(57)**CLAIM** 

We claim the ornamental design for a medical probe, as shown and described.

### **DESCRIPTION**

FIG. 1 is a front perspective view of the cap, front, middle and rear portion of a medical probe, showing our new design in a dissembled state for ease of illustration;

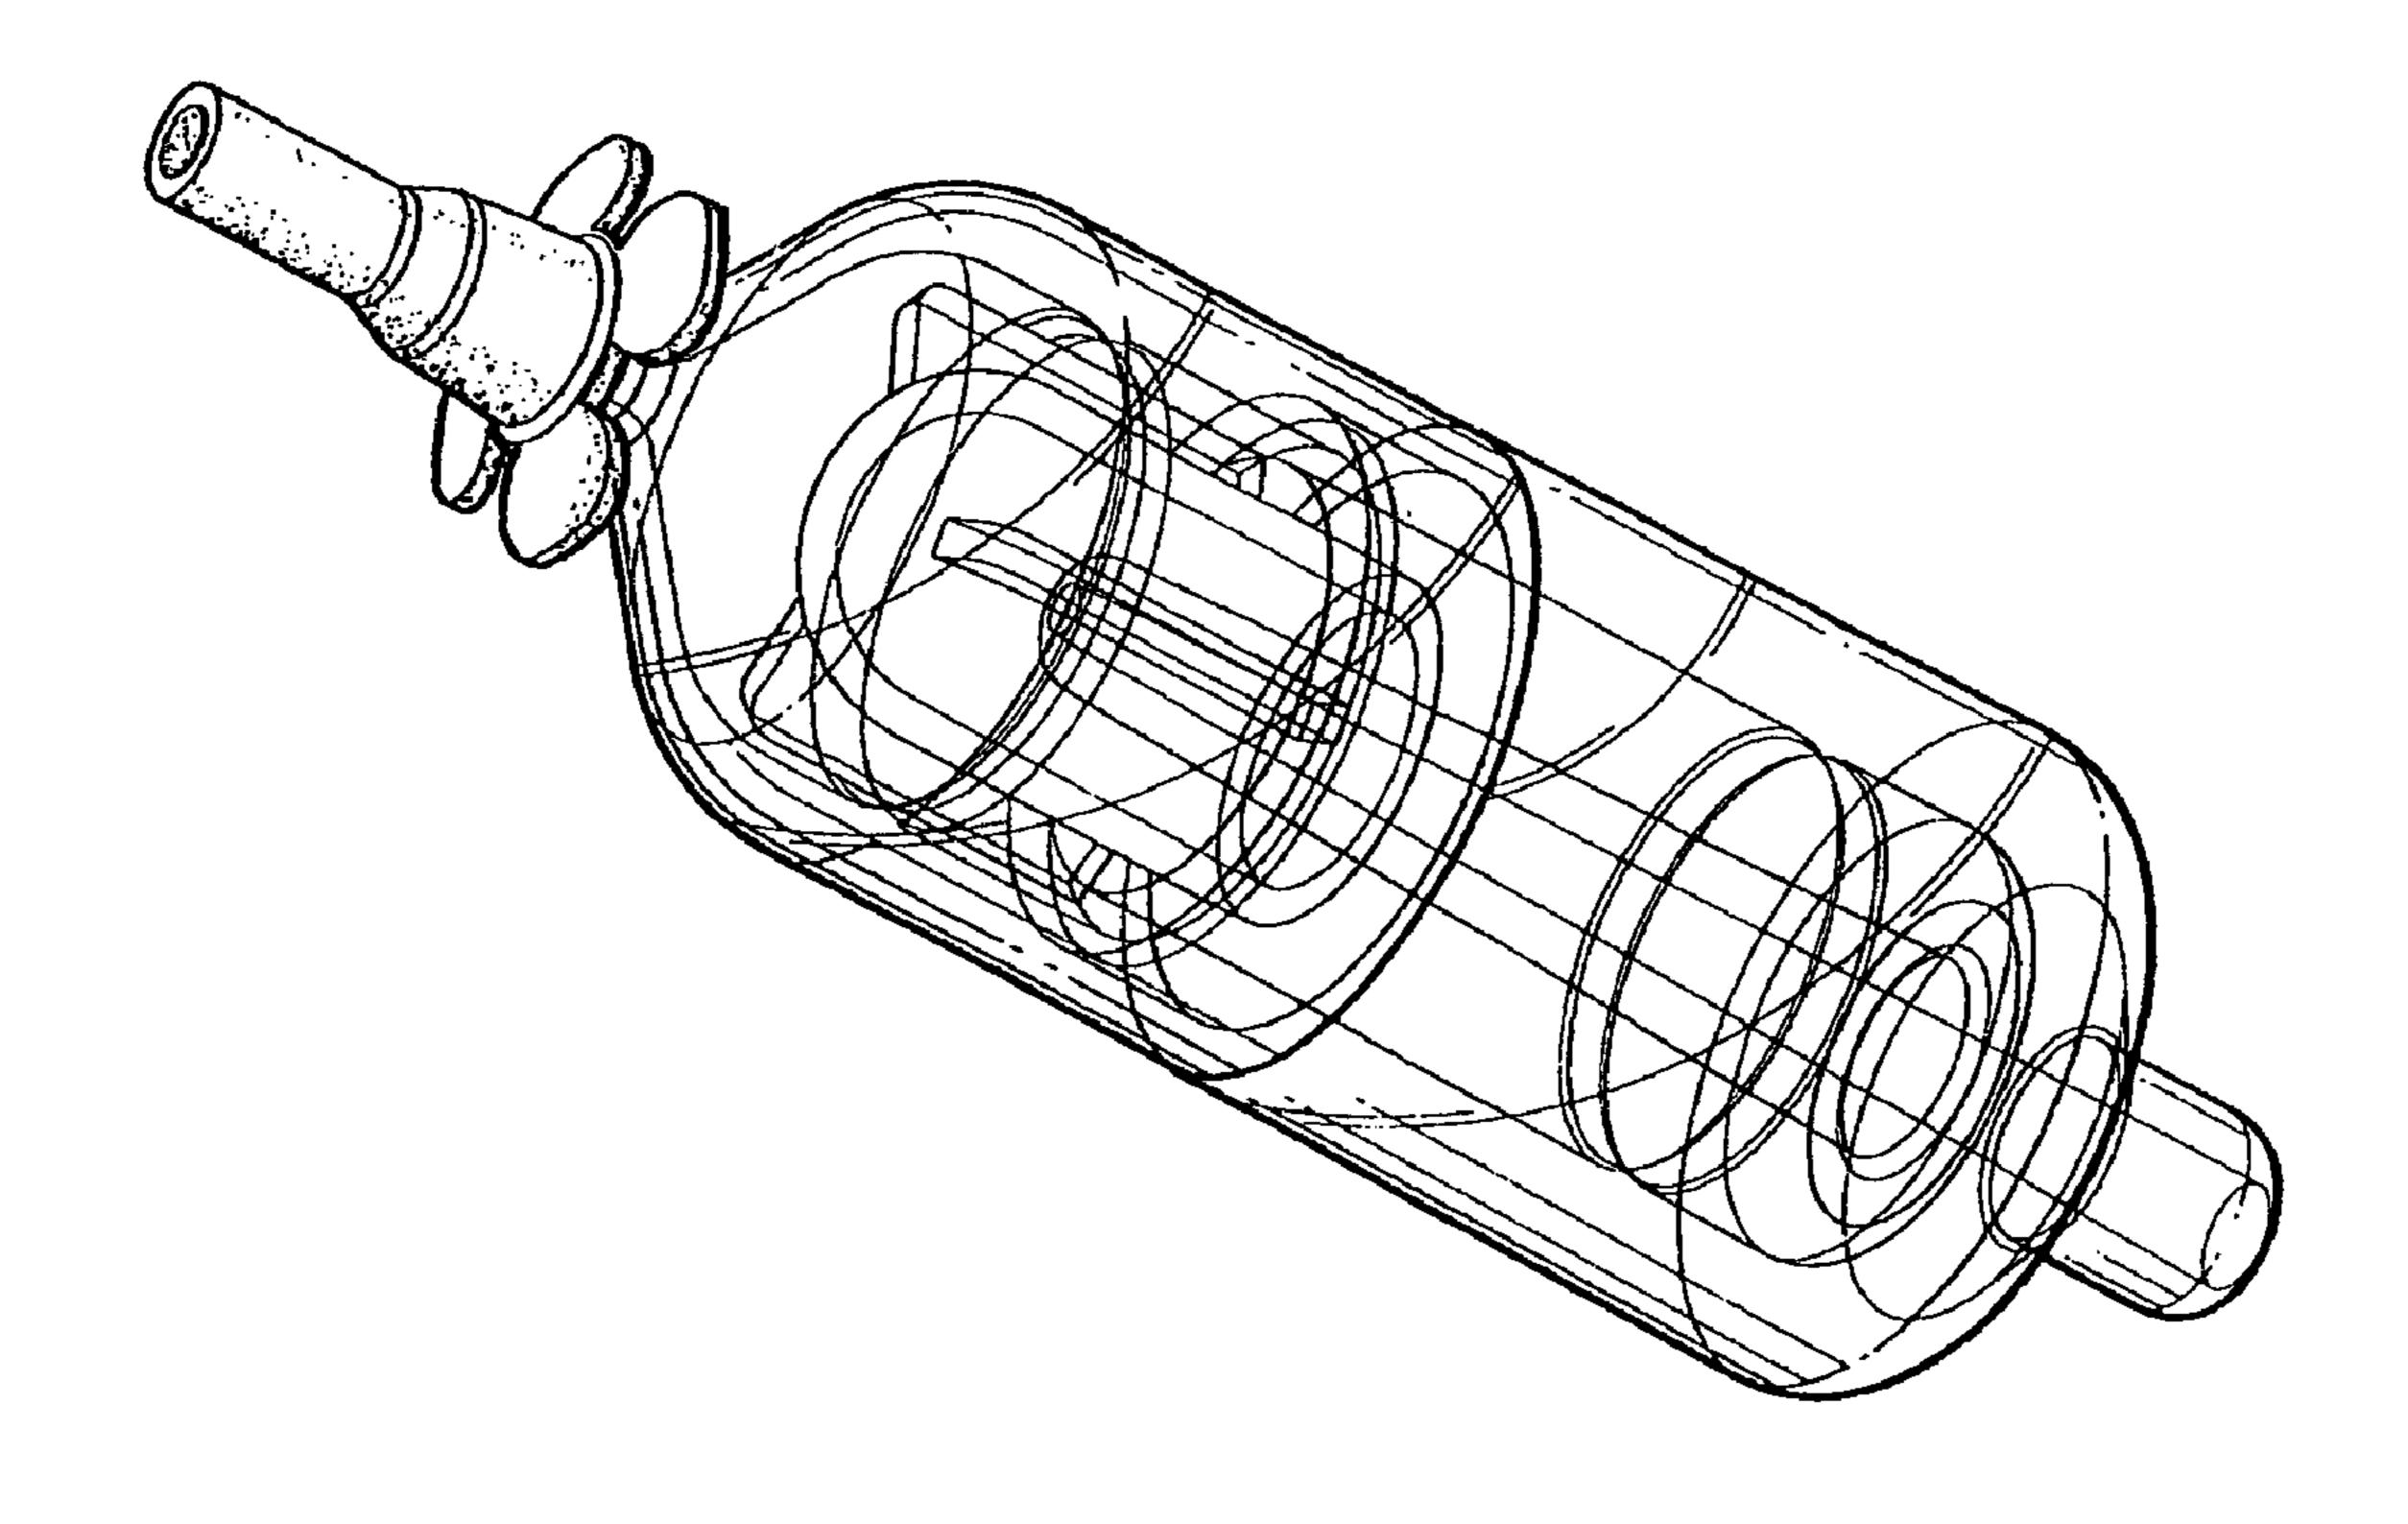

