See application file for complete search history.

(57) **CLAIM**

I claim the ornamental design for a bite actuated mouthpiece, as shown and described.

**DESCRIPTION**

FIG. 1 is an isometric view of a bite actuated mouthpiece showing the design of the present disclosure.  
FIG. 2 is a top plan view of the bite actuated mouthpiece of FIG. 1.  
FIG. 3 is a side elevation view of the bite actuated mouthpiece of FIG. 1, with the other side view being a mirror image thereof; and,  
FIG. 4 is an end elevation view of the bite actuated mouthpiece of FIG. 1, with the other end view being a mirror image thereof.

The broken line(s) shown in the drawings are for illustrative purposes only and form no part of the claimed design.  
The bottom and internal construction of the bite actuated mouthpiece form no part of the claimed design.  
The shading lines shown in the drawings represent the three-dimensional contour of the design, and are not intended to indicate surface decoration.  
Portions of the bite actuated mouthpiece that are not shown in the drawings form no part of the claimed design.
