(57) **CLAIM**

The ornamental design for a ring with circular element, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the ring with circular element showing my new design, the ring loop shown in dotted lines for illustrative purposes only and form no part of the claimed design;

FIG. 2 is a top plan view of the ring with circular element; FIG. 3 is a front elevation view of the ring with circular element; the rear elevation view being a mirror image thereof; and,

FIG. 4 is a right side elevation view of the ring with circular element; the left side elevation view being a mirror image thereof.

The broken lines are for illustrative purposes only and form no part of the claimed design.