FIG. 2 is a top view thereof;

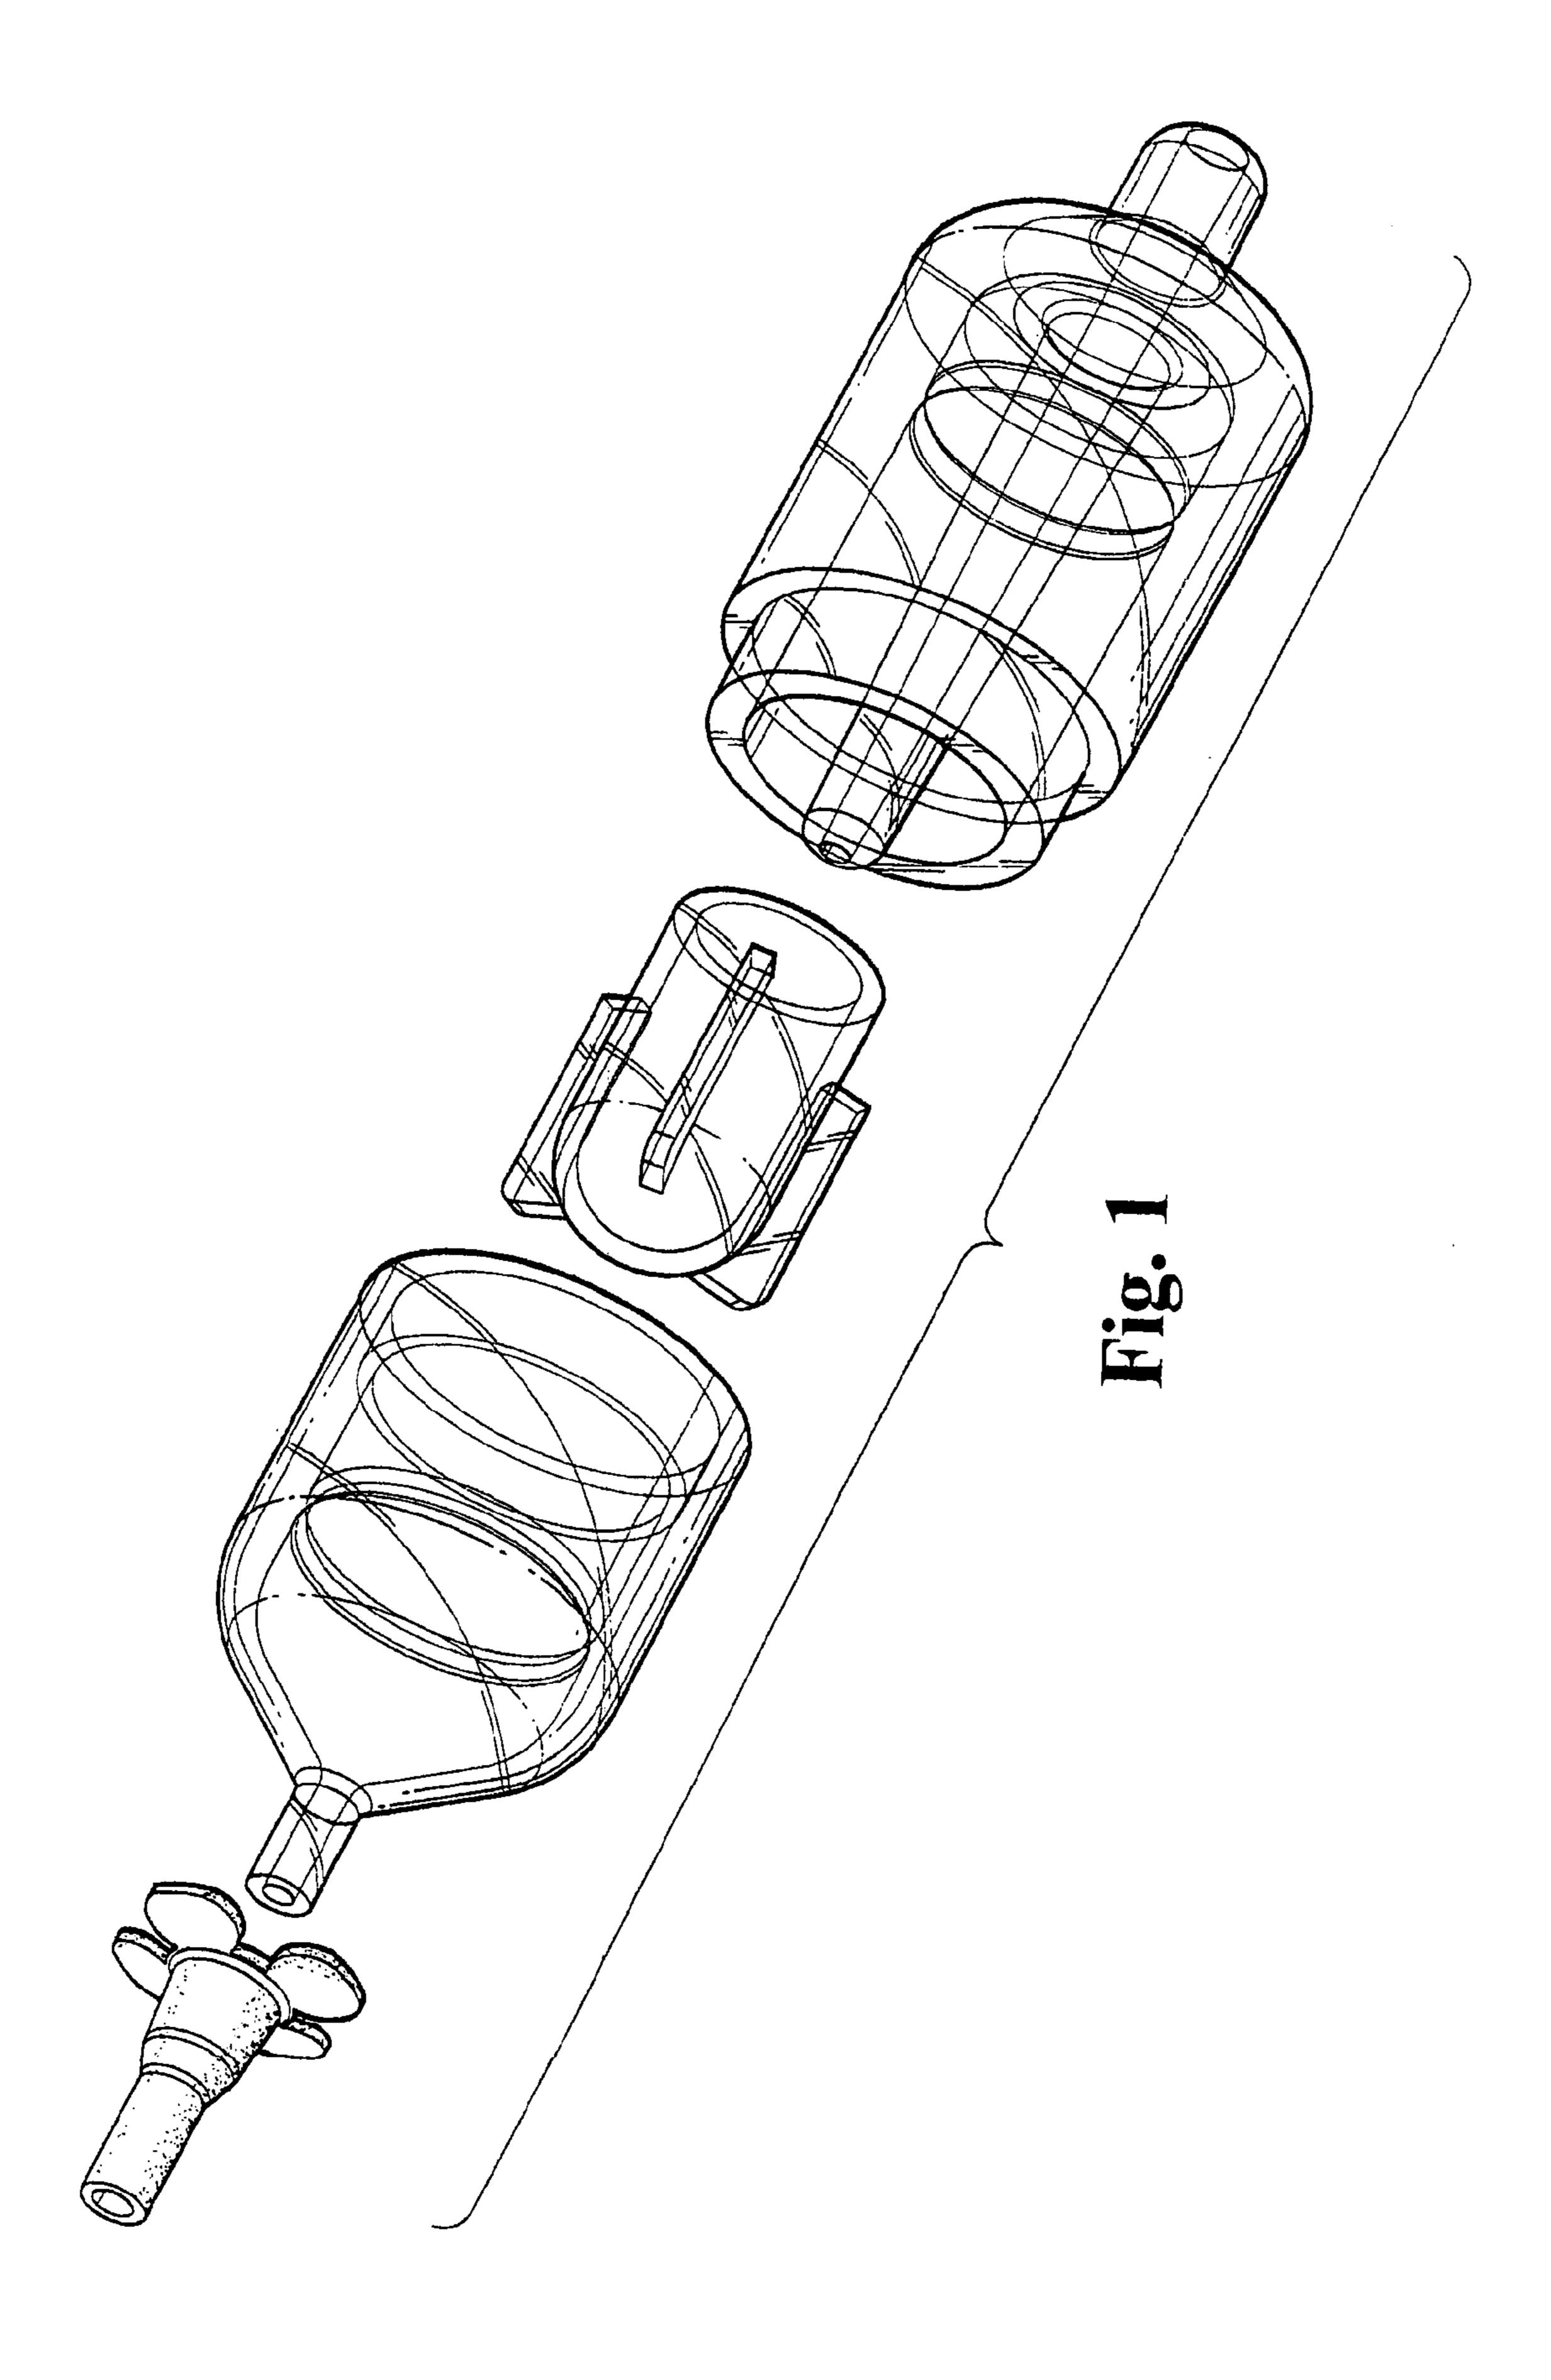

FIG. 3 is a front