(57) **CLAIM**

The ornamental design for a tube with cap, as shown and described.

**DESCRIPTION**

FIG. 1: is a front perspective view of the tube with cap in place.

FIG. 2: is a front perspective exploded view of the tube with the cap removed.

FIG. 3: is a front elevational view of the tube.

FIG. 4: is a right side elevational view of the tube.

FIG. 5: is a rear elevational view of the tube.

FIG. 6: is a top plan view of the tube; and,

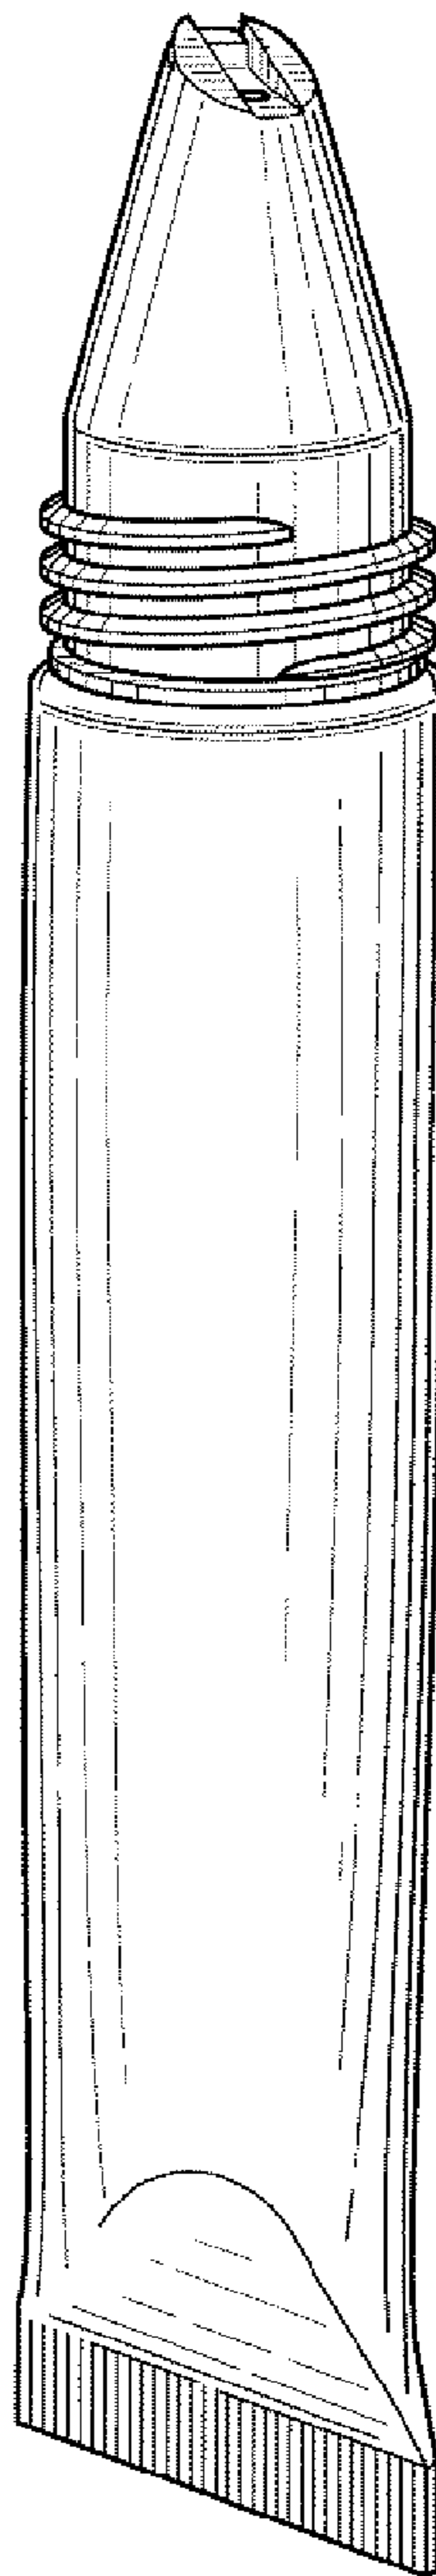

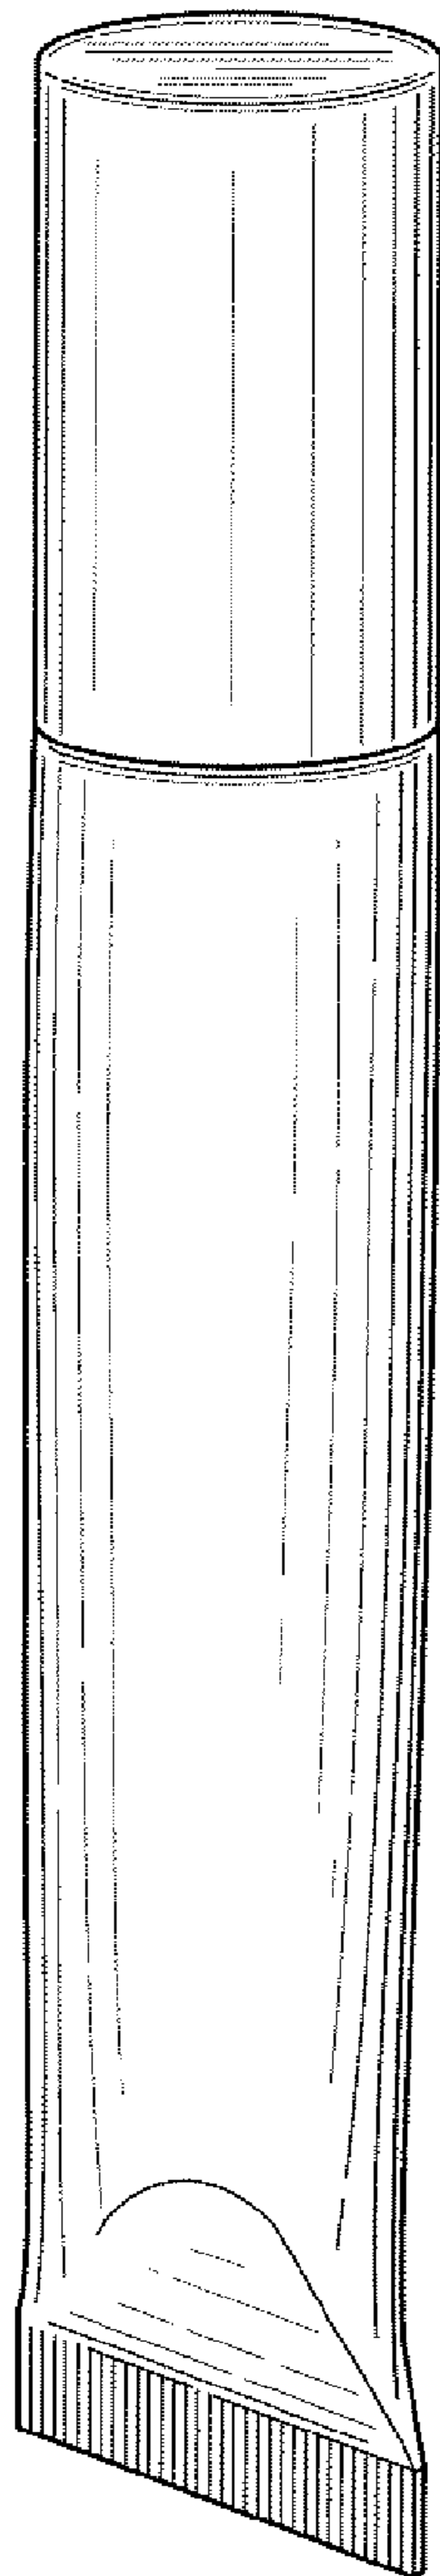

FIG. 7: is a bottom plan view of the tube.

In FIGS. 3-7 the tube is shown separately for ease of illustration.
