(57) **CLAIM**

The ornamental design for the spring horse, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the spring horse;
FIG. 2 is a front elevational view of the spring horse;
FIG. 3 is a rear elevational view of the spring horse;
FIG. 4 is a right side elevational view of the spring horse;
FIG. 5 is a left side elevational view of the spring horse;
FIG. 6 is a top plan view of the spring horse; and,
FIG. 7 is a bottom plan view of the spring horse.

Variations shown in the position of the figure's mane and tail are indicative of the flexible nature of the material.

The broken lines in the Figures are included for the purpose of illustrating portions of the article that form no part of the claimed design.