view of the cap, front, middle and rear portion of a medical probe in consecutive positions of the portions as shown in FIG. 2 for ease of illustration;

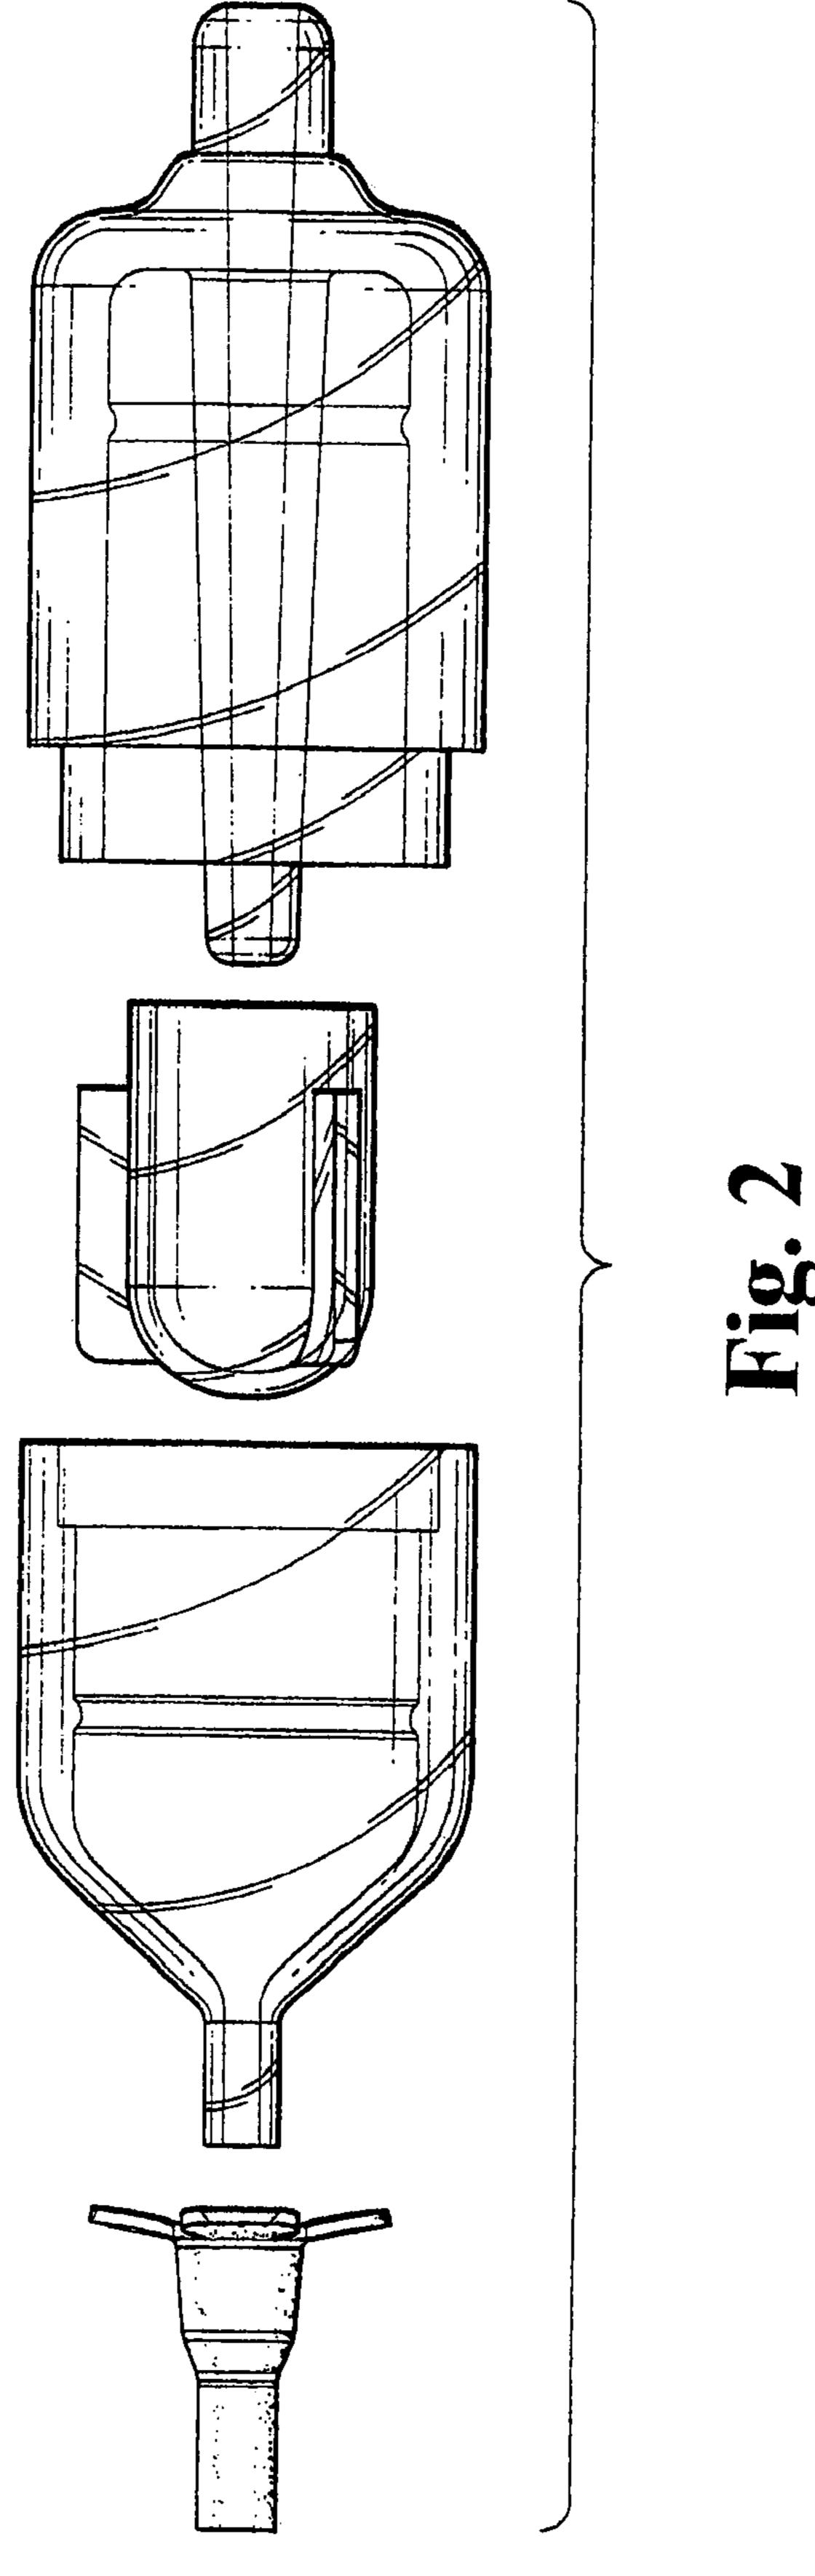

