#### DESCRIPTION

FIG. 1 is a perspective view of an apparatus for recognition of biological information of the present invention.

FIG. 2 is a front view of an apparatus for recognition of biological information of the present invention.

FIG. 3 is a rear view of an apparatus for recognition of biological information of the present invention.

FIG. 4 is a left side view of an apparatus for recognition of biological information of the present invention.

FIG. 5 is a right side view of an apparatus for recognition of biological information of the present invention.

FIG. 6 is a plan view of an apparatus for recognition of biological information of the present invention; and,

FIG. 7 is a bottom view of an apparatus for recognition of biological information of the present invention.
