(57) **CLAIM**

The ornamental design for a combined emergency exit sign and light, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the combined emergency exit sign and light of the present invention;

FIG. 2 is a front elevational view of the combined emergency exit sign and light of the present invention;

FIG. 3 is a back elevational view of the combined emergency exit sign and light of the present invention;

FIG. 4 is a left elevational view of the combined emergency exit sign and light of the present invention;

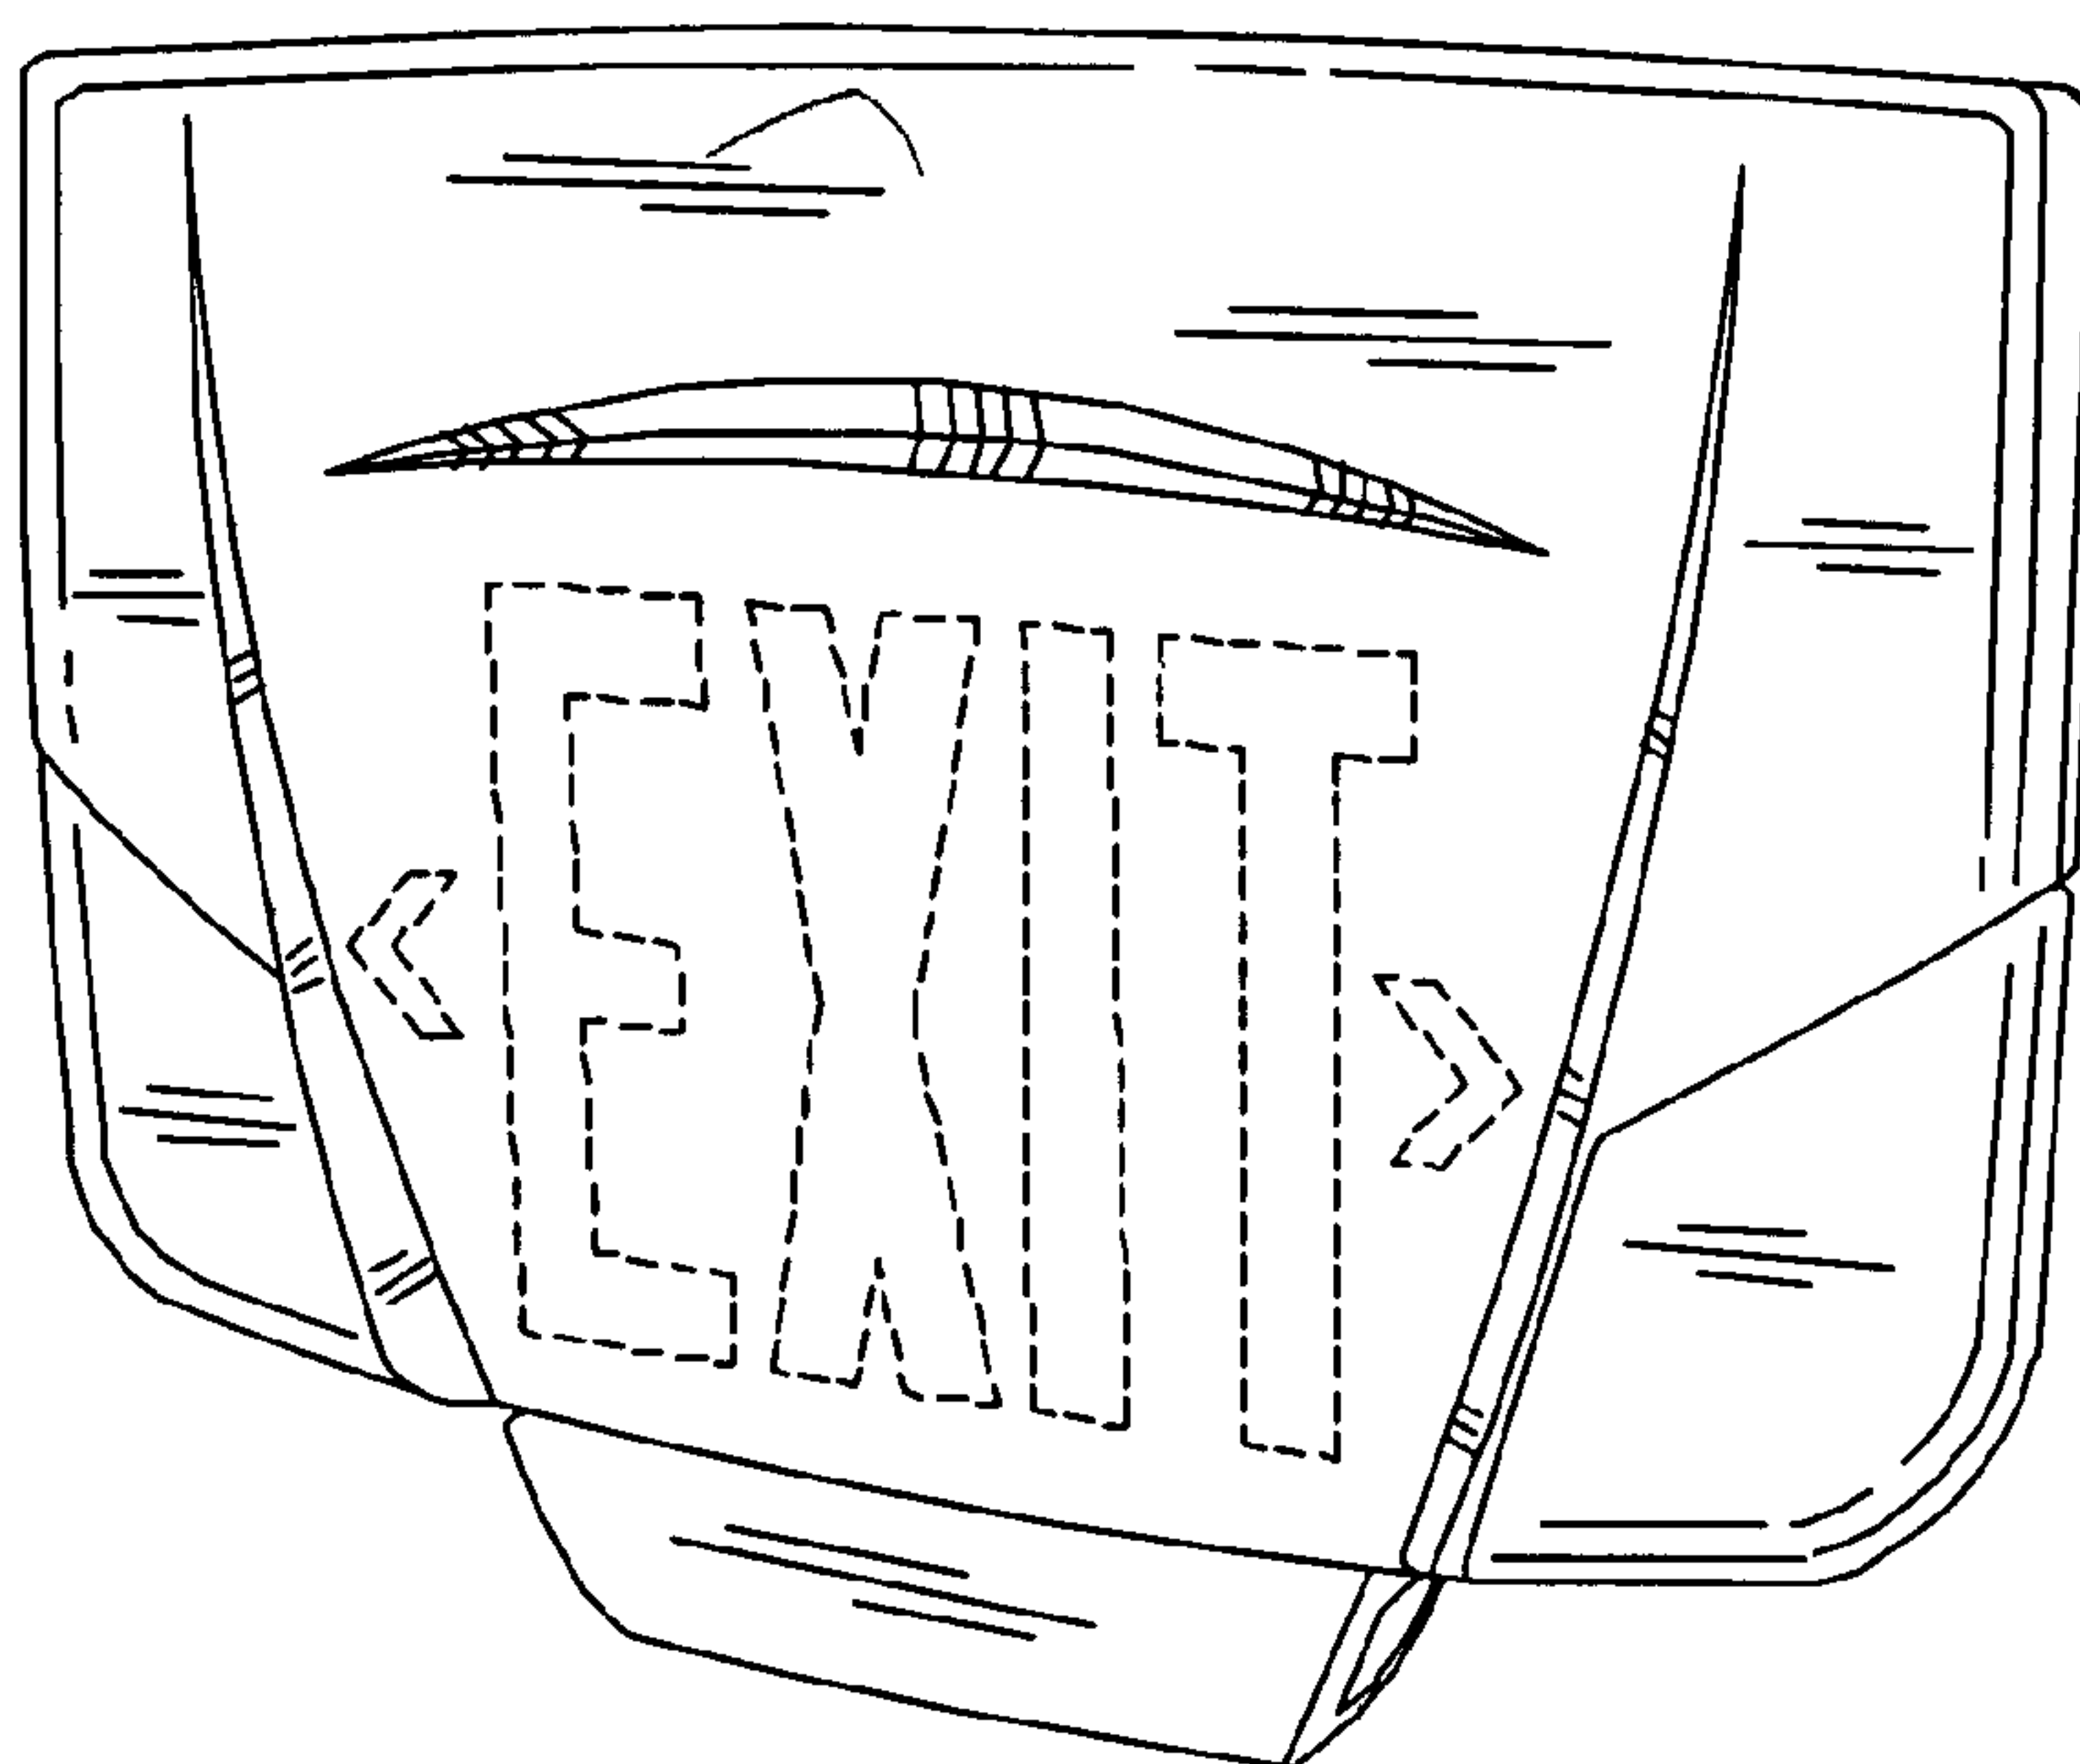

FIG. 5 is a right elevational view of the combined emergency exit sign and light of the present invention;

FIG. 6 is a top plan view of the combined emergency exit sign and light of the present invention; and,

FIG. 7 is a bottom plan view of the combined emergency exit sign and light of the present invention.

In the drawings, the broken lines are for illustrative purposes only and form no part of the claimed design.
