(57) **CLAIM**

The ornamental design for an image for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of an image for a portion of a display screen showing our new design.

Portions of the design are shown in grey lines, as distinguished from portions of the claim shown in black lines. The grey lines represent the effect of a reflection as a part of the claimed subject matter. The broken line showing of the interior regions of the solid line rectangles and partial rectangles and the display screen is for illustrative purposes only and forms no part of the claimed design.
