(57) **CLAIM**

The ornamental design for a image for a display screen, as shown and described.

**DESCRIPTION**

The patent or patent application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The single FIGURE is a front view of an image for a display screen showing our new design. The broken line drawing of a display screen is for illustrative purposes only and forms no part of the claimed design.
