(57) **CLAIM**

The ornamental design for a portion of interface for a digital camera having multiple selection icons, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a first embodiment of a portion of interface for a digital camera having multiple selection icons, showing my new design;

FIG. 2 is a front elevational view thereof showing alternate unclaimed features in broken lines;

FIG. 3 is a front elevational view thereof showing alternate unclaimed features in broken lines;

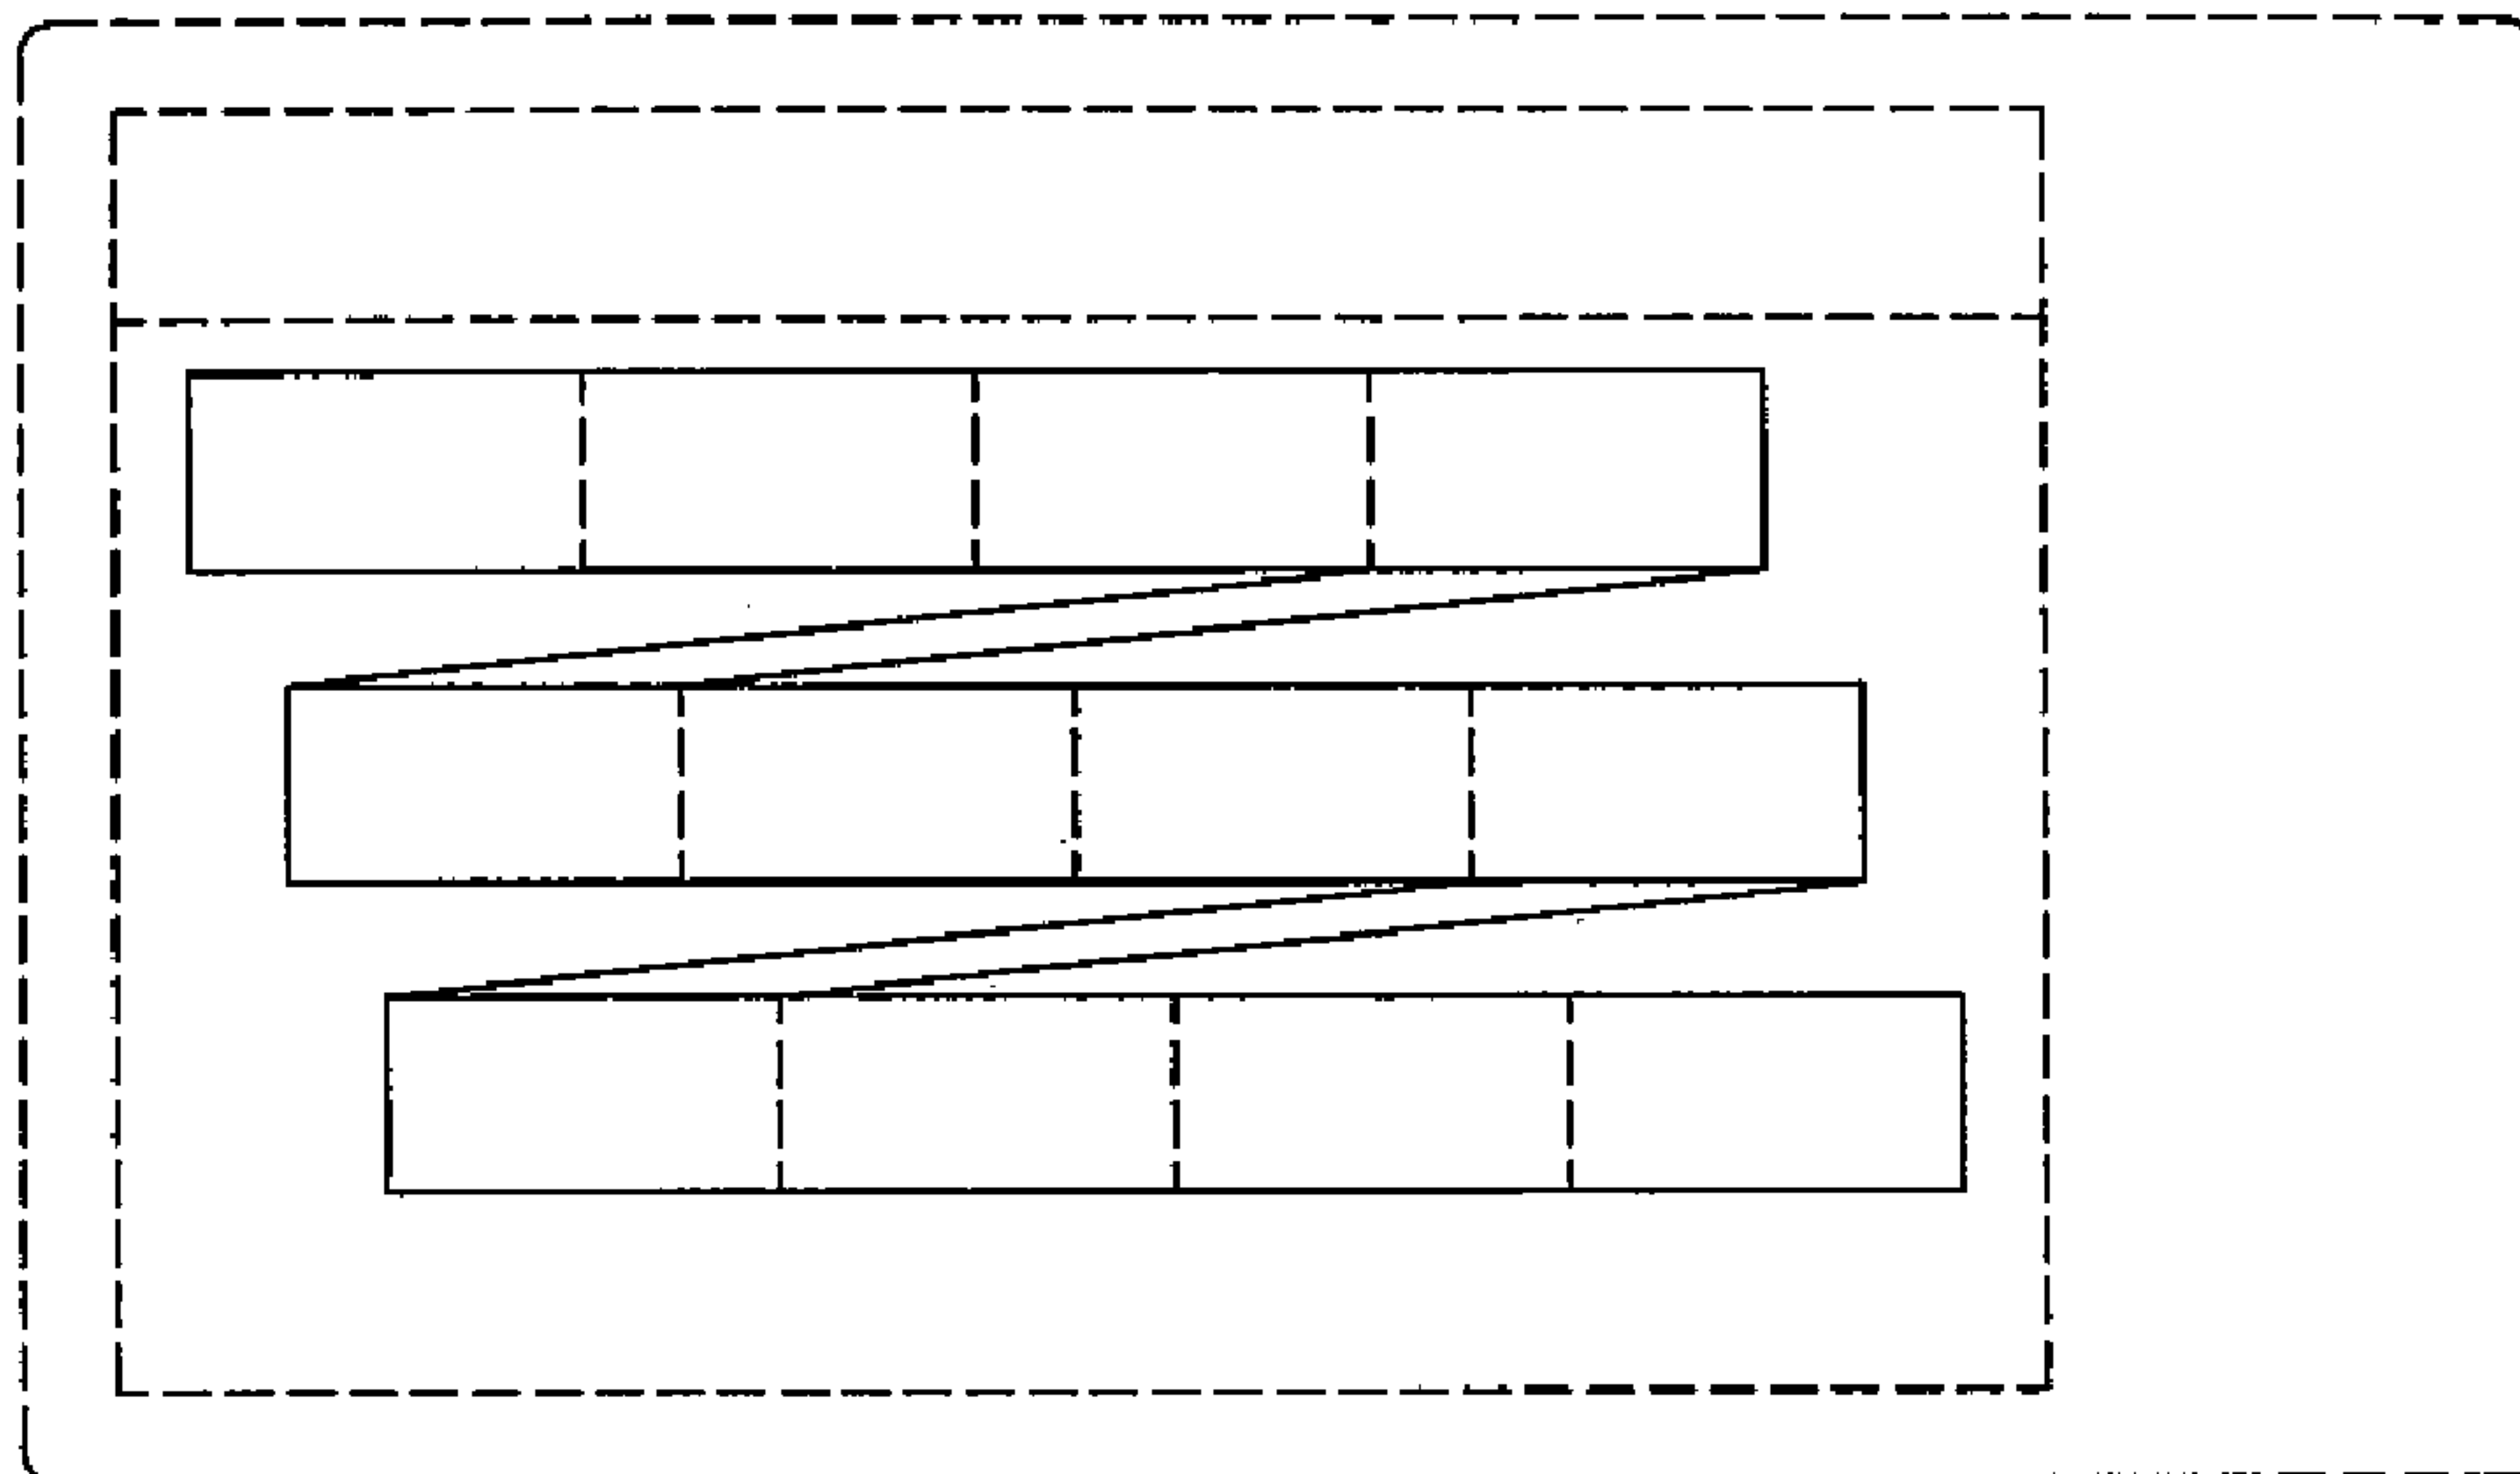

FIG. 4 is a front elevational view of a second embodiment thereof;

FIG. 5 is a front elevational view of the first embodiment alternate unclaimed features in broken lines; and,

FIG. 6 is a front elevational view thereof showing alternate unclaimed features in broken lines.

The broken lines are for illustrative purposes only and form no part of the claimed design.
