(57) **CLAIM**

I claim the ornamental design for a dental articulator full arch, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view in the open position for a dental articulator full arch showing our new design thereof;
FIG. 2 is a top plan view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a left side elevational view thereof with the right side elevational view being a mirror image thereof;
FIG. 5 is a rear end view thereof;
FIG. 6 is a bottom view thereof; and,
FIG. 7 is a perspective view in the closed position for the dental articulator full arch.
