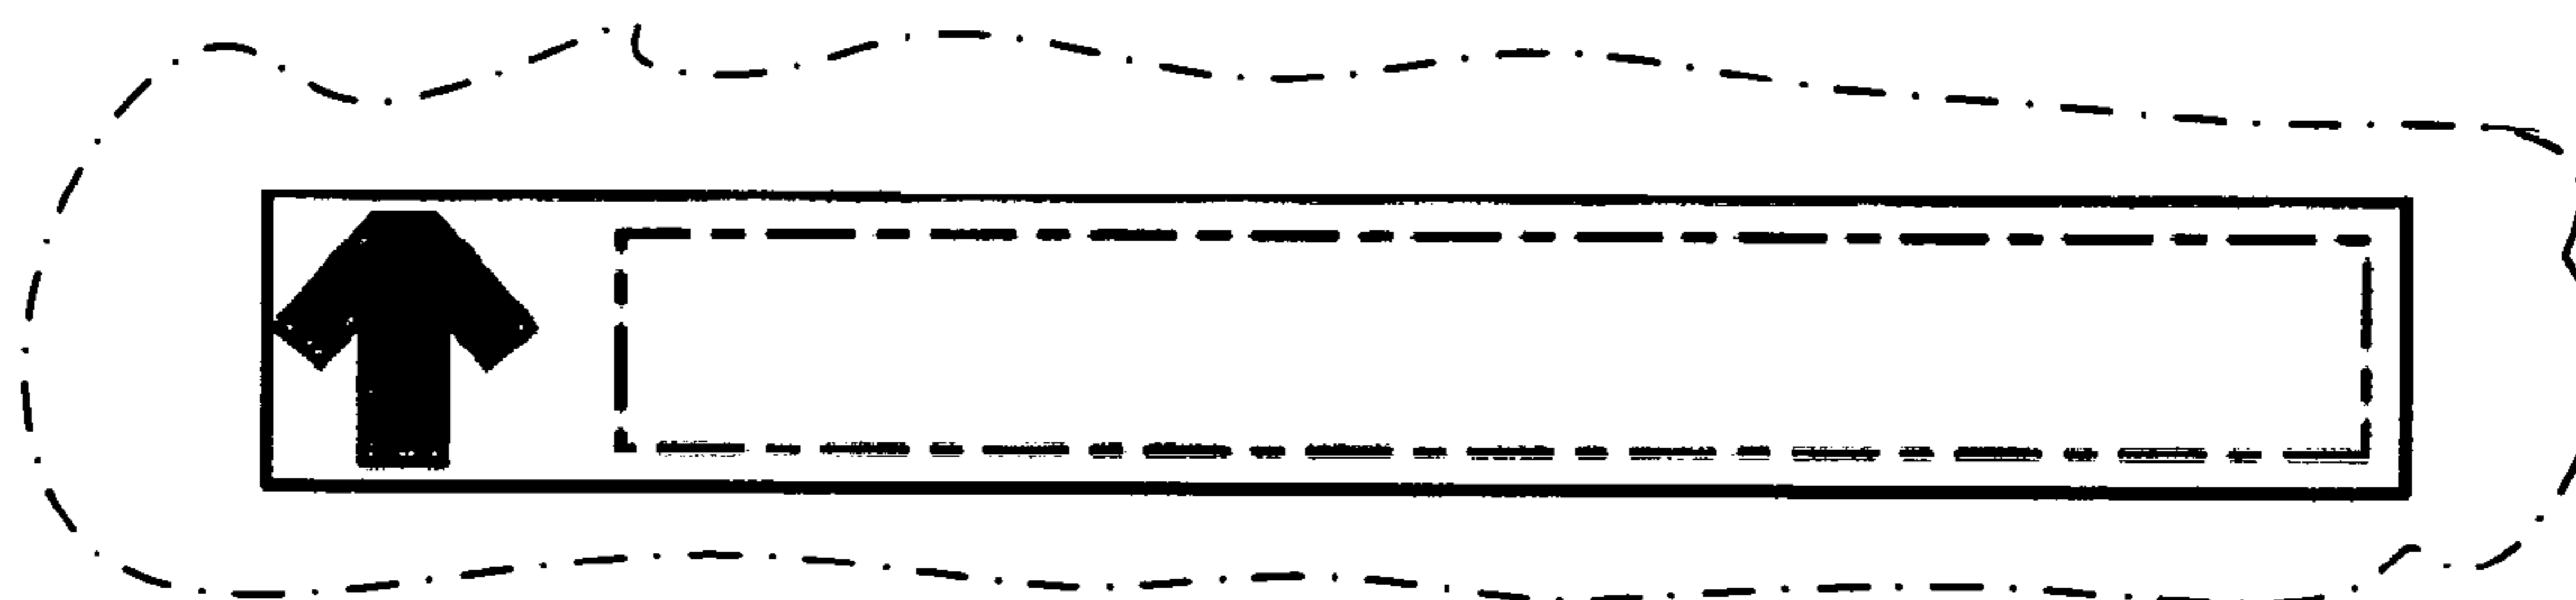

FIG. 1 is a front view of the first image of a set of images for portions of a display screen showing our new design;

FIG. 2 is a front view of the second image of a set of images for portions of a display screen showing our new design; and,

FIG. 3 is a front view of the third image of a set of images for portions of a display screen showing our new design.

The broken line showing of the rectangular regions and the areas there within form no part of the claimed design. The three images of the set are displayed on a display screen at the same time. The relative positioning of the images of the set forms no part of the claimed design. The broken line showing of the portions of the display screen are for illustrative purposes only and form no part of the claimed design.
