(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a user interface for a portion of a display screen showing my new design.

The broken line showing of various regions forms no part of the claimed design. The broken lines on the right side and bottom form unclaimed boundaries of the design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
