(57) **CLAIM**

The ornamental design for a baluster section, as shown and described.

DESCRIPTION

FIG. 1 is a top right perspective view of our baluster section that is broken in the center to indicate indefinite length;

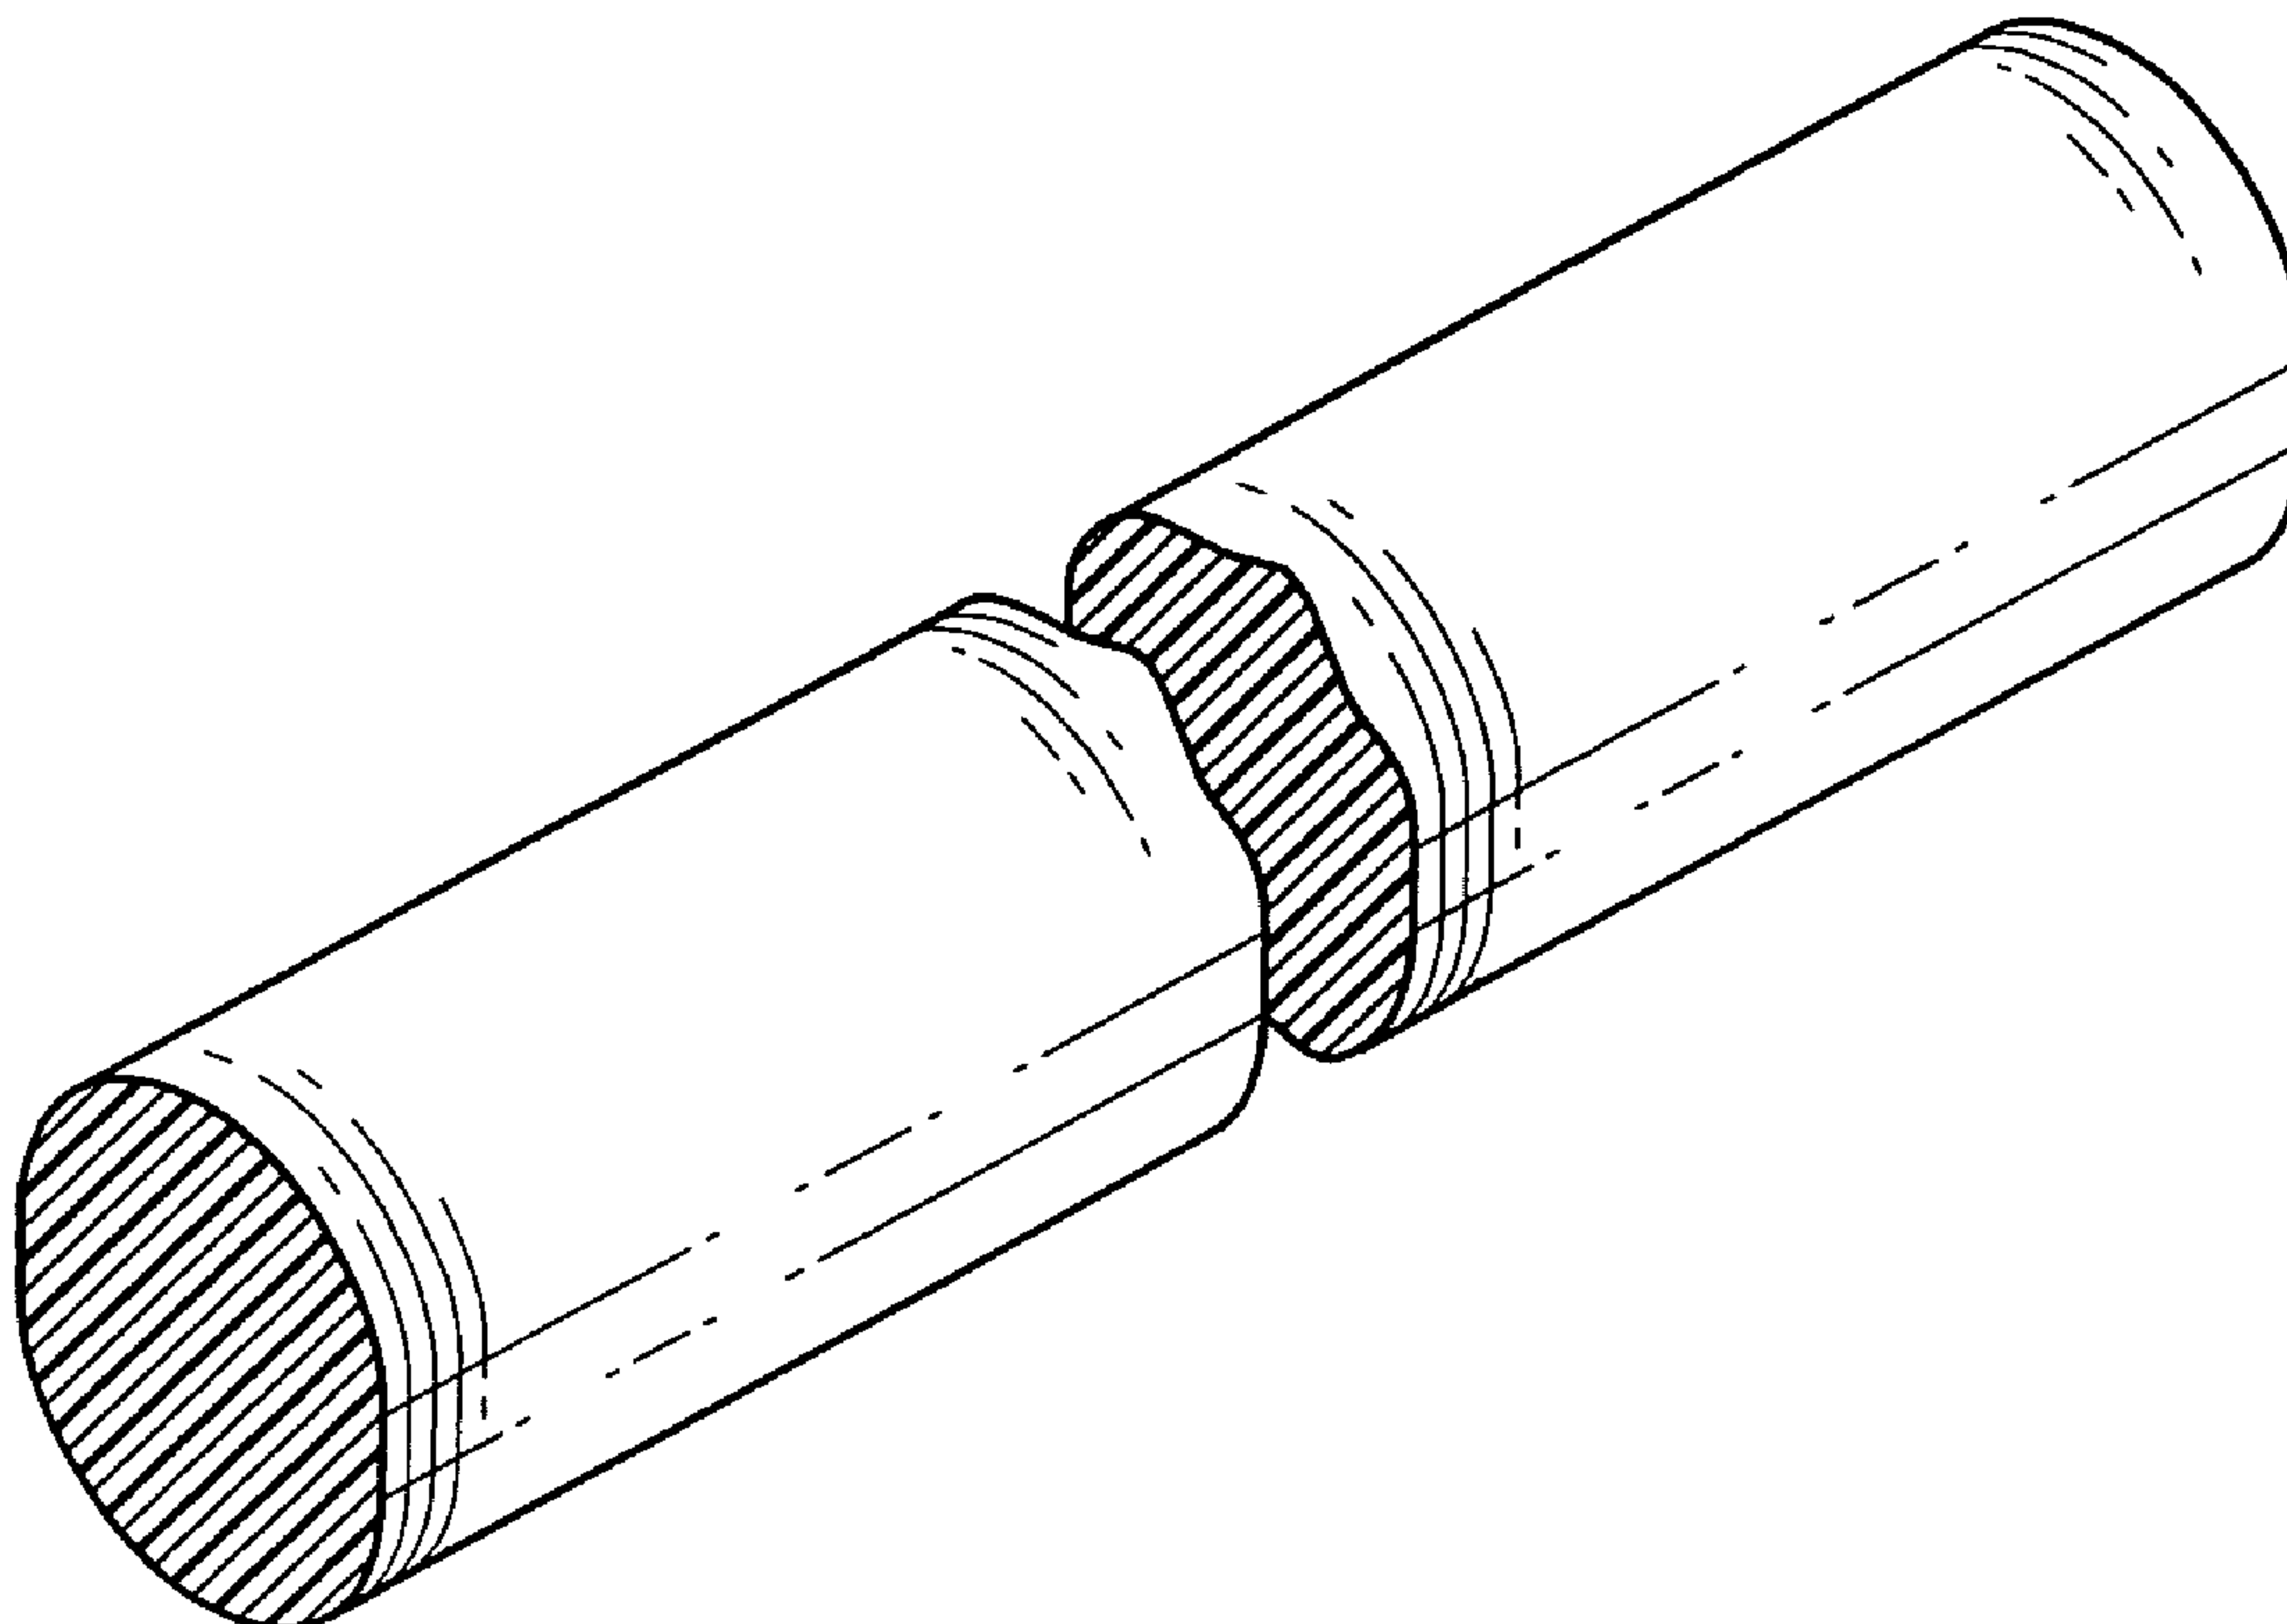

FIG. 2 is a bottom left perspective view of the baluster section shown in FIG. 1;

FIG. 3 is a front view showing the baluster section of FIG. 1 in one example environment; and,

FIG. 4 is a front view showing another embodiment of the baluster section of FIG. 1 in an example environment in which the ends of the baluster section are angled.

The dashed lines in FIGS. 3 and 4 represent environmental structure and form no part of the claimed design. All other surface(s) and portion(s) of the baluster section not shown in the figures or otherwise described in the specification form no part of the claimed design.

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Title page, at item (73), please replace "Lamar, CO" with --Lamar, MO--.

Signed and Sealed this

Twenty-third Day of October, 2007

A handwritten signature in black ink on a light gray dotted background. The signature reads "Jon W. Dudas" in a cursive, stylized script. The "J" is large and loops around the "on". The "W" is written with two distinct peaks. The "Dudas" is written in a fluid, cursive style.

JON W. DUDAS
