(57) **CLAIM**

The ornamental design for a toy building element, as shown and described.

DESCRIPTION

It is intended that the toy building element of the present invention be used in a set of toy building elements that are capable of being interconnected in a releasable engagement.

FIG. 1 is a front perspective view of the toy building element.

FIG. 2 is a left side view of the toy building element shown in FIG. 1, the right side view being identical.

FIG. 3 is a front view of the toy building element shown in FIG. 1, the rear view being identical.

FIG. 4 is a top view of the toy building element shown in FIG. 1; and,

FIG. 5 is a bottom view of the toy building element shown in FIG. 1.

The interior of the toy building element, which is shown in broken lines for illustrative purposes only, does not form part of the claimed design.
