(57) **CLAIM**

The ornamental design for a collapsible cart for a paint spray pump, as shown.

**DESCRIPTION**

FIG. 1 is a perspective view of a first embodiment of the article in which the design is embodied.

FIG. 2 is a front elevation view of the first embodiment of the article in which the design is embodied.

FIG. 3 is a rear elevation view of the first embodiment of the article in which the design is embodied.

FIG. 4 is a left side elevation view of the first embodiment of the article in which the design is embodied.

FIG. 5 is a right side elevation view of the first embodiment of the article in which the design is embodied.

FIG. 6 is a top plan view of the first embodiment of the article in which the design is embodied.

FIG. 7 is a bottom plan view of the first embodiment of the article in which the design is embodied.

FIG. 8 is a perspective view of a second embodiment of the article in which the design is embodied.

FIG. 9 is a front elevation view of the second embodiment of the article in which the design is embodied.

FIG. 10 is a rear elevation view of the second embodiment of the article in which the design is embodied.

FIG. 11 is a left side elevation view of the second embodiment of the article in which the design is embodied.

FIG. 12 is a right side elevation view of the second embodiment of the article in which the design is embodied.

FIG. 13 is a top plan view of the second embodiment of the article in which the design is embodied; and,

FIG. 14 is a bottom plan view of the second embodiment of the article in which the design is embodied.
