(57) **CLAIM**

I claim the ornamental design for set of tear strip access perforations on packaging, as shown and described.

DESCRIPTION

This application incorporates by reference U.S. patent application Ser. No. 11/233,502 for all that it discloses. All material from U.S. patent application Ser. No. 11/233,502 that is essential to the claimed design is included in this application. Any material in U.S. patent application Ser. No. 11/233,502 that is not present in this application forms no part of the claimed design.

The sole FIGURE is a plan view of a set of tear strip access perforations on packaging, according to the invention.

The lines depicted as “— — — —” represent a perforated line forming part of the claimed design, the outer edges of which define the outer boundary of the claim while lines depicted as “-- — -- —” represent environmental structure forming no part of the claimed design.
