(57) **CLAIM**

The ornamental design for lighted awning lead rail, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the present invention shown a bottom and front, there being no claim to any design of the top and back of the lead rail;

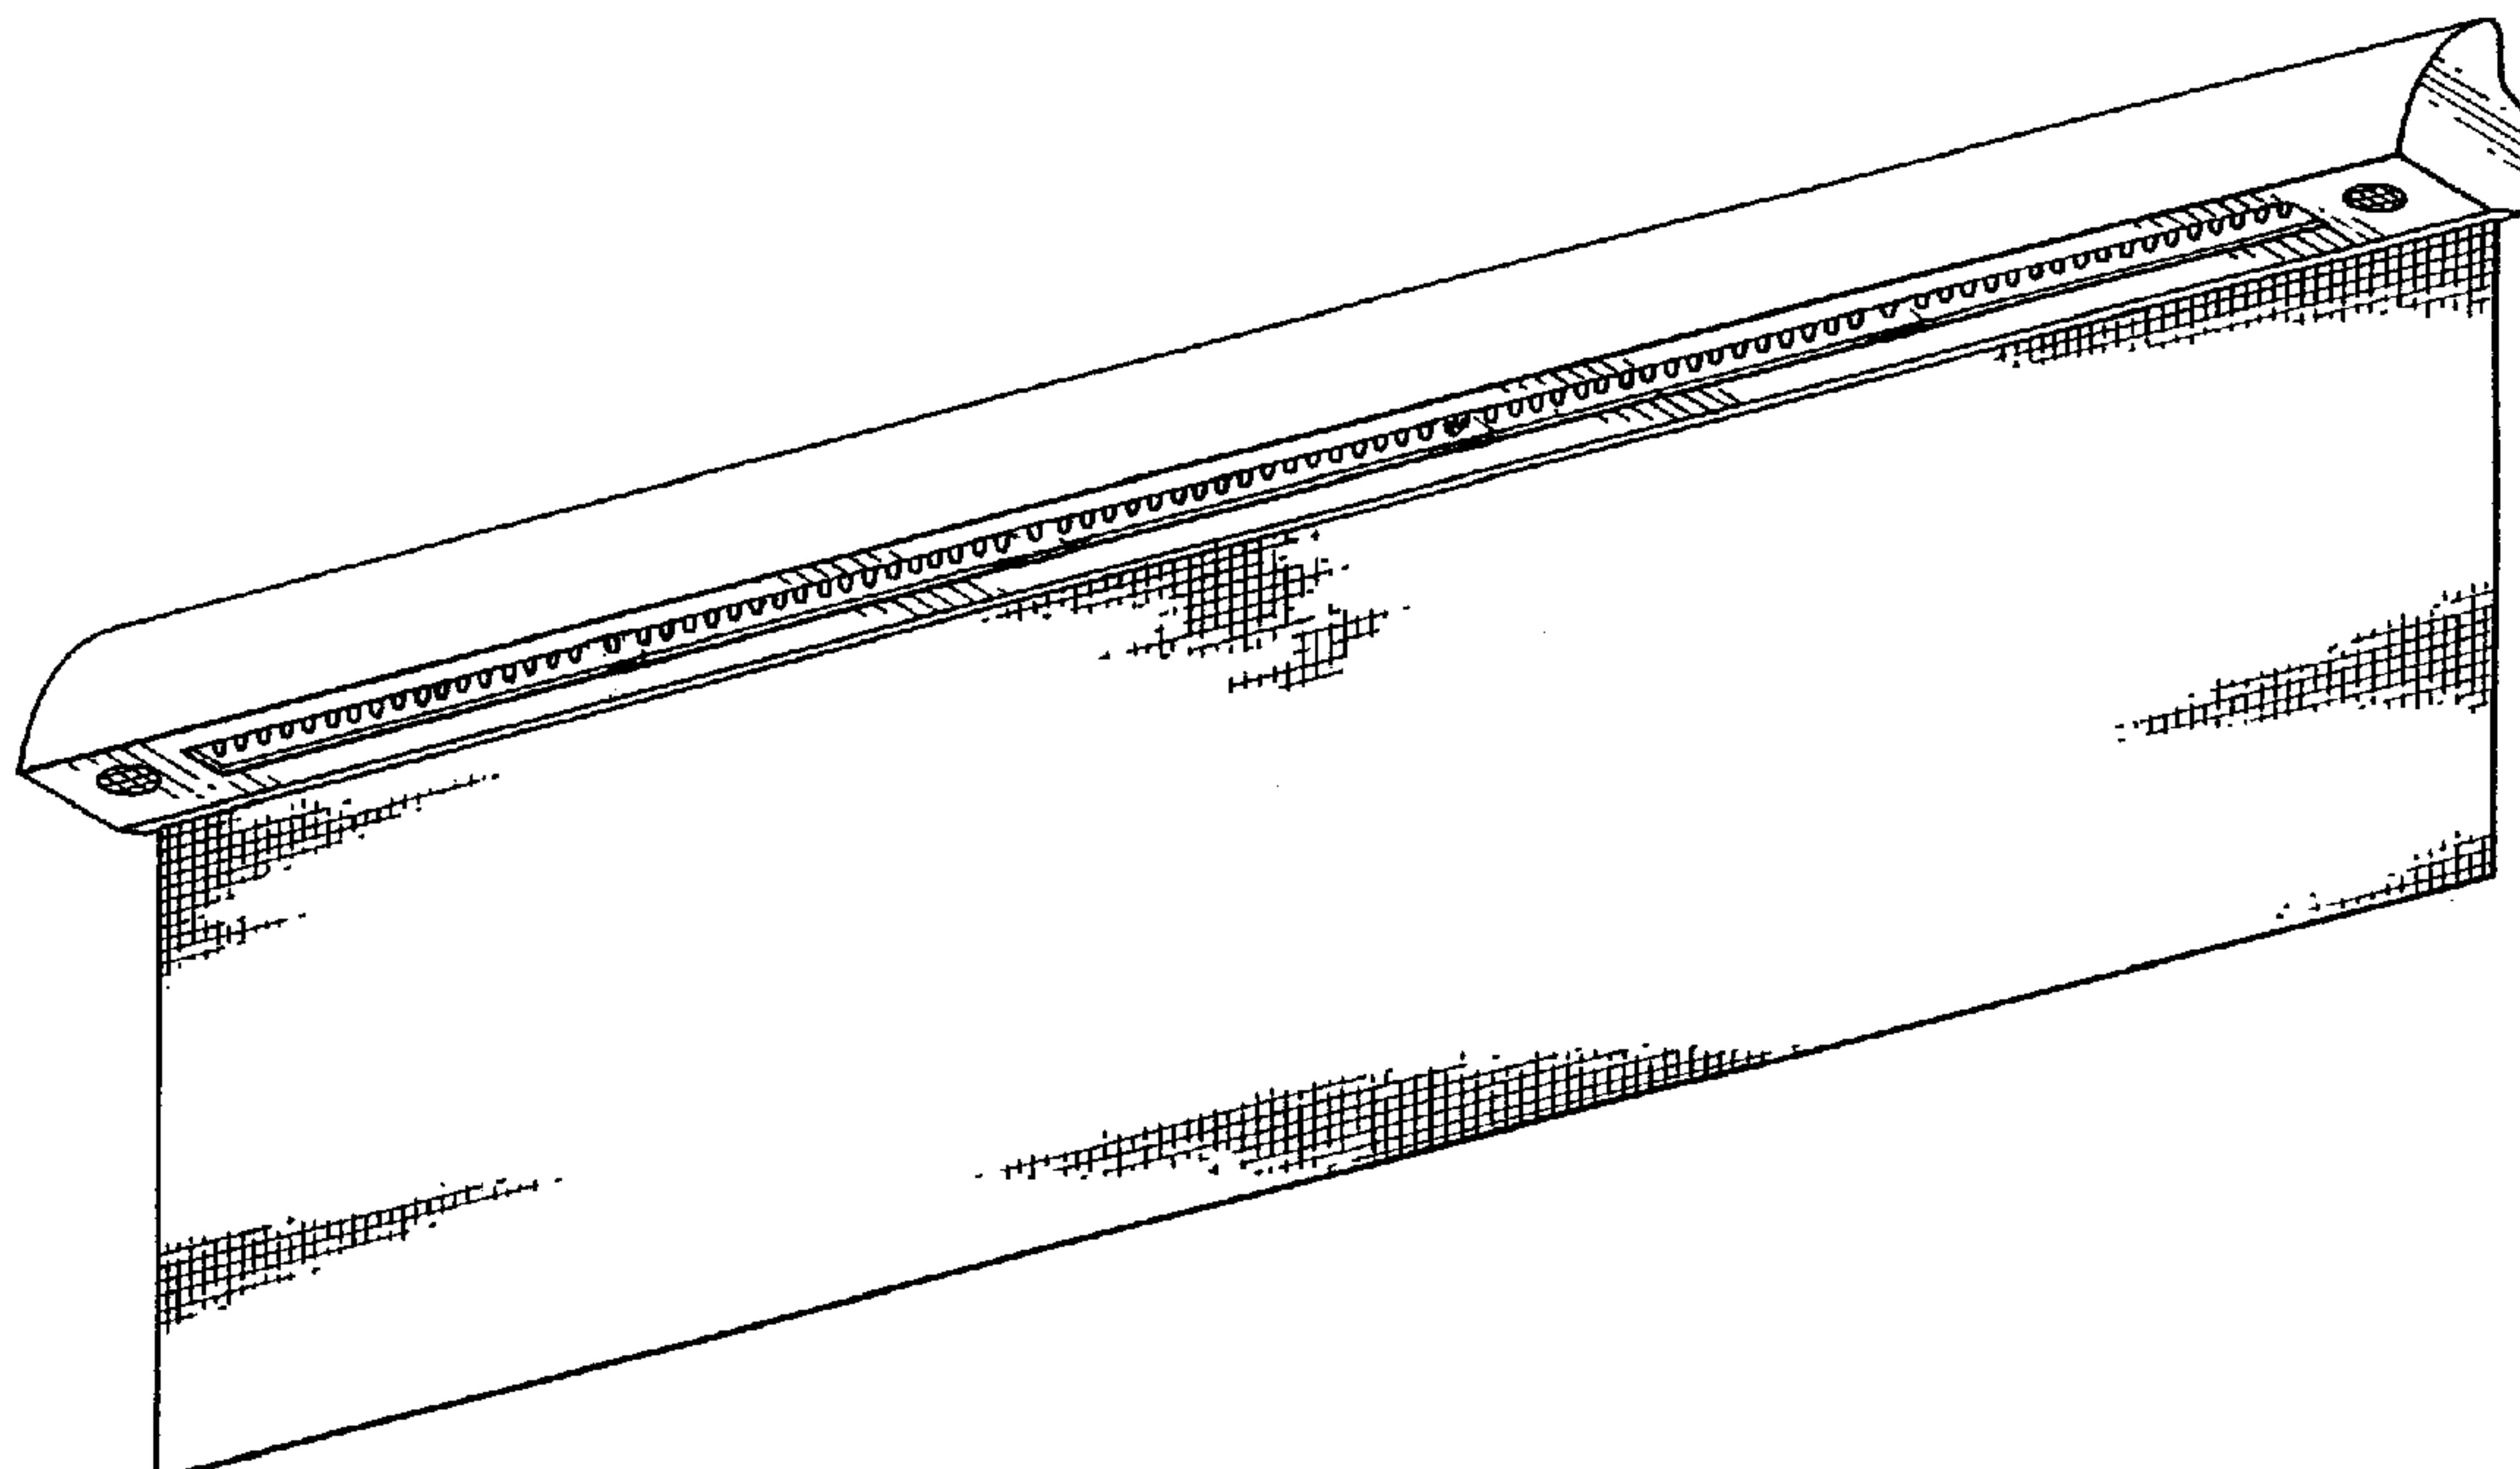

FIG. 2 is a side elevation view of the present invention;

FIG. 3 is a bottom plan view of the present invention showing an arrangement of lights and speaker opening;

FIG. 4 is a bottom plan view of an alternative embodiment of the present invention with no claim to the speaker openings; and,

FIG. 5 is a front elevation view of the present invention.
