(57) **CLAIM**

An ornamental design for an air purifying device, substantially as shown and described in the drawings.

DESCRIPTION

FIG. 1 is a perspective view of the air purifying device.

FIG. 2 is a perspective view of a front portion of the air purifying device.

FIG. 3 is a perspective view of a back portion of the air purifying device.

FIG. 4 is a plan view of the front of the air purifying device.

FIG. 5 is a plan view of the back of the air purifying device.

FIG. 6 is a plan view of a side portion of the air purifying device.

FIG. 7 is a plan view of a side of the air purifying device.

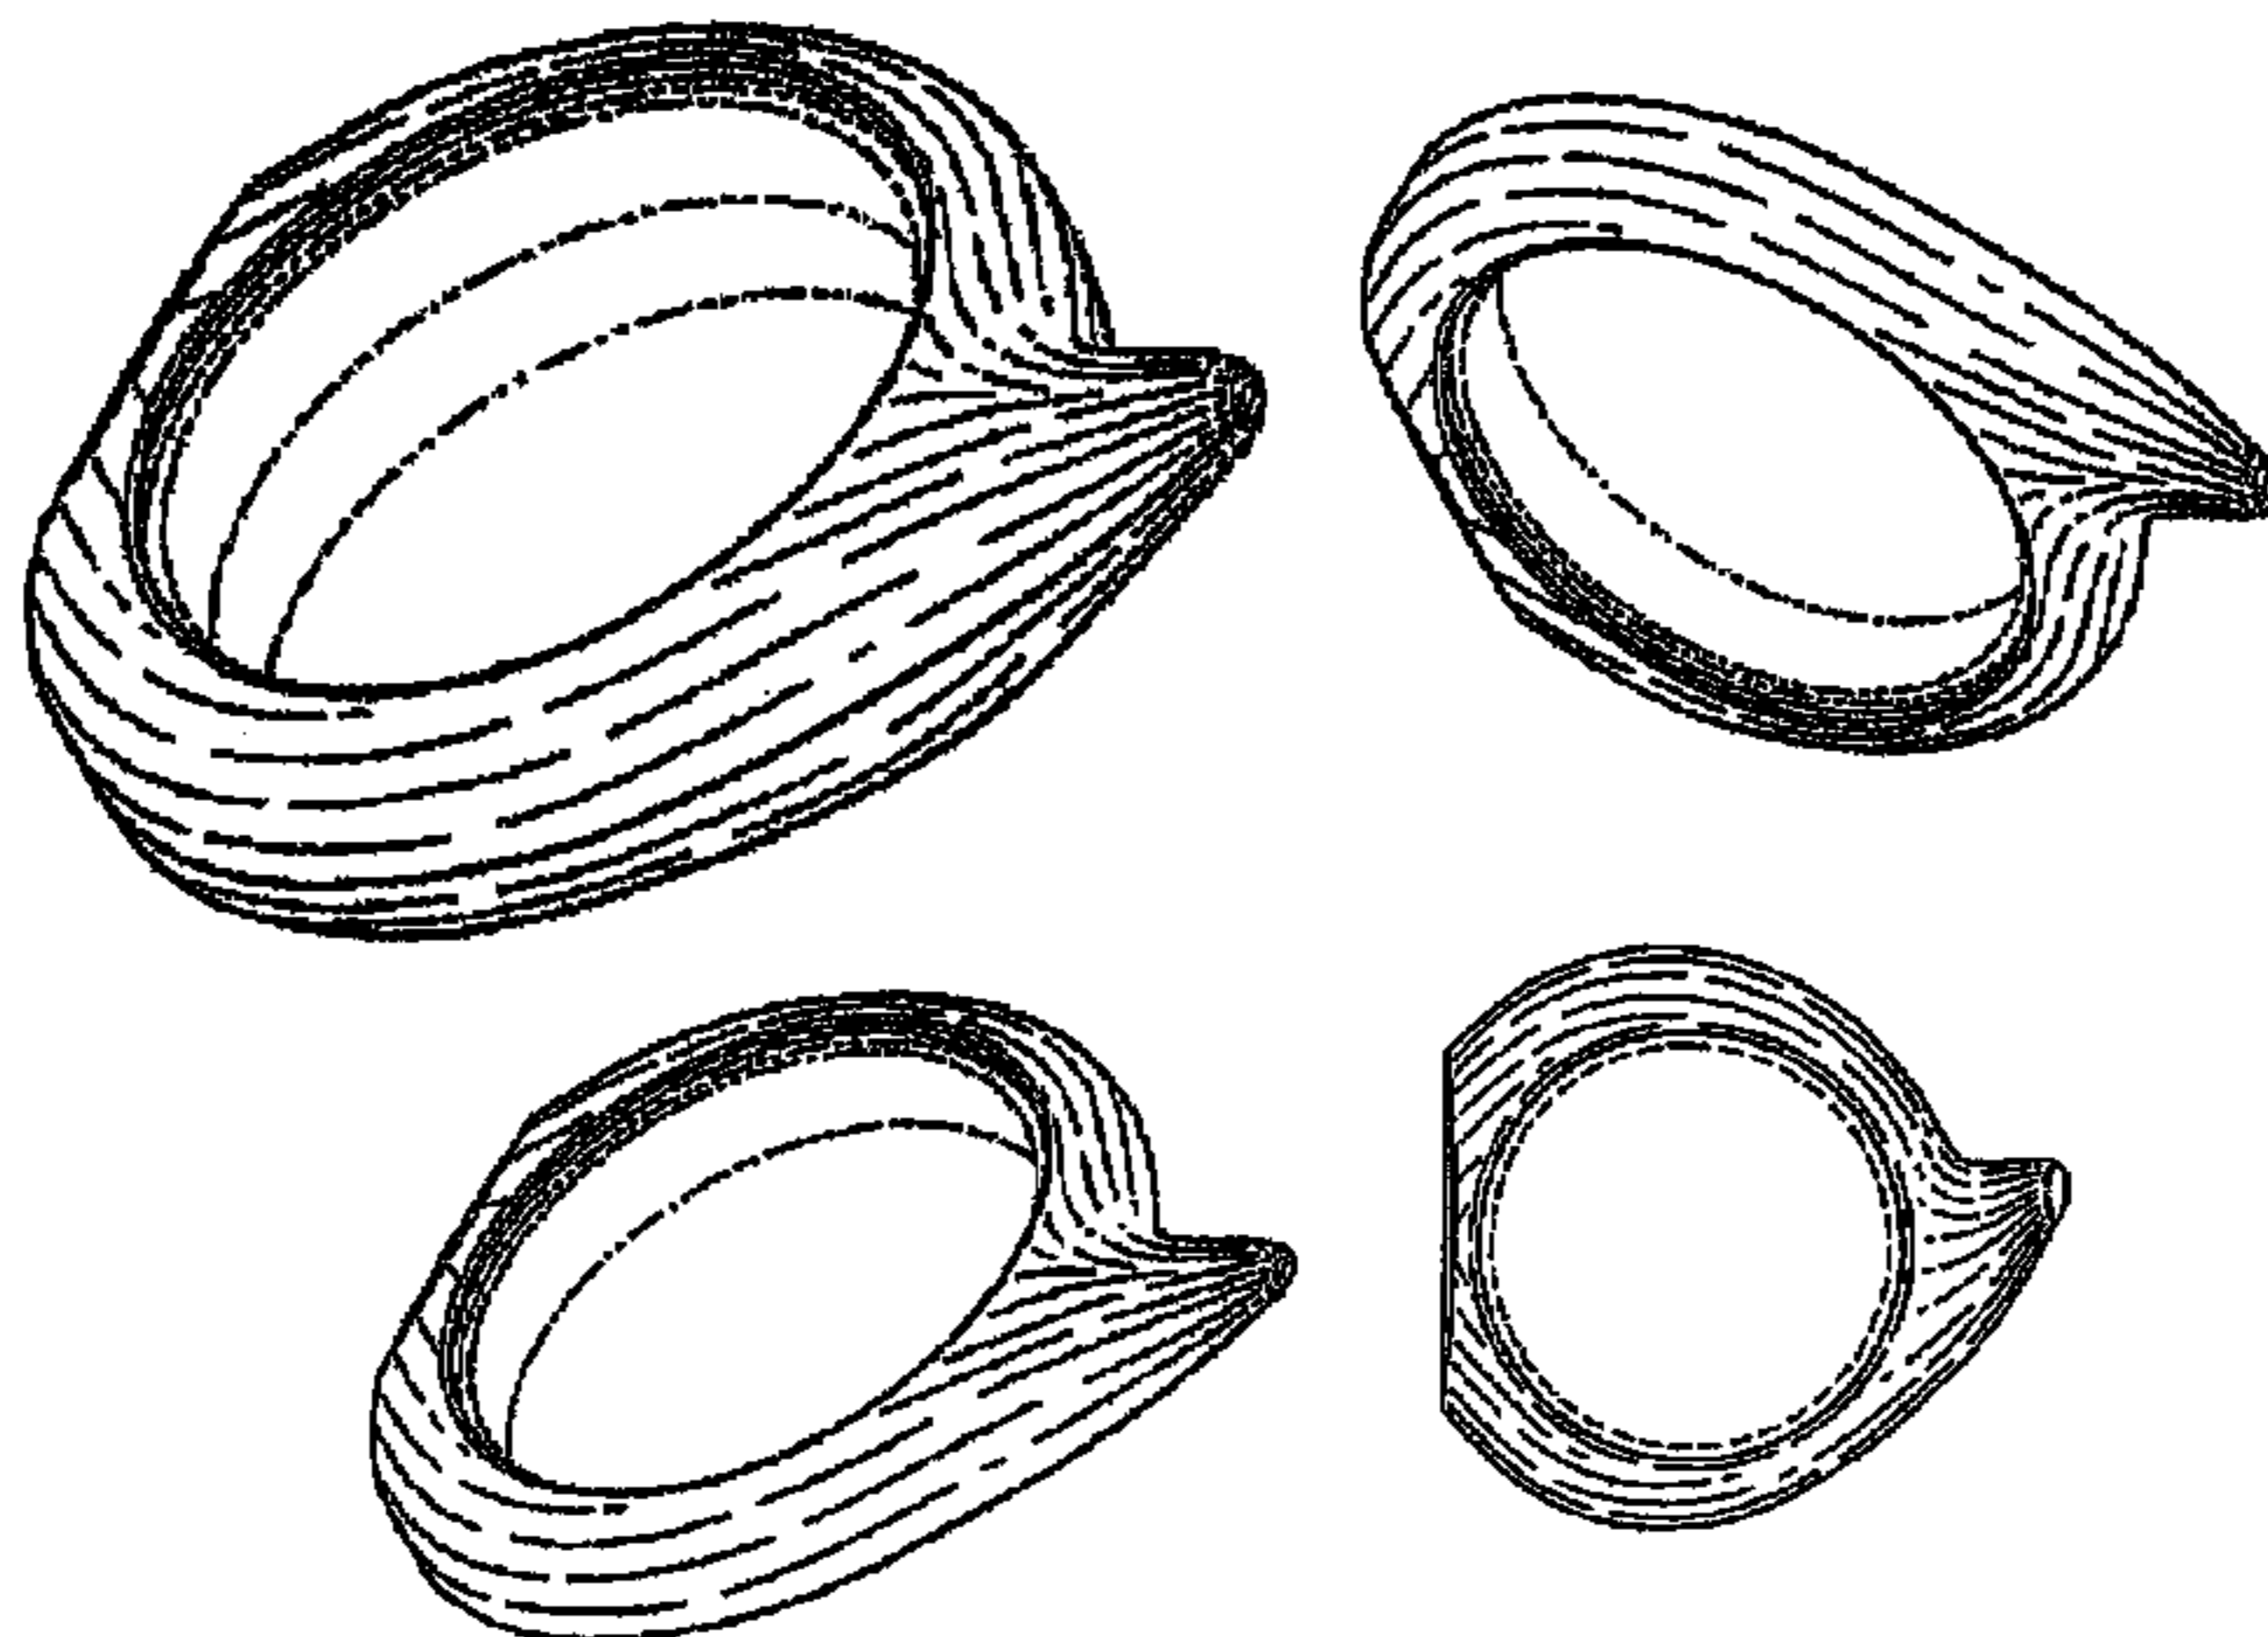

FIG. 8 is a plan view of the top of the air purifying device.

FIG. 9 is a plan view of the bottom of the front portion of the air purifying device; and,

FIG. 10 is a plan view of the bottom of the back portion of the air purifying device.

The portions of the device shown in broken lines are for the purposes of illustration only and form no part of the claimed design.
