(57) **CLAIM**

The ornamental design for a wall mounted medical device holder, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a wall mounted medical device holder embodying our new design with screw holes and a surface feature represented in dotted lines for illustrative purposes;

FIG. 2 is a right side view of the wall mounted medical device holder showing in FIG. 1;

FIG. 3 is a left side view of the wall mounted medical device holder;

FIG. 4 is a front view thereof with additional surface features dotted for illustrative purposes;

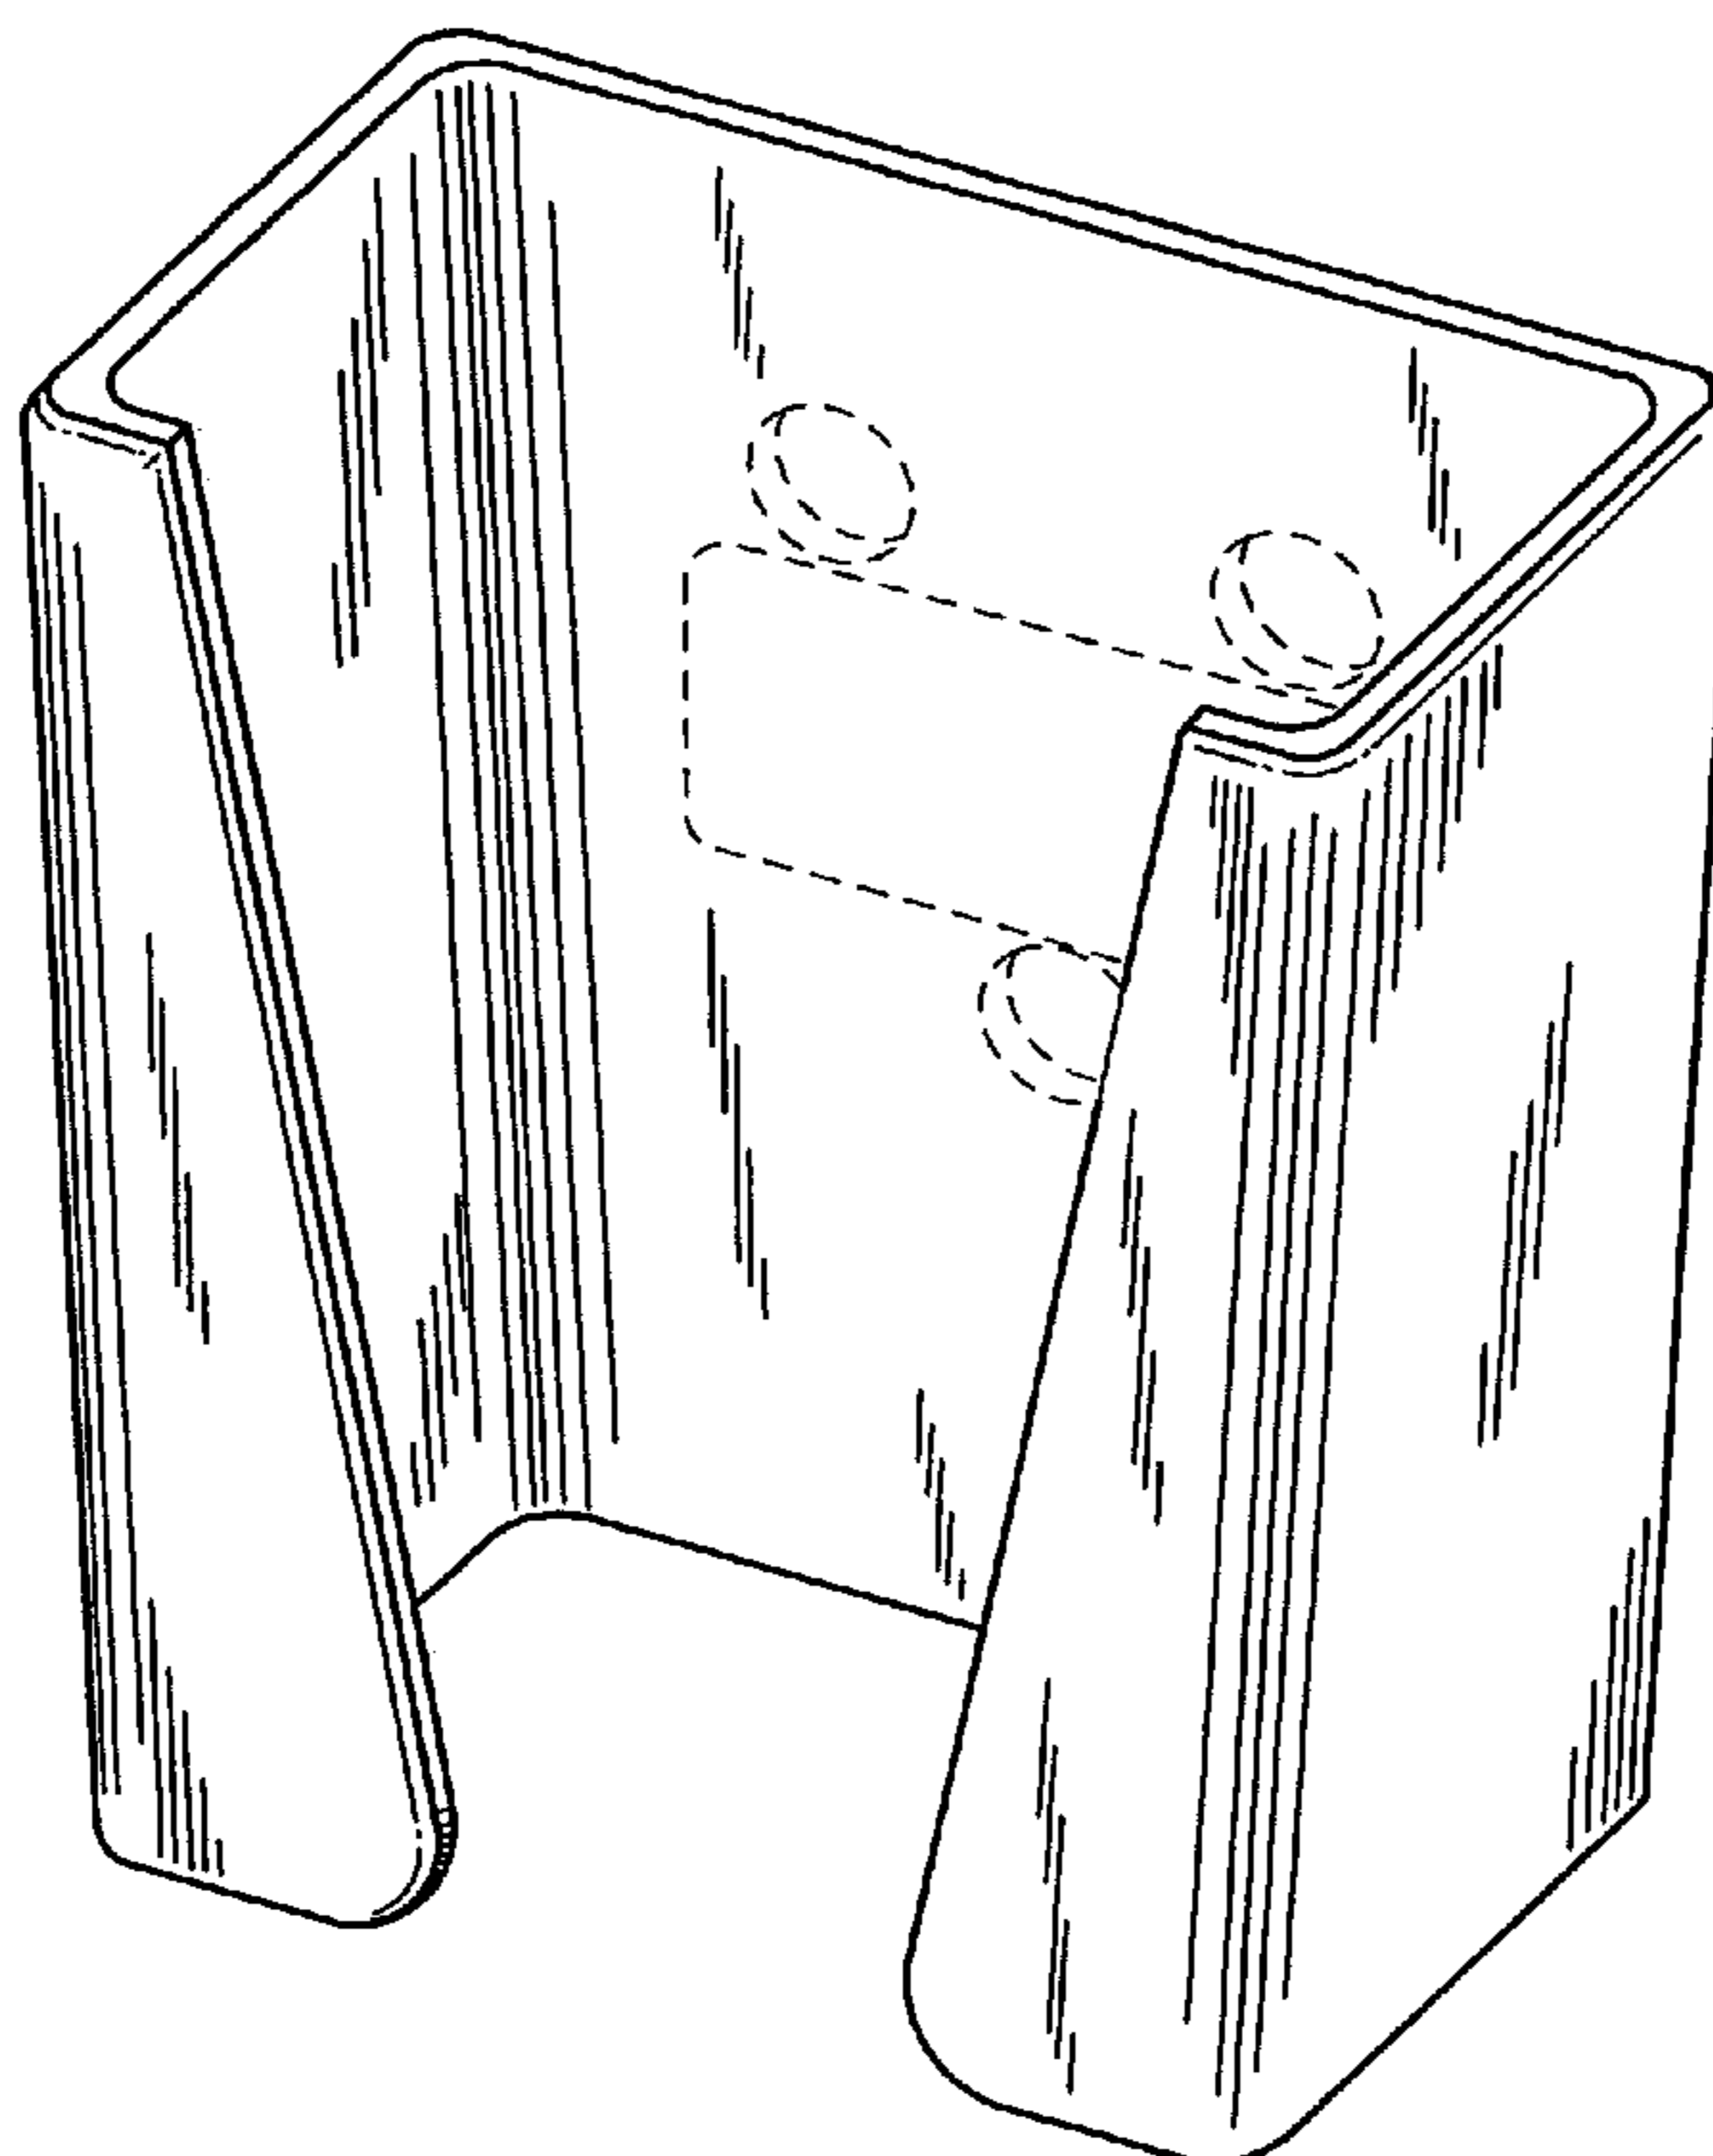

FIG. 5 is a back view thereof with