(57) **CLAIM**

The ornamental design for a surface mount arm, particularly for an electric display.

DESCRIPTION

FIG. 1 is a front view of the surface mount arm;
FIG. 2 is a view of one side of the surface mount arm;
FIG. 3 is a view of the other side of the surface mount arm;
FIG. 4 is a rear view of the surface mount arm;
FIG. 5 is a top plan view of the surface mount arm; and,
FIG. 6 is an underneath plan view of the surface mount arm.
The broken line showing of structure is included for the purpose of illustrating environment and forms no part of the claimed design.