FIG. 4 is a rear view thereof; and,

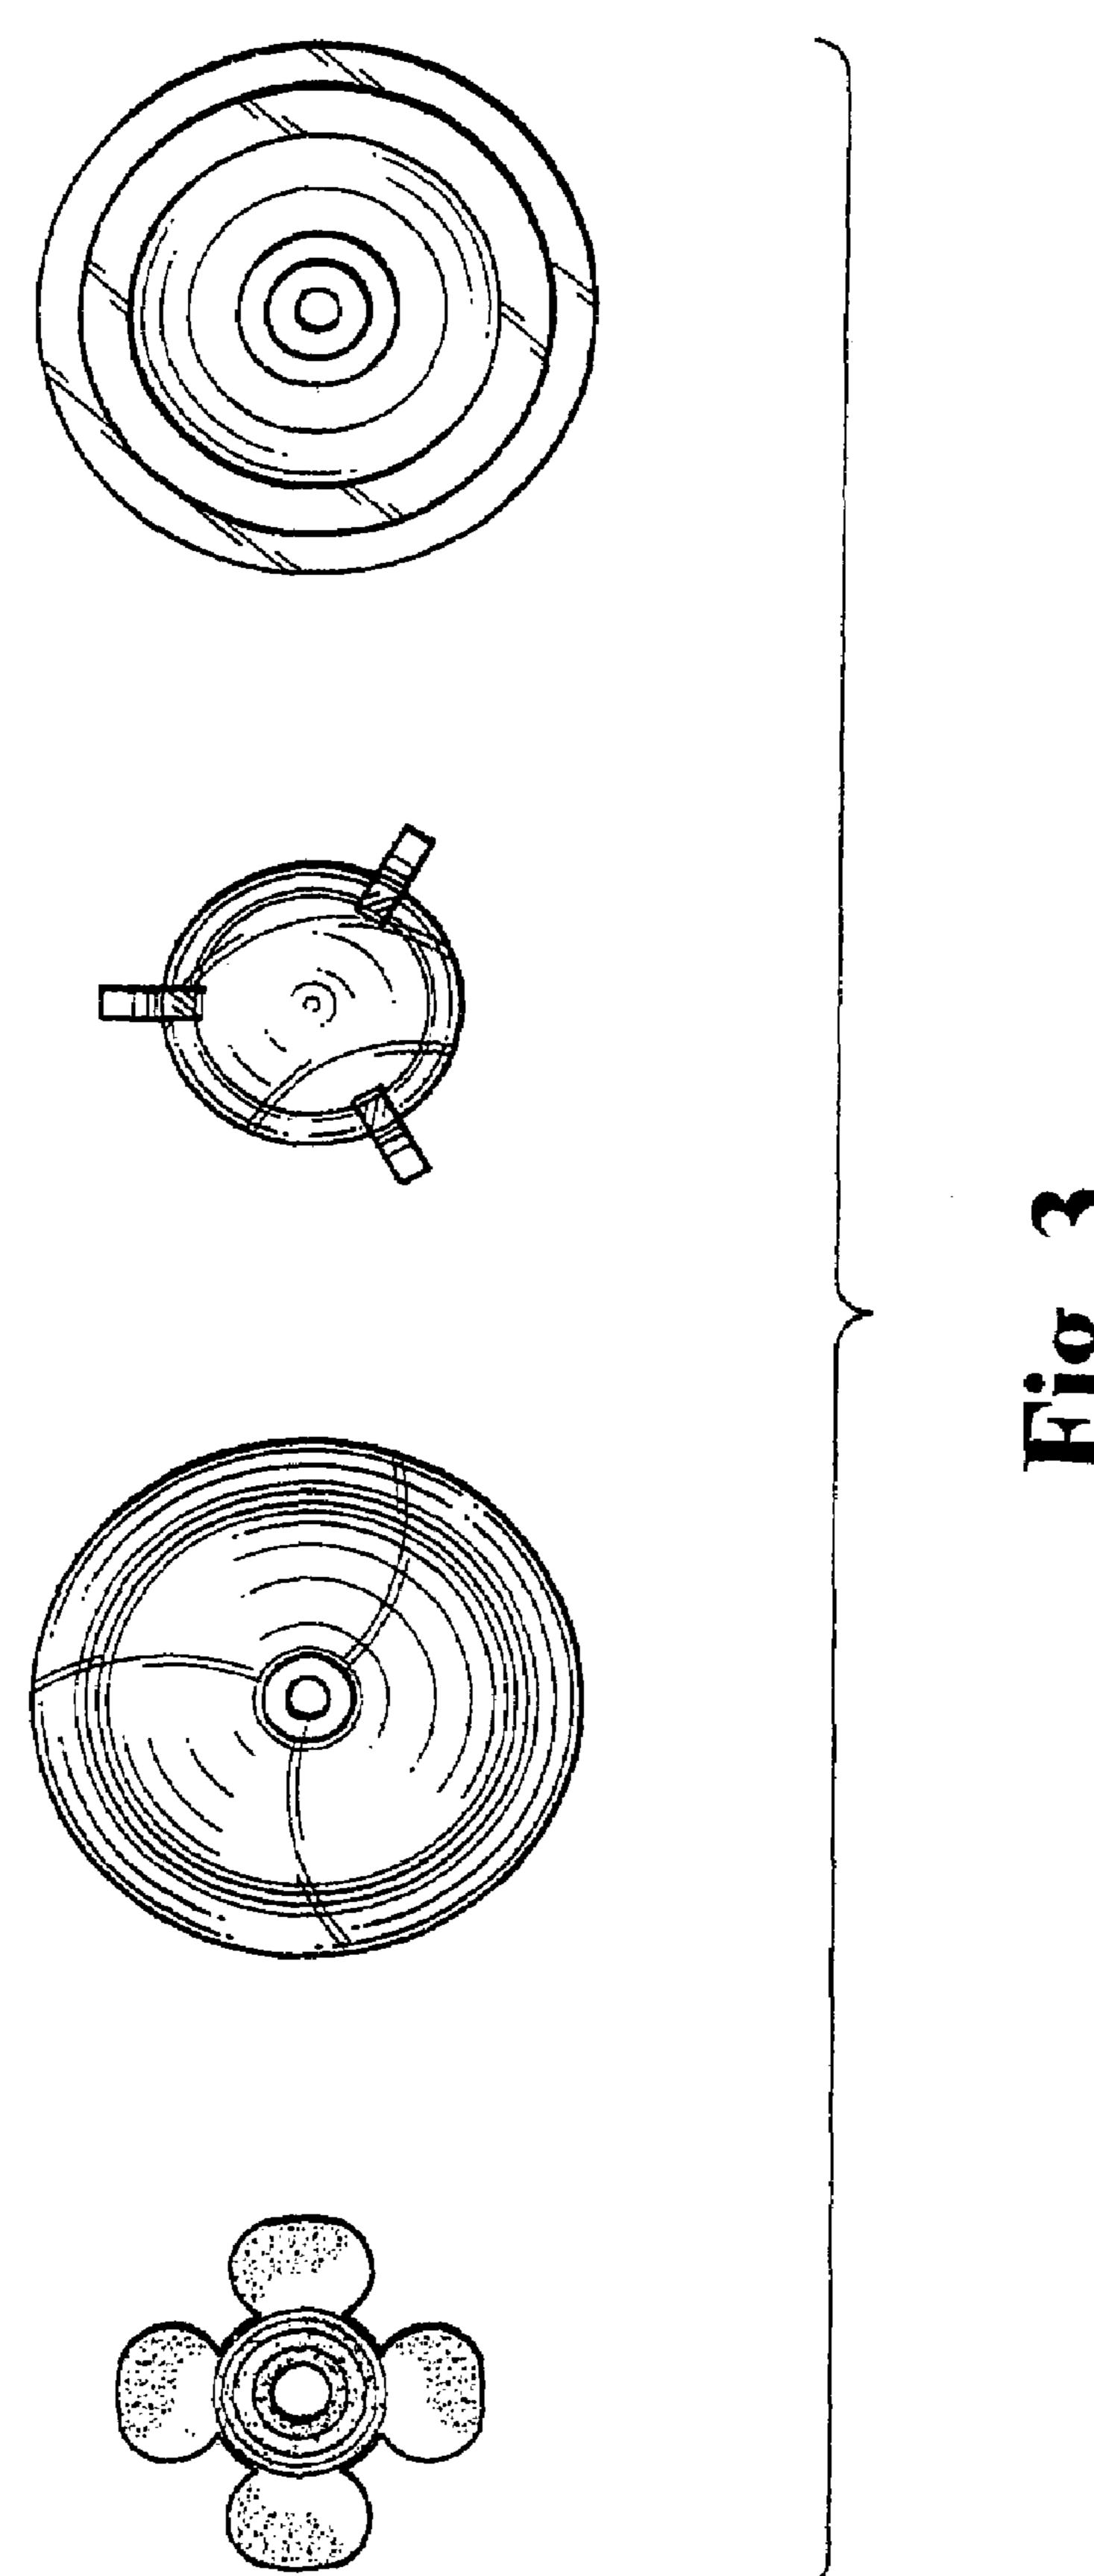

FIG. 5 is a front perspective view of the cap, middle and rear portion of a medical probe in an assembled state for ease of illustration.