additional surface features dotted for illustrative purposes;

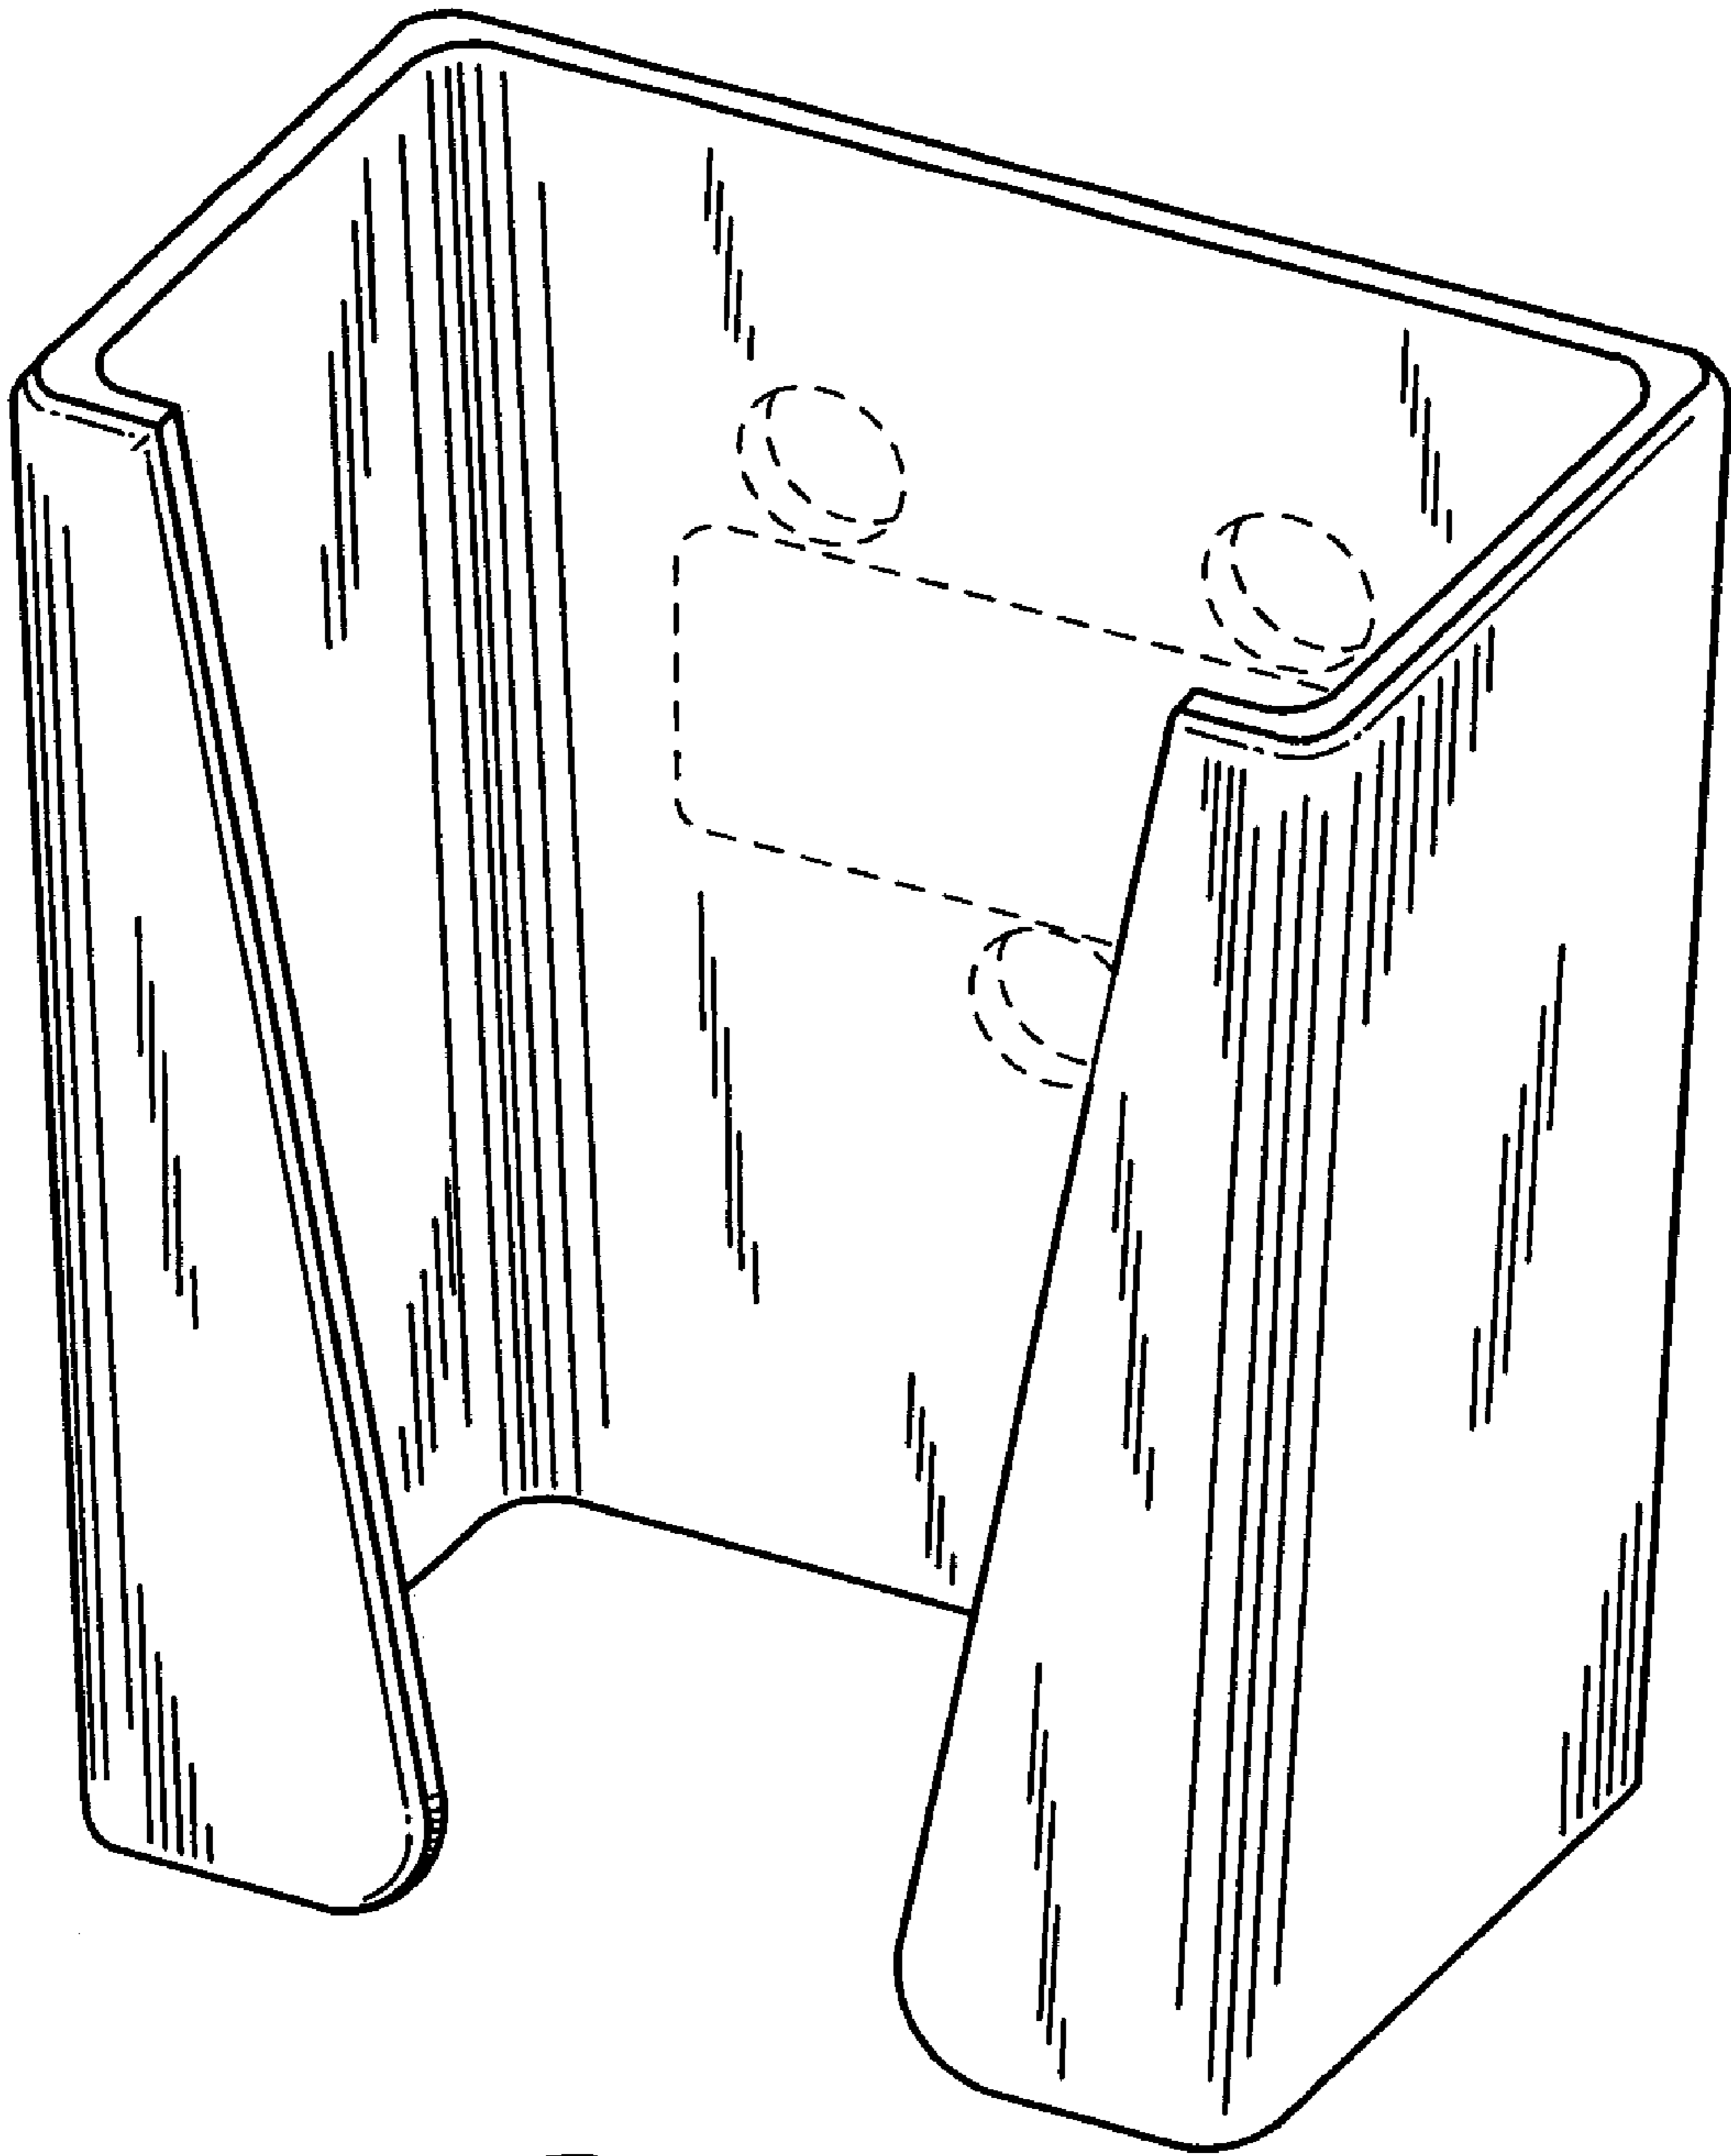

FIG. 6 is a top view thereof; and,

