(57) **CLAIM**

The ornamental design for a combined watch dial and hands, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a combined watch dial and hands showing my new design.

The broken line showing a bounded region of the dial is for illustrative purposes only and forms no part of the claimed design.

The hands are flat, of no appreciable thickness and are flush with the flat surface of the watch dial.

**1 Claim, 1 Drawing Sheet**

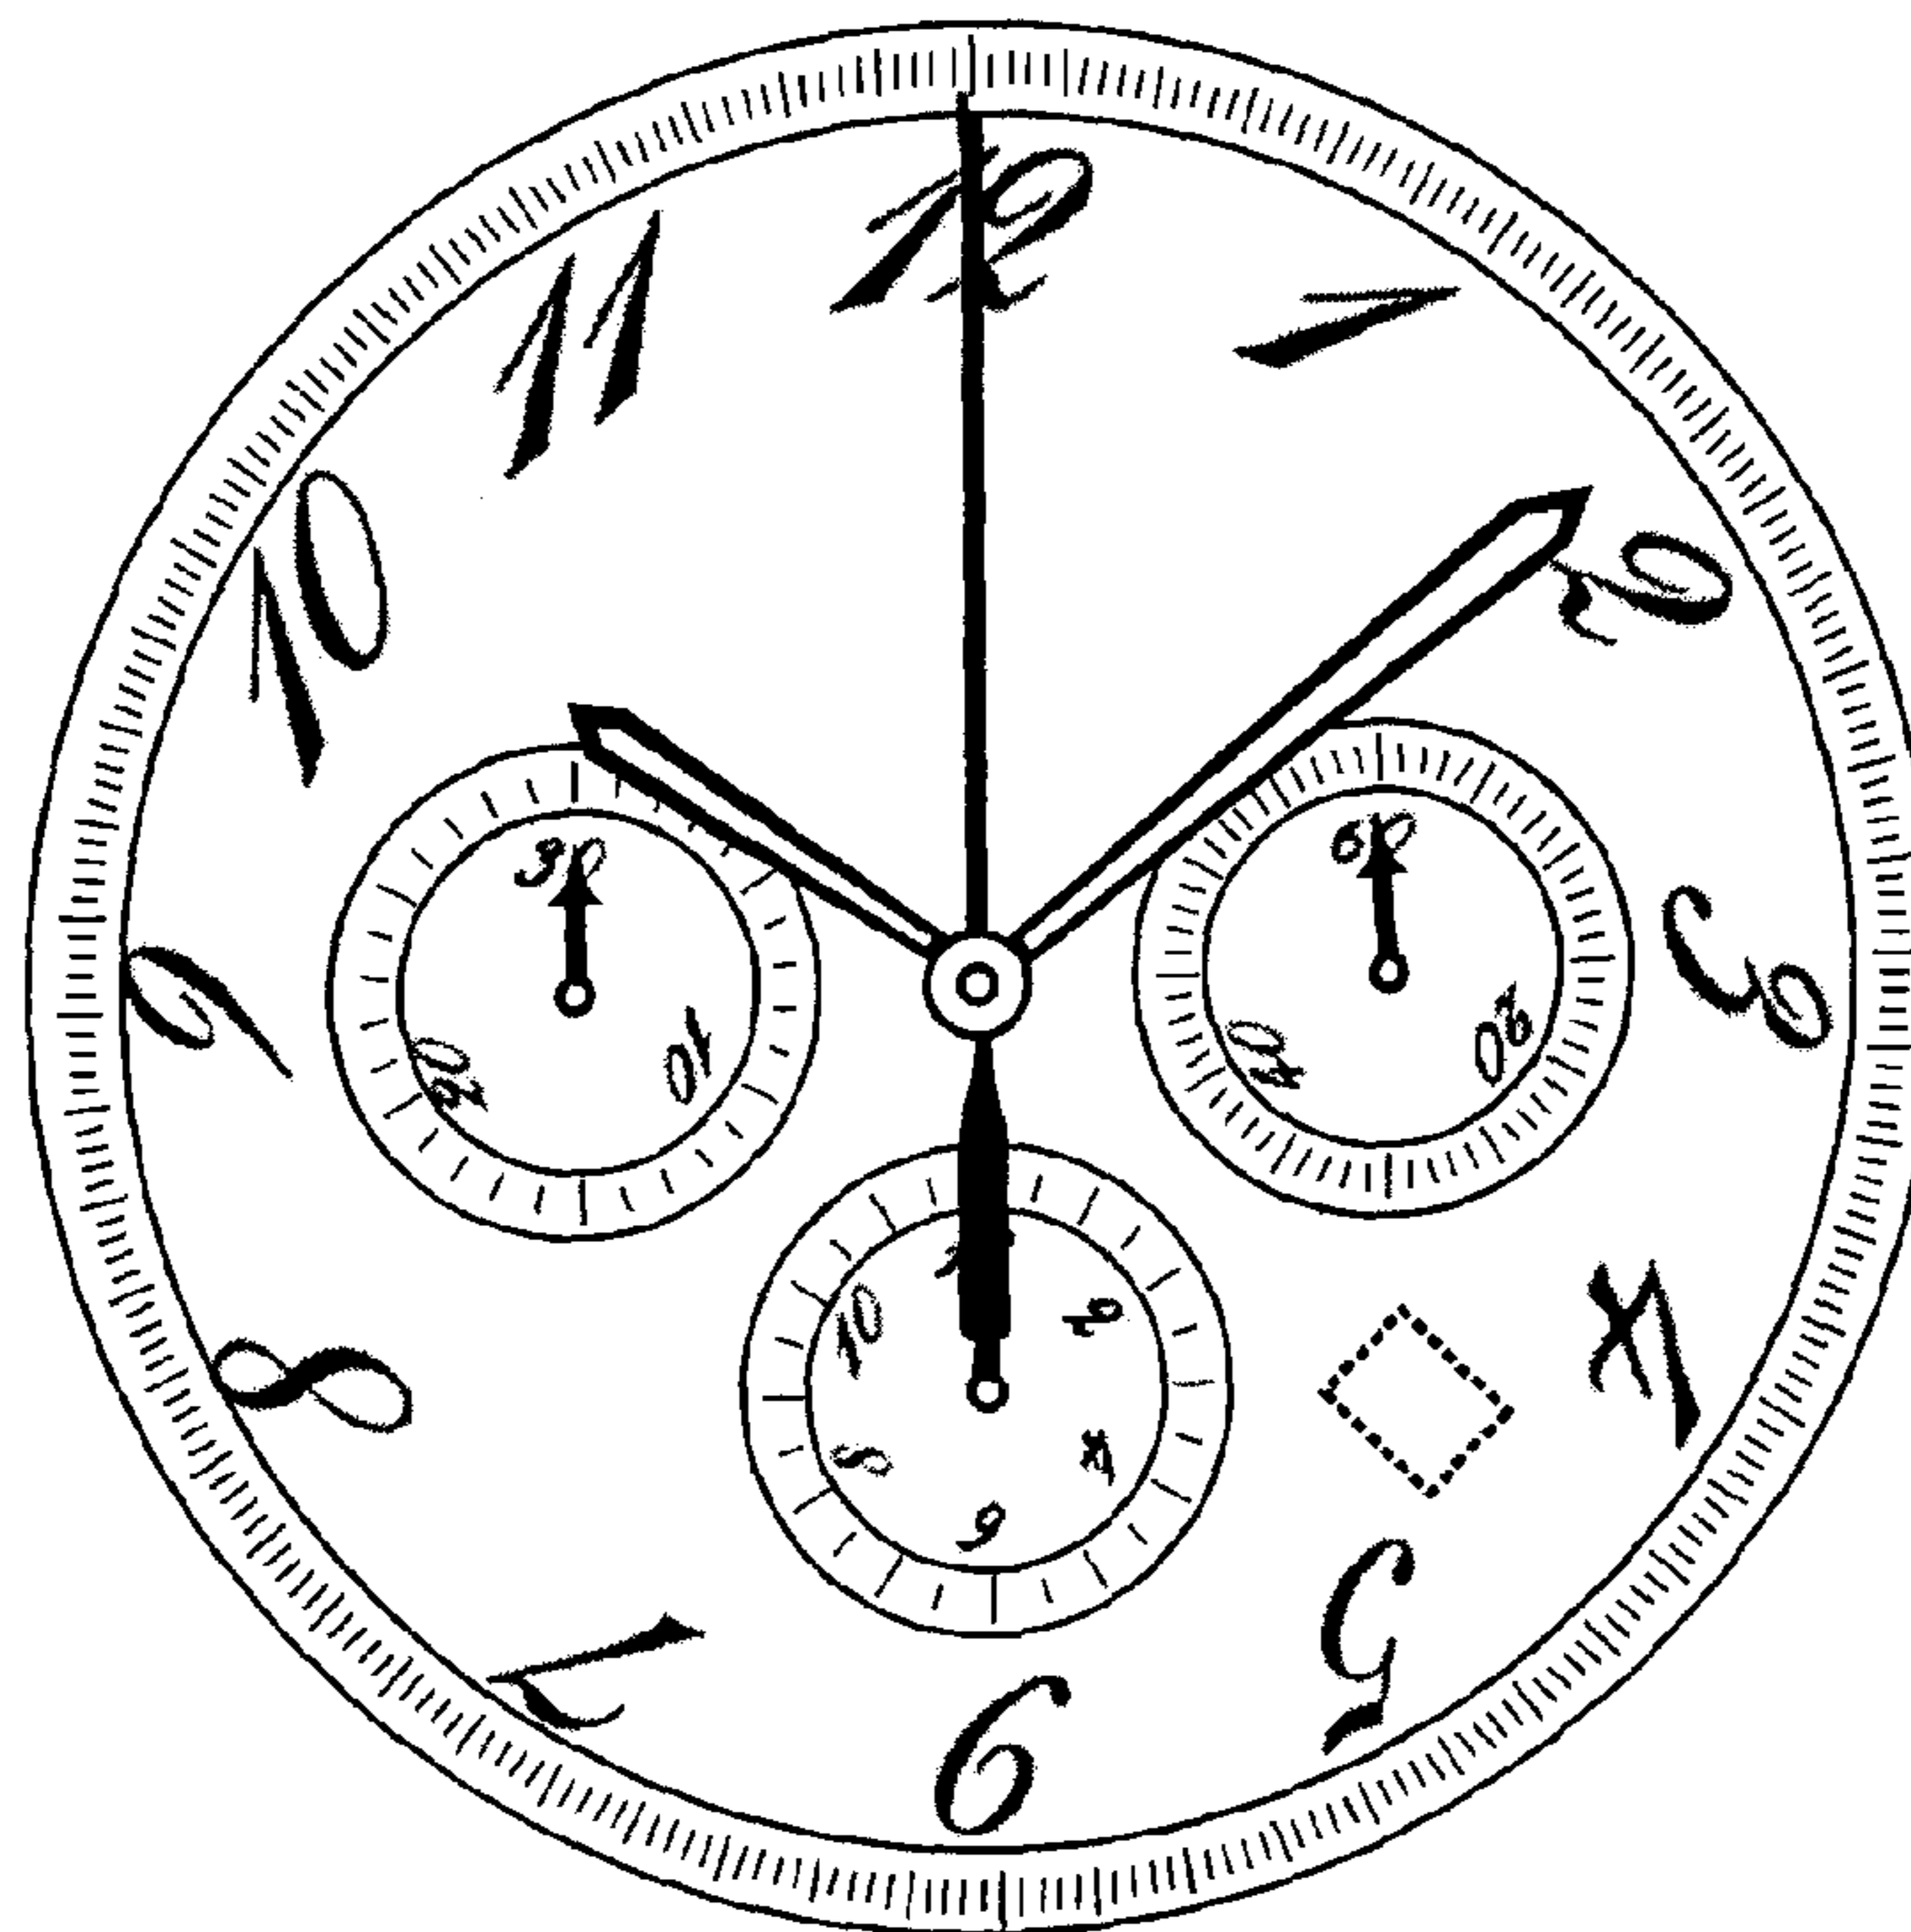

FIG. 1
