(57) **CLAIM**

We claim the ornamental design for a customer terminal for pneumatic conveyor system, as shown and described.

DESCRIPTION

FIG. 1 is a right front perspective view of a customer terminal for pneumatic conveyor system showing our new design;

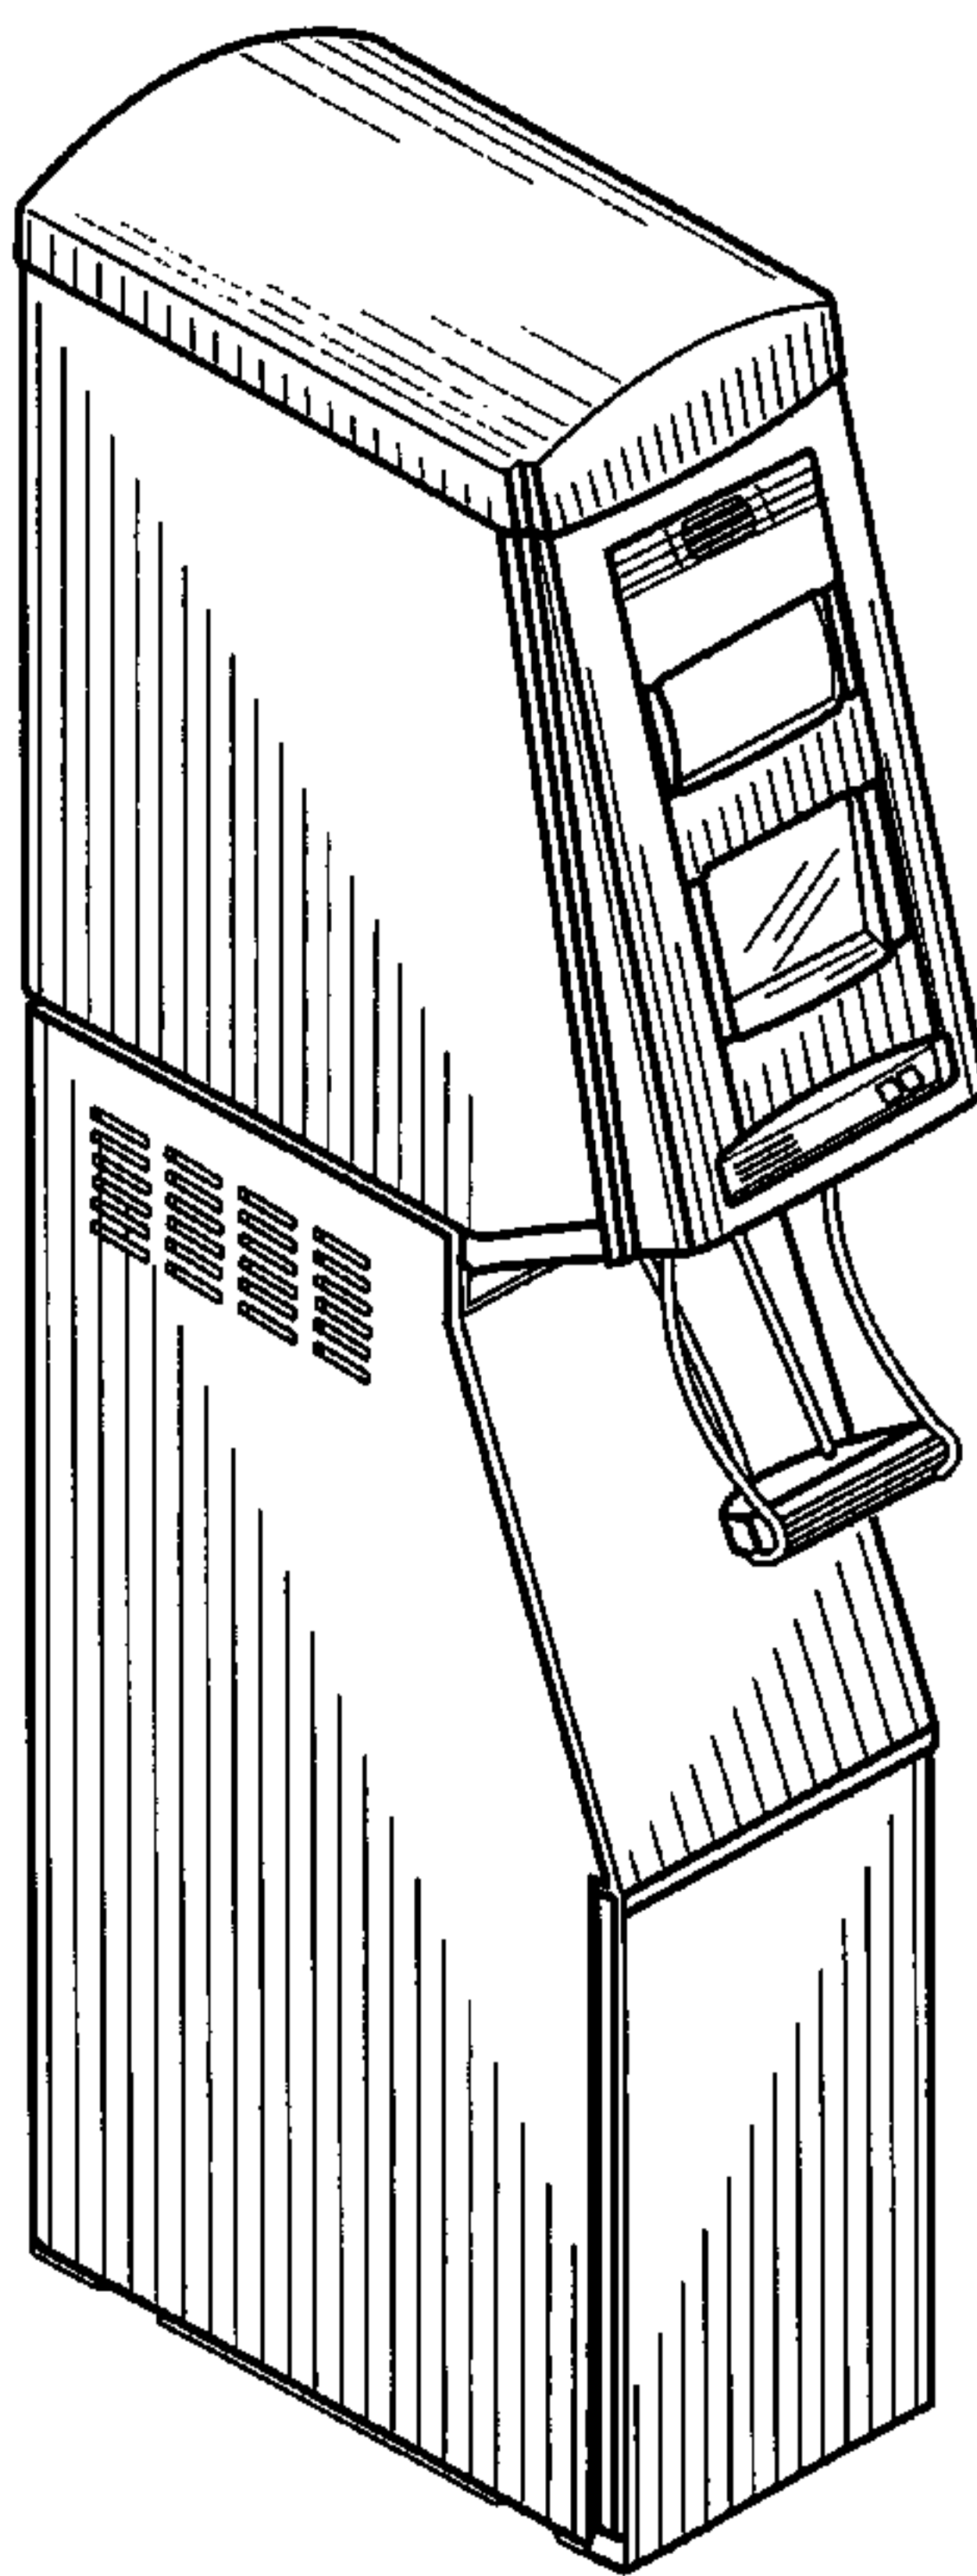

FIG. 2 is a top plan view thereof;

FIG. 3 is a right side elevation thereof, the side opposite being a mirror image; and,

FIG. 4 is a front elevation thereof.

The surfaces that are not shown in the figure drawings for no part of the claimed design.
