(57) **CLAIM**

The ornamental design for a feeder screen, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the feeder screen;

FIG. 2 is a top plan view of the feeder screen;

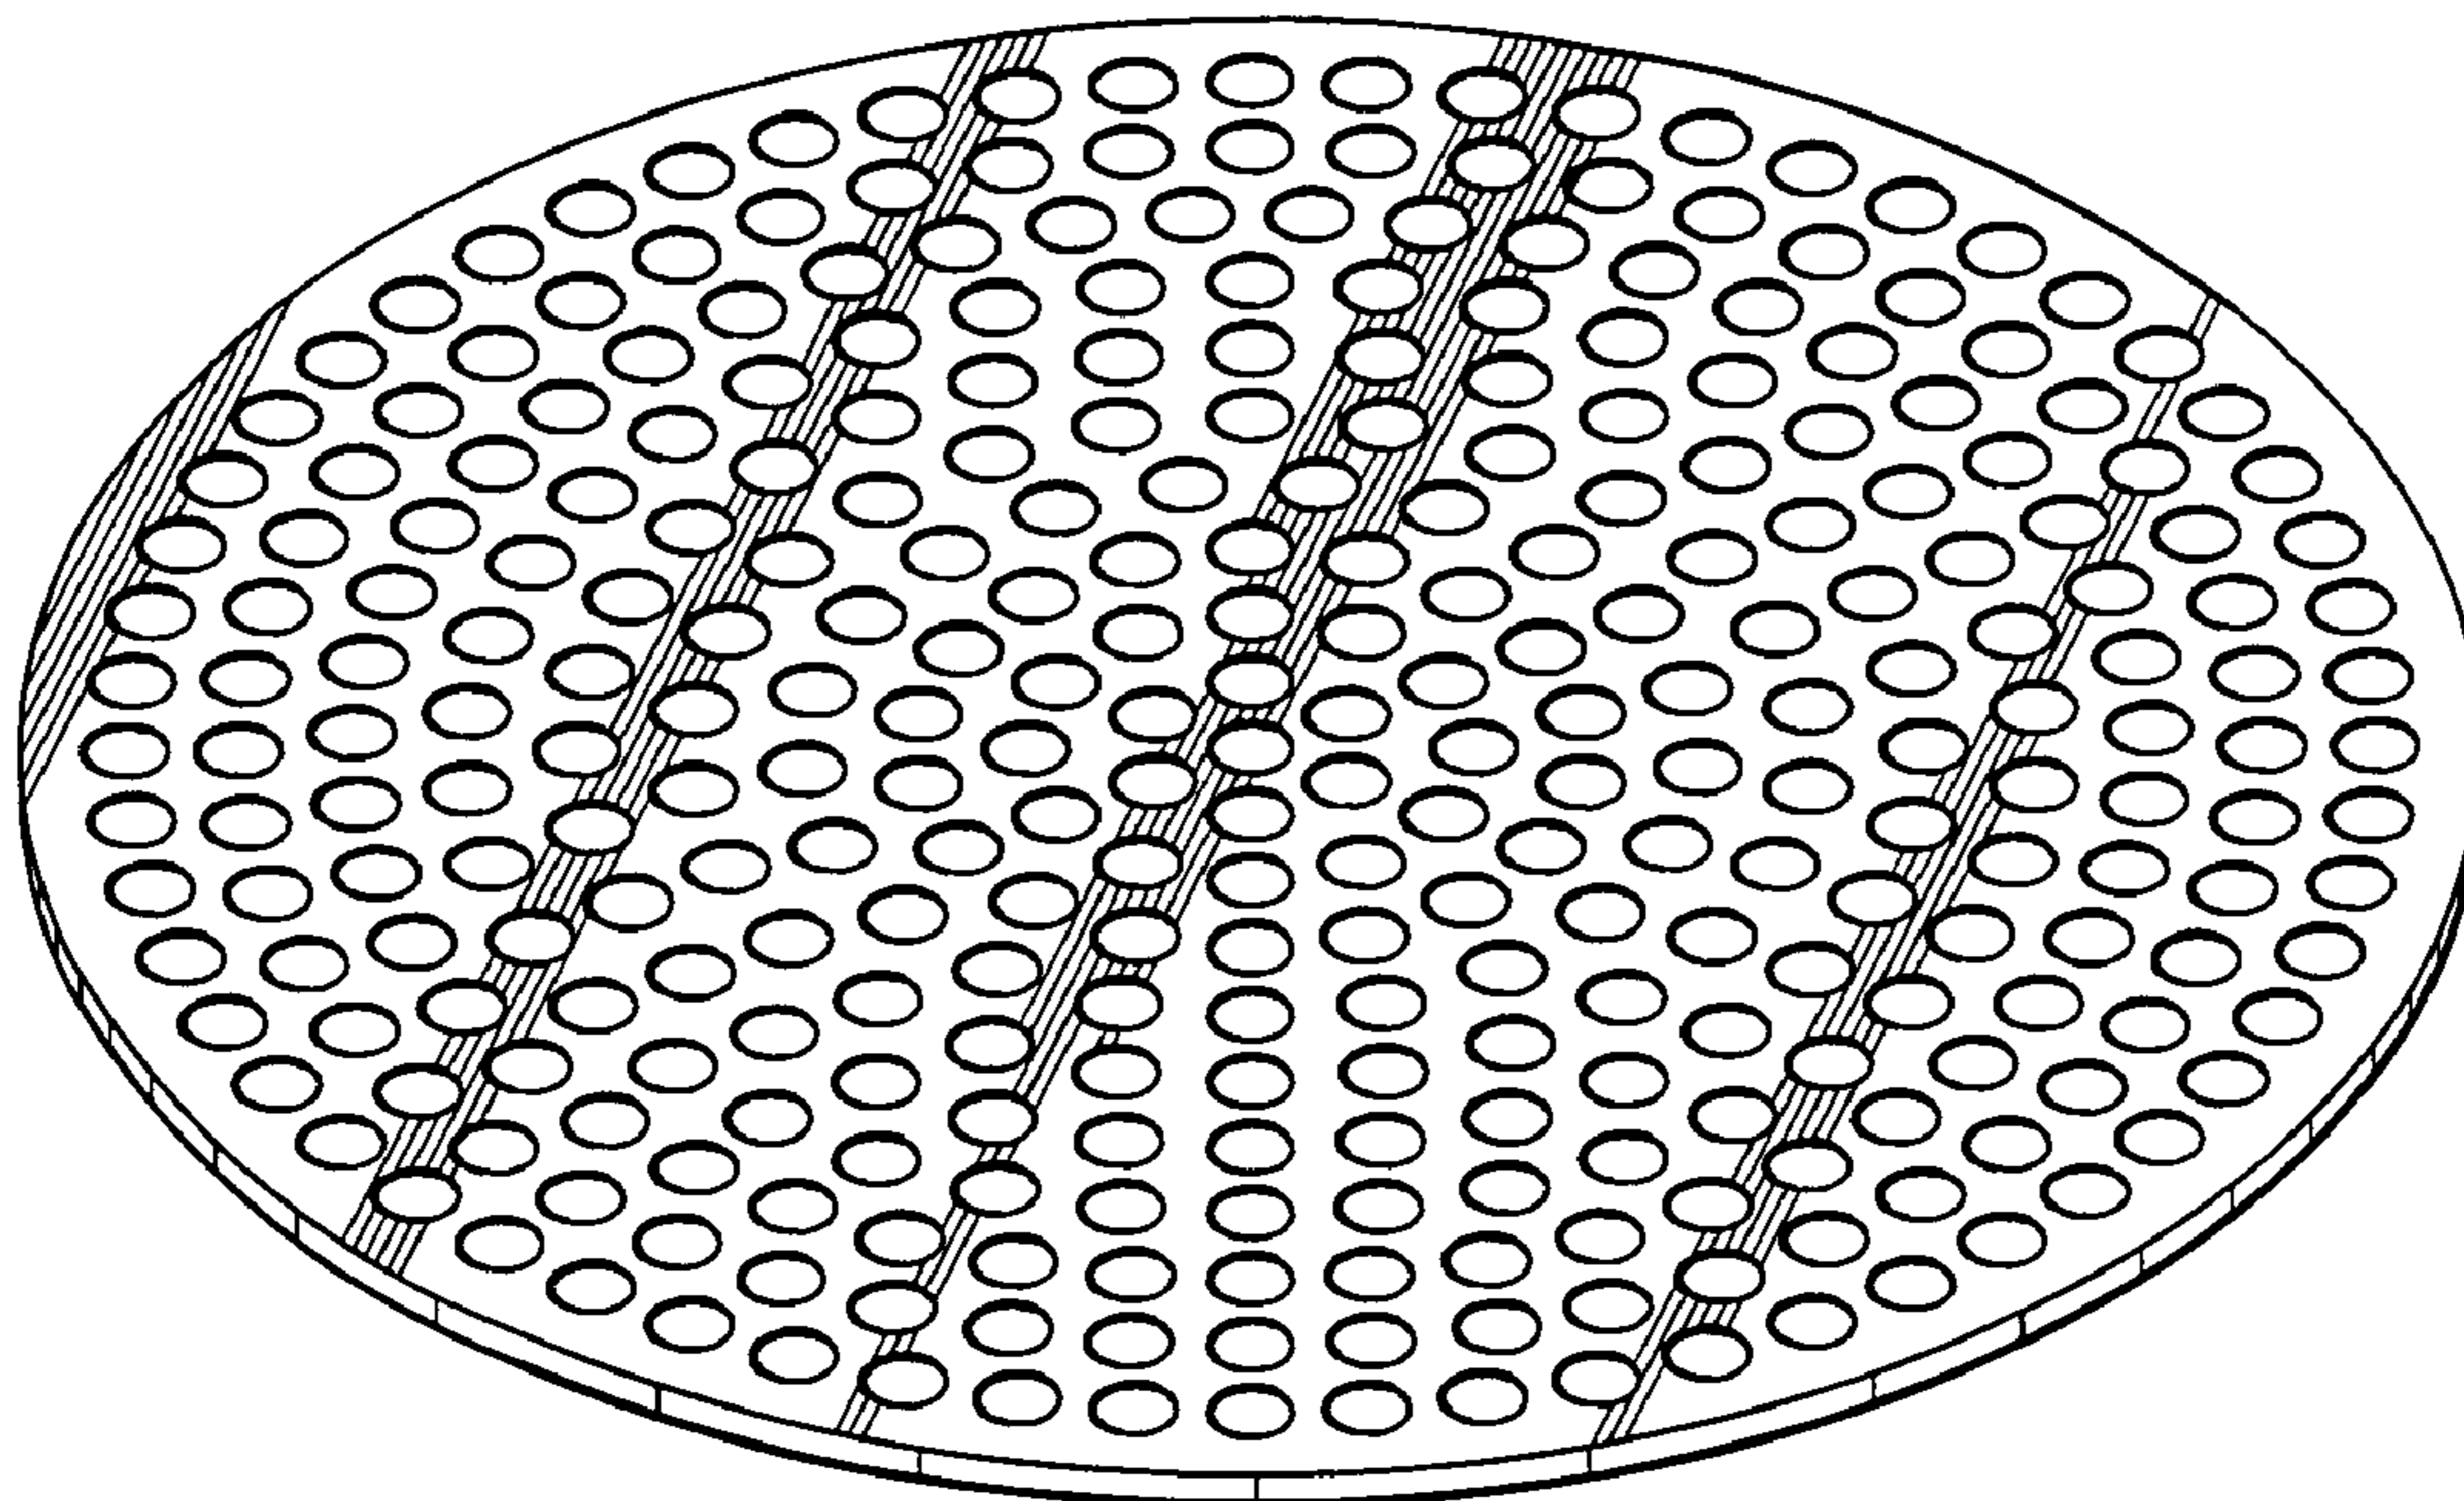

FIG. 3 is a right side elevational view thereof, the left side elevational view being identical thereto;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is an enlarged partial broken pictorial view taken from the bottom side of the feeder screen; and,

FIG. 6 is an enlarged sectional view taken generally along sectional lines 6—6 of FIG. 5.
