(57) **CLAIM**

The ornamental design for a molding-system injection unit, as shown and described.

DESCRIPTION

FIG. 1 depicts a view of a top side of an embodiment of the molding-system injection unit;

FIG. 2 depicts a view of a side view (also known as an operator view) of the molding-system injection unit of FIG. 1;

FIG. 3 depicts a view of another side view (also known as the non-operator side) of the molding-system injection unit of FIG. 1;

FIG. 4 depicts a view of a front side of the molding-system injection unit of FIG. 1;

FIG. 5 depicts a view of a bottom side of the molding-system injection unit of FIG. 1; and,

FIG. 6 depicts a view of a back side of the molding-system injection unit of FIG. 1.
