Primary Examiner—T. Chase Nelson

(57) **CLAIM**

The ornamental design for an infant burp cloth with visually stimulating surface pattern, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of an infant burp cloth with visually stimulating surface pattern showing my new design.

The broken line boundary and broken line indicia upon the surface of the design are for illustrative purposes only and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