FIG. 7 is a bottom view thereof.

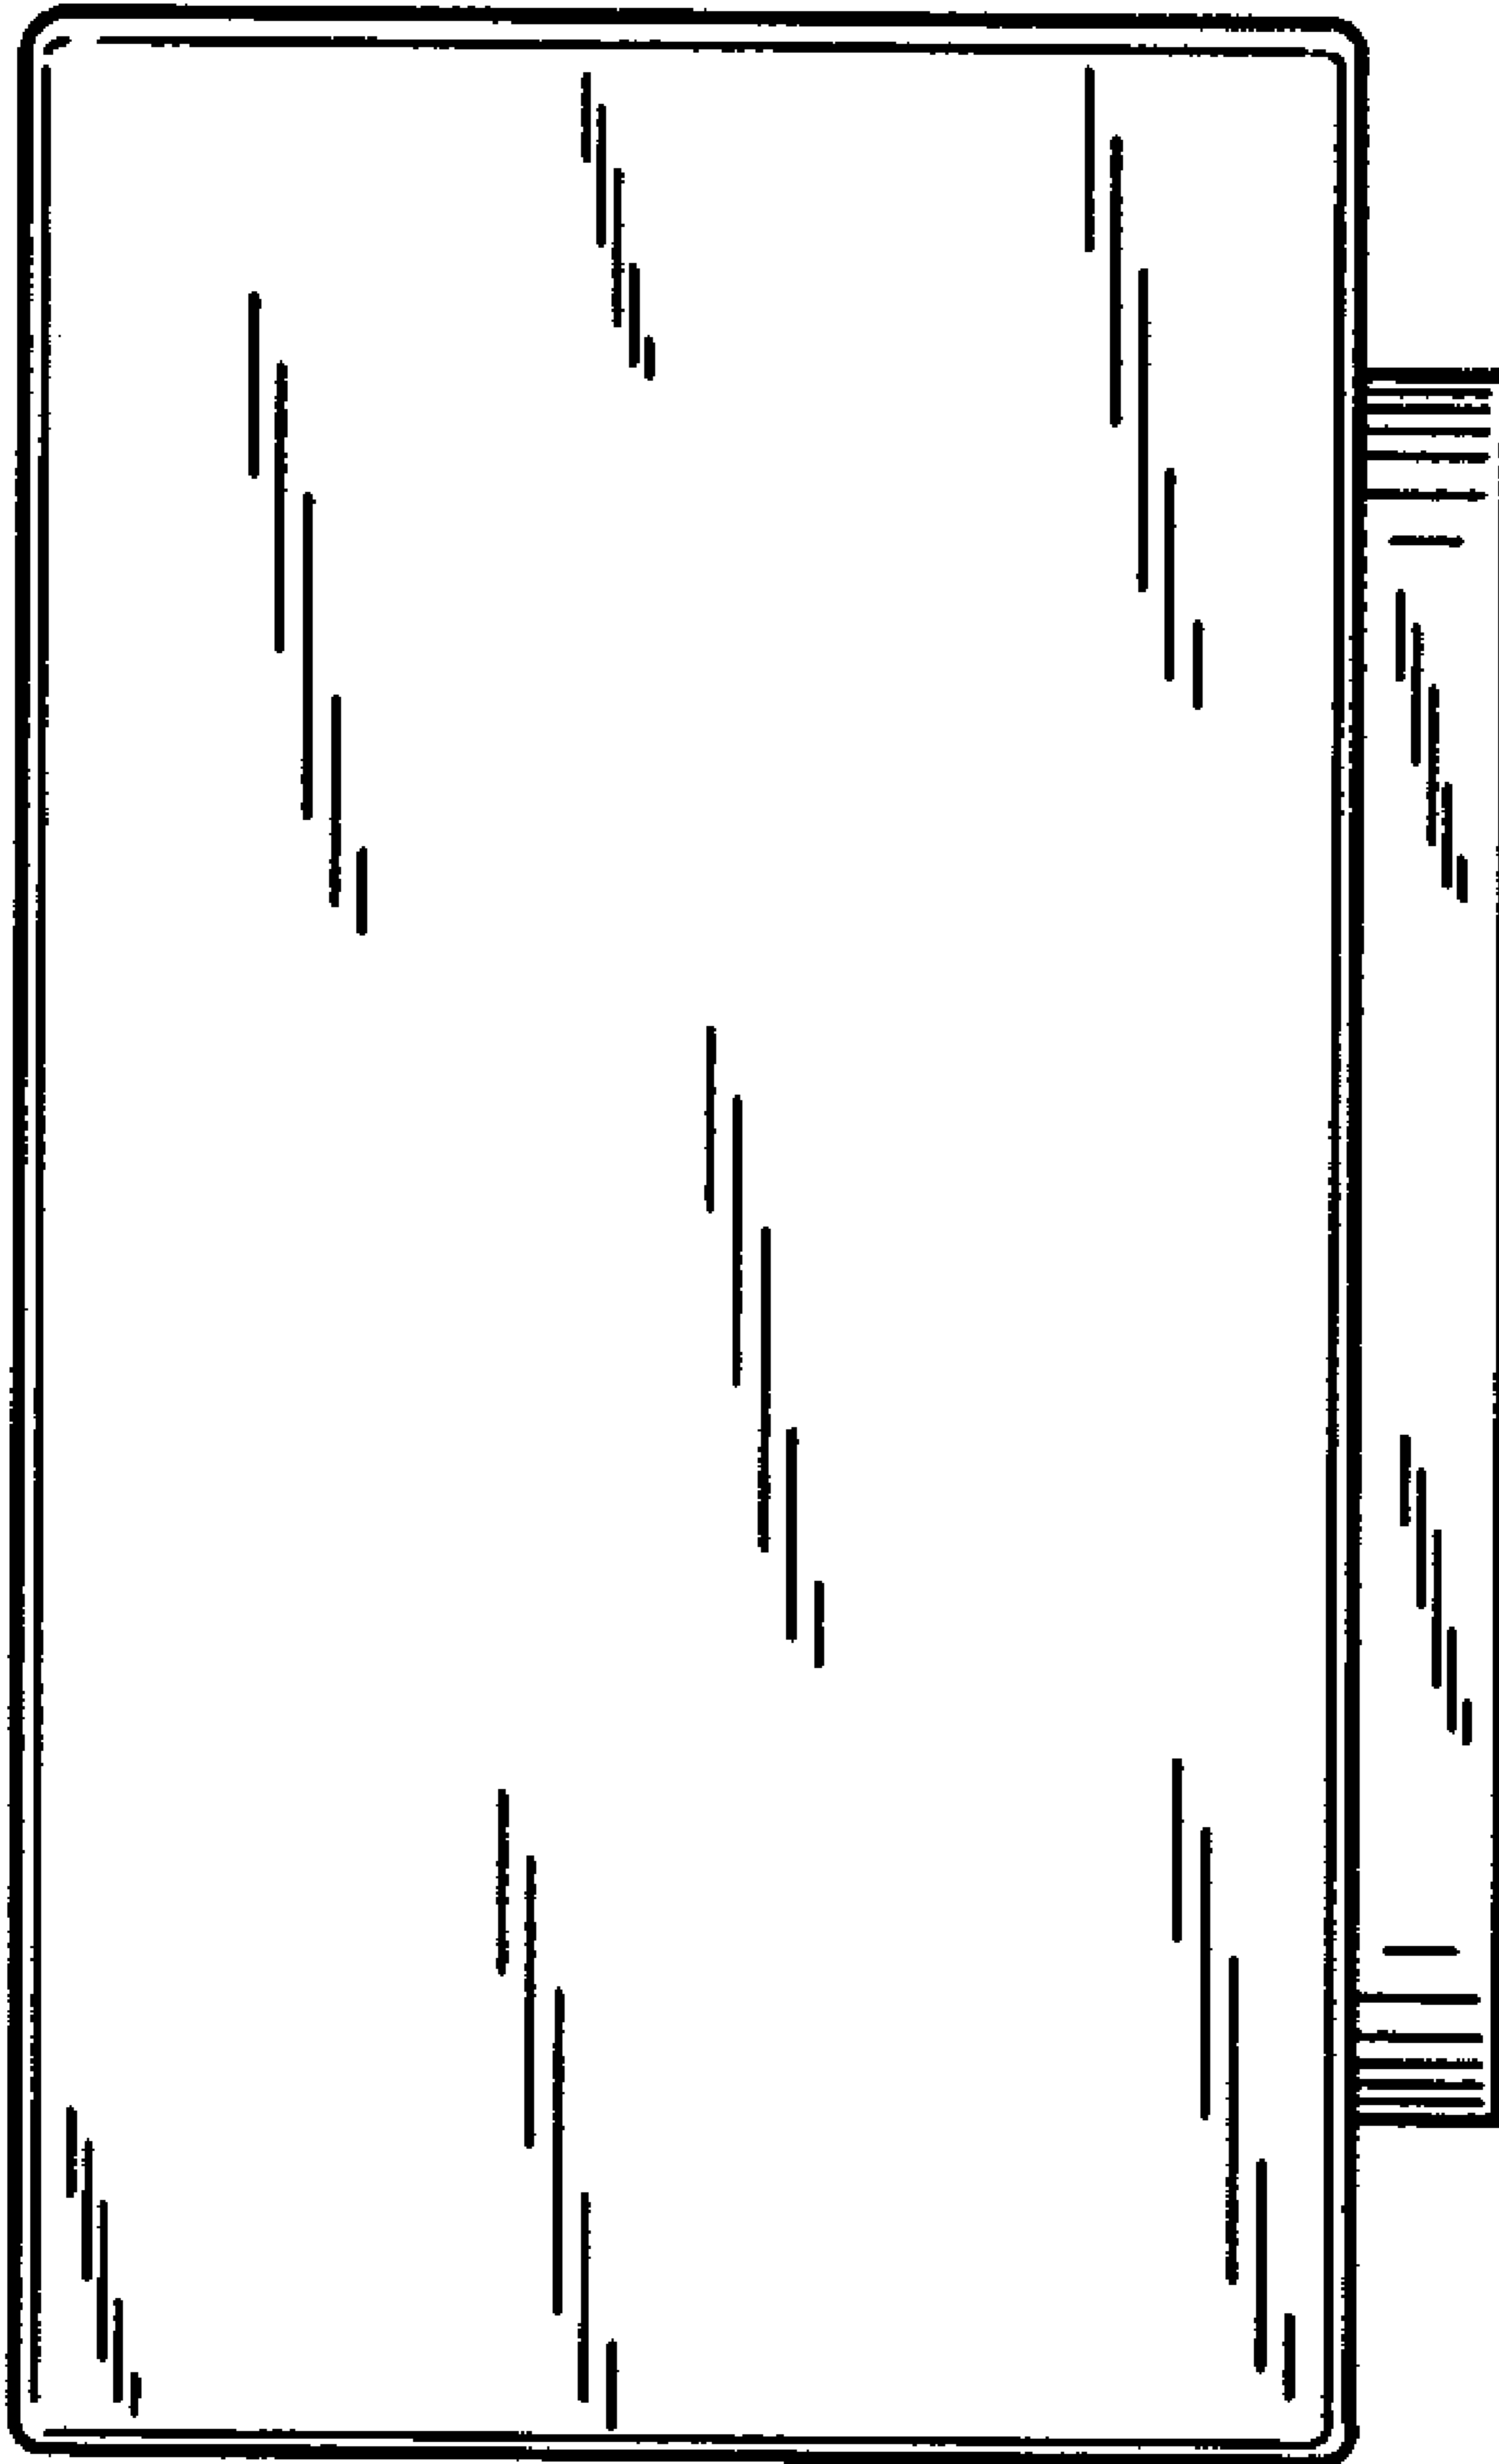

The broken line showing of screw holes, and surface features are for the purpose of illustrating portions of the article and forms no part of the claimed design.
