FIG. 1 is a top plan view of the mobile device label with negative image feature, showing my new design; having a decorative edge and a transparent film covering

FIG. 2 is a top plan view of a mobile device label with negative image feature shown applied to a mobile device;

FIG. 3 is a top plan view of a mobile device label with negative image feature shown applied in an alternative manner to a mobile device; and,

FIG. 4 is a top perspective view of a mobile device label with negative image feature shown applied to a mobile device.

In the drawings, the broken lines in FIG. 1 define the boundaries of the claimed design. The broken lines showing of the mobile device in FIGS. 2–4 illustrates environmental structure forming no part of the claim.
