(57) **CLAIM**

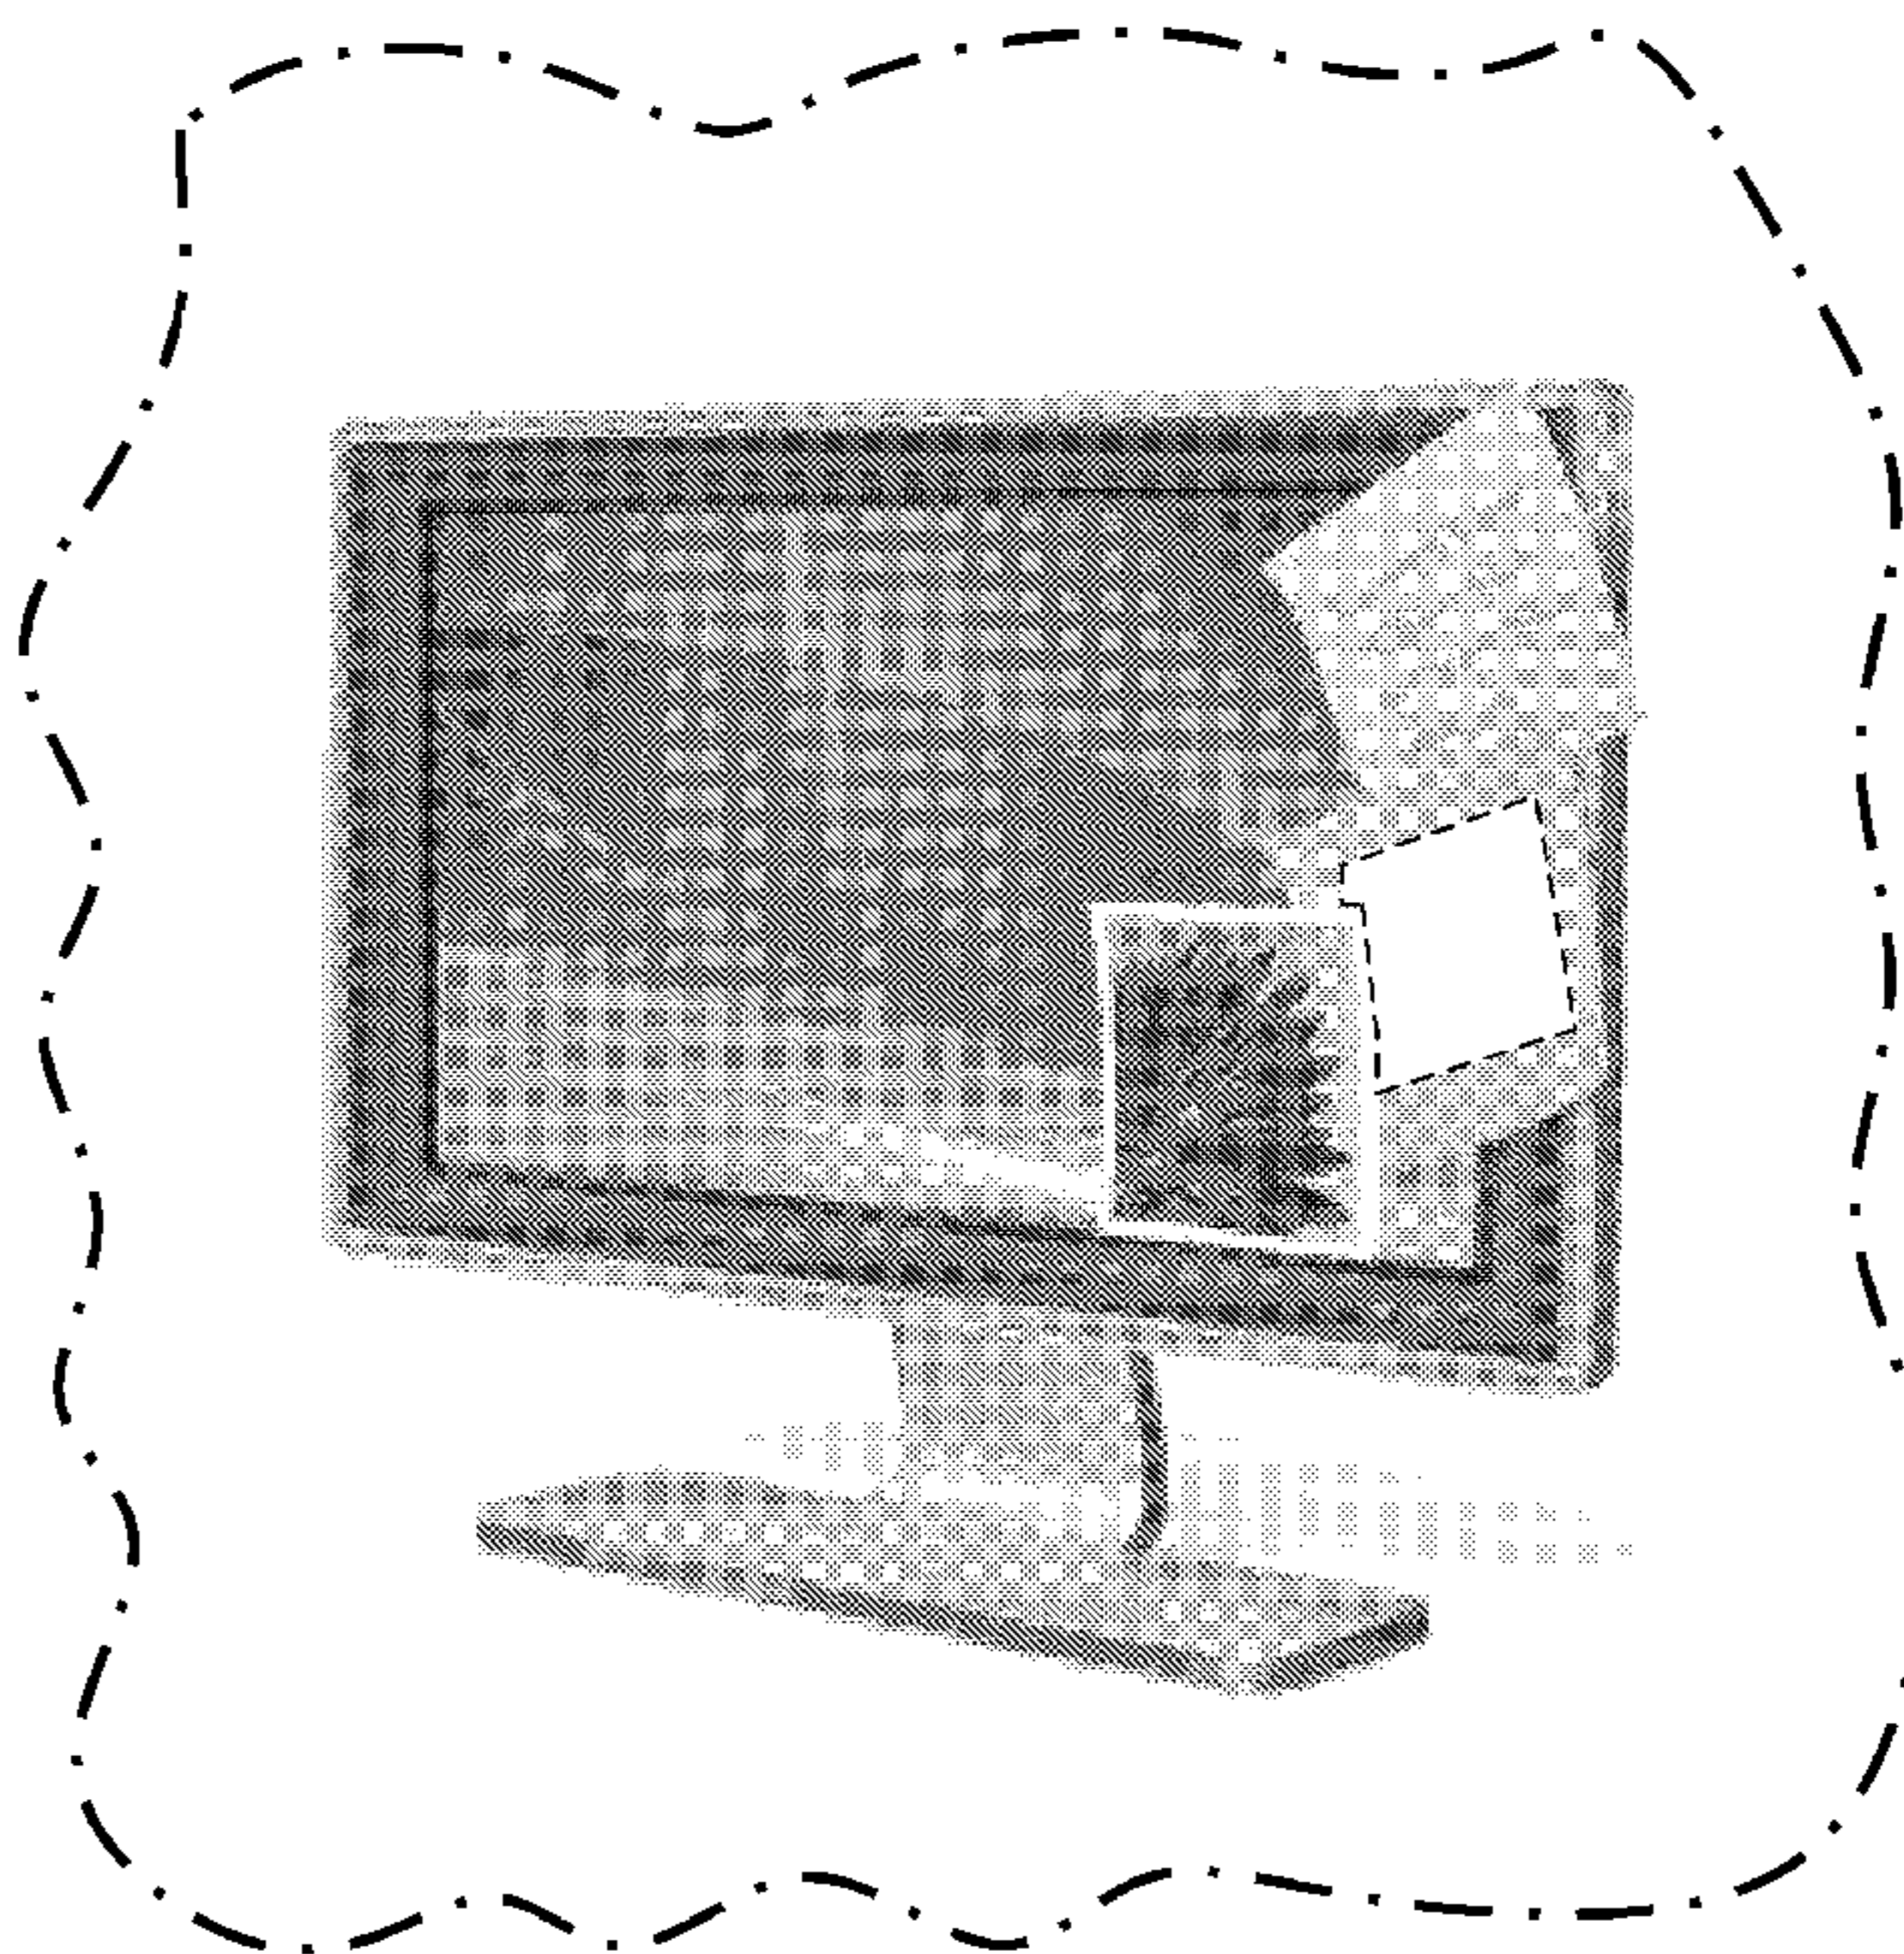

The ornamental design for an icon for a portion of a display screen, as shown and described.

