(57) **CLAIM**

The ornamental design for an in-store advertising display, as shown and described.

DESCRIPTION

FIG. 1 is a front prospective view of the in-store advertising display;

FIG. 2 is a front view of the in-store advertising display with the rear view being identical thereto;

FIG. 3 is a side view of the in-store advertising display with the other side being identical thereto; and,

FIG. 4 is a bottom view of the in-store advertising display.

The top view is flat and is devoid of surface ornamentation.

In the drawings, the broken lines are for illustrative purposes only and form no part of the claimed design.
