(57) **CLAIM**

The ornamental design for a shelf fence, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a shelf fence, showing my new design;

FIG. 1A is another perspective view of the shelf fence shown in FIG. 1;

FIG. 2 is a back perspective view of the shelf fence shown in FIG. 1;

FIG. 3 is a right side elevation view of the shelf fence shown in FIG. 1;

FIG. 4 is a left side elevation view of the shelf fence shown in FIG. 1;

FIG. 5 is a front elevation view of the shelf fence shown in FIG. 1;

FIG. 6 is a back elevation view of the shelf fence shown in FIG. 1;

FIG. 7 is a top plan view of the shelf fence shown in FIG. 1;

FIG. 8 is a bottom plan view of the shelf fence shown in FIG. 1; and,

FIG. 9 is a perspective view showing one embodiment of my shelf fence attached to an exemplary wire shelf.

The details shown in broken lines are for illustrative purposes only and form no part of the claimed design. In FIGS. 1-2 and 5-8, the separation and bracket are used to indicate indeterminate length, as the shelf fence can be shorter or longer and include more or less generally vertical components than shown in the figures. It is understood that the portion of the shelf fence shown in the figures may be shortened or lengthened indeterminately in either or both directions.