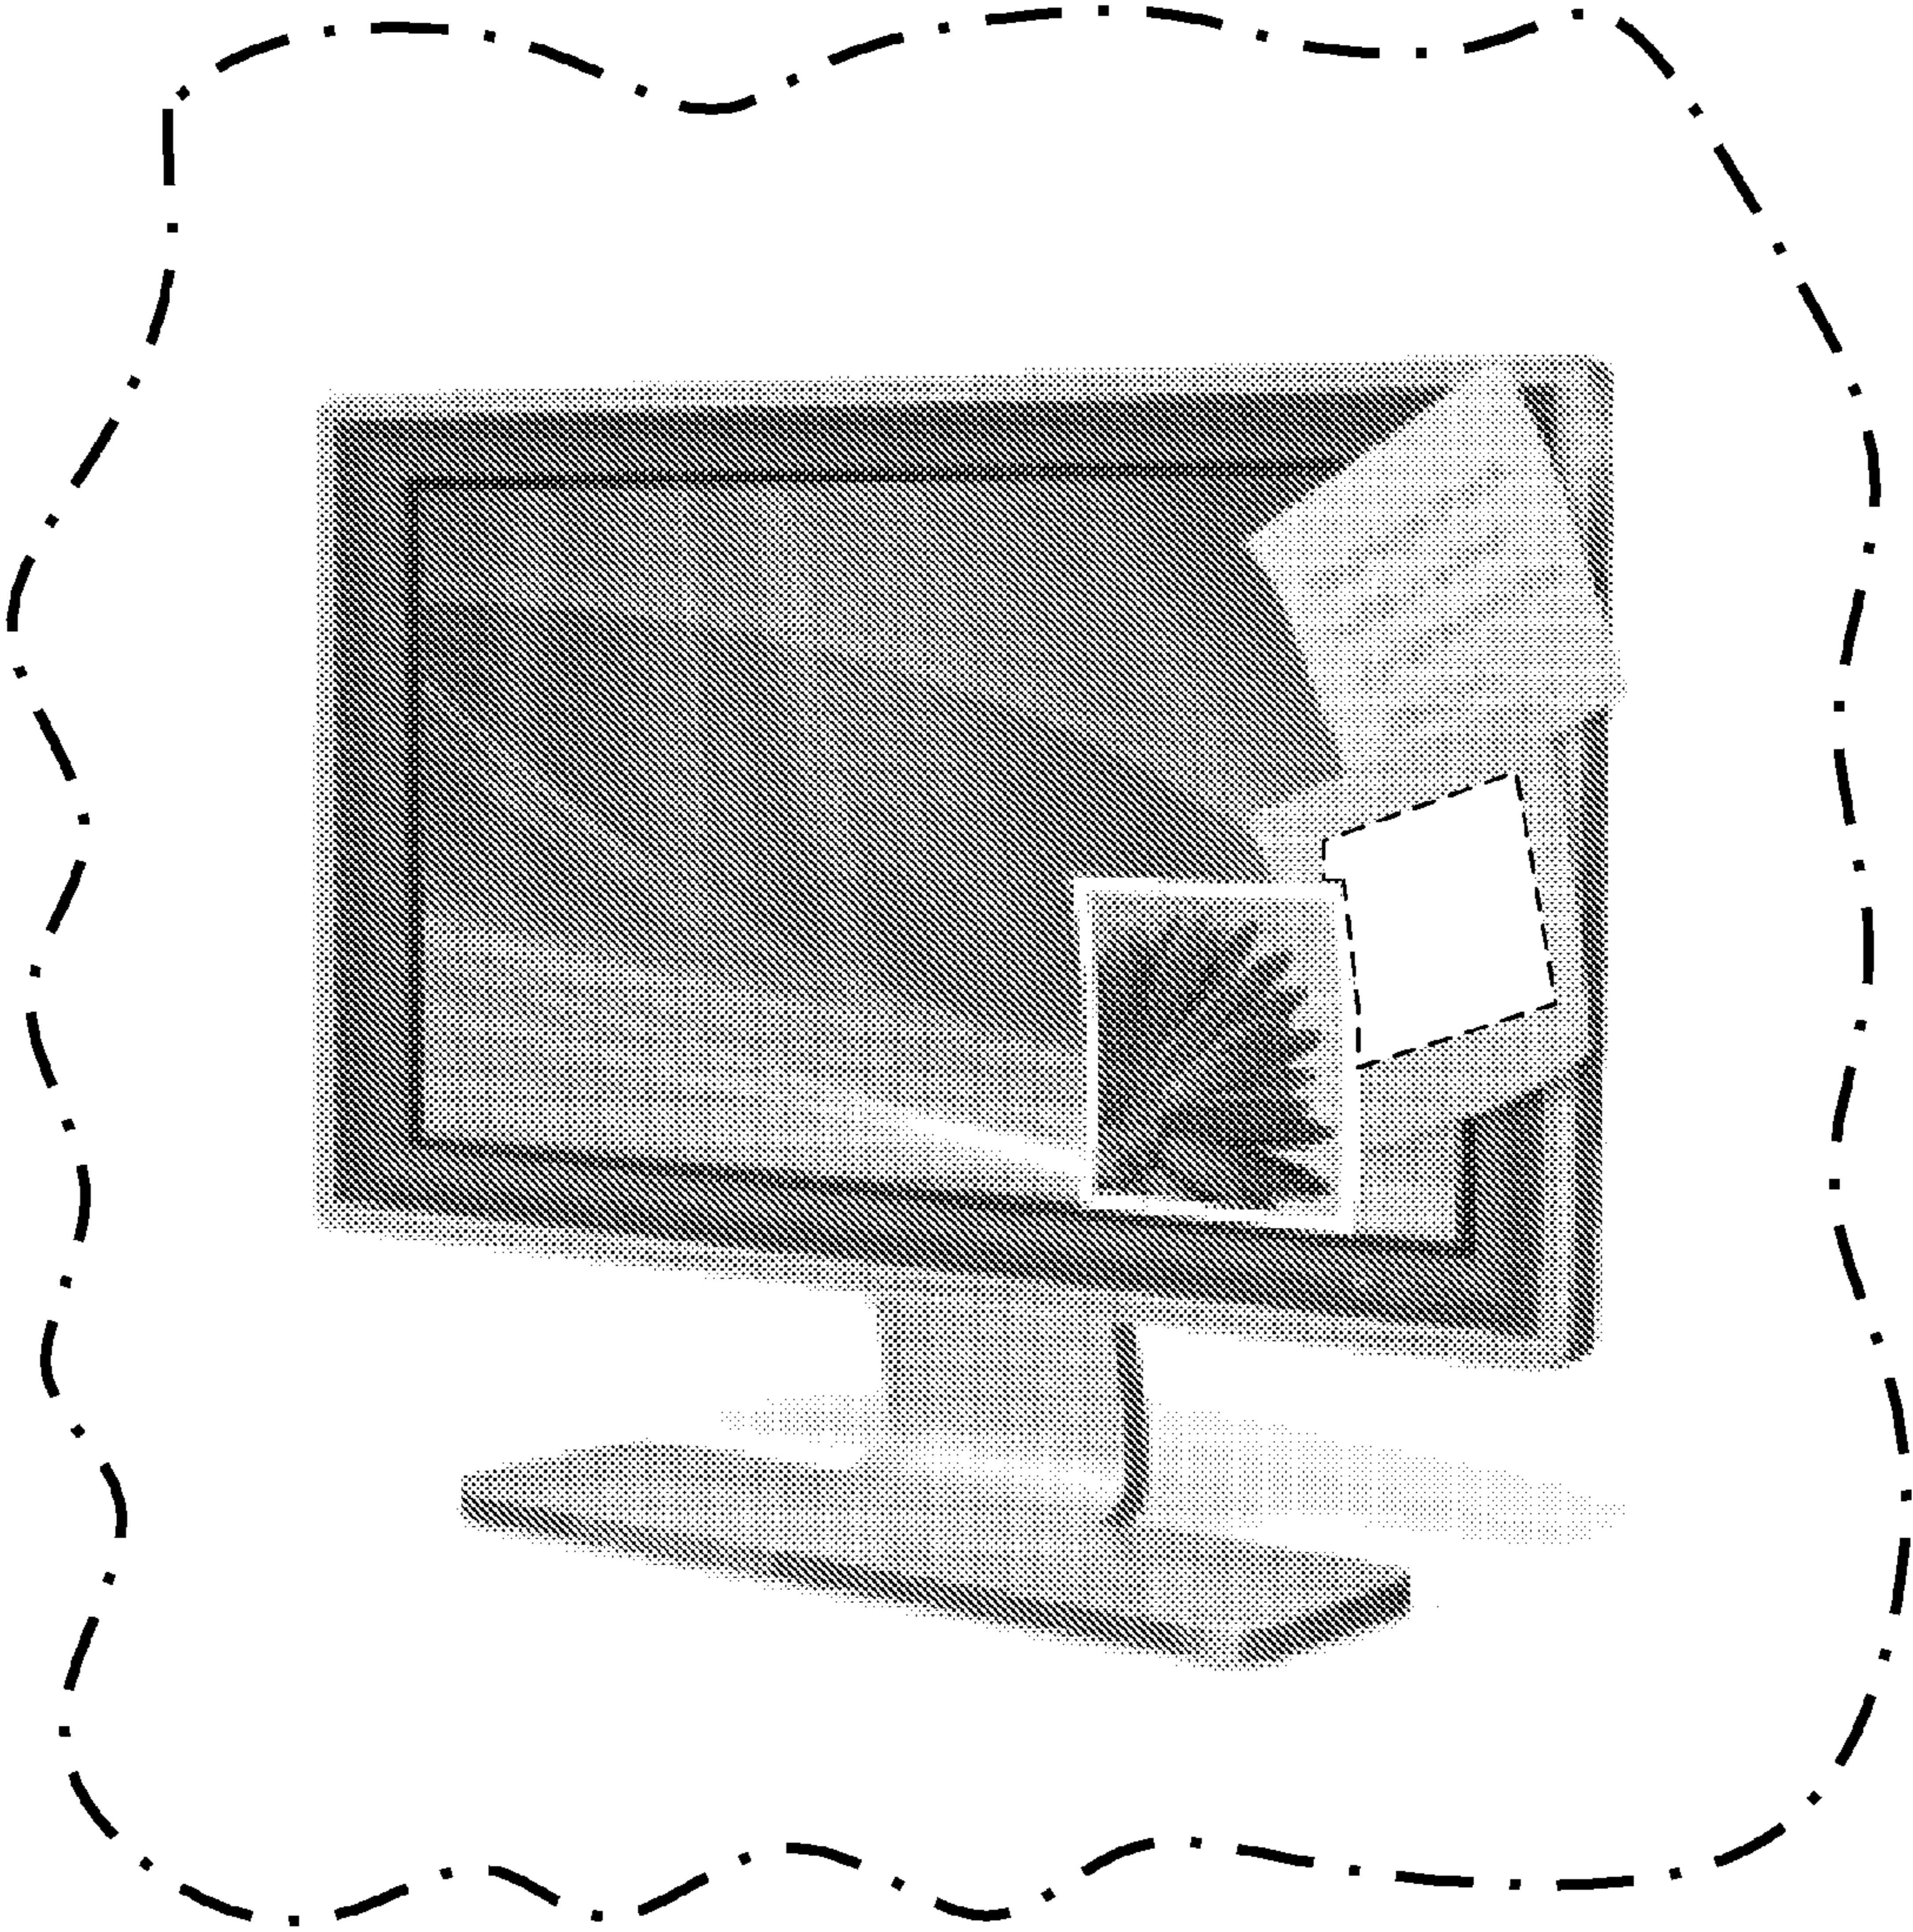

**DESCRIPTION**

The FIGURE is a front view of an icon for a portion of a display screen showing our new design.

The broken line showing of the interior element and the area within that element forms no part of the claimed design. The broken line showing of the portion of a display screen is for illustrative purposes only and forms no part of the claimed design.
