(57) **CLAIM**

The ornamental design for a writing utensil with transparent end, as shown and described.

DESCRIPTION

FIG. 1 is a front side elevational view of a writing utensil with transparent end of the present invention;

FIG. 2 is a bottom plan view thereof; and,

FIG. 3 is a top plan view thereof.

The long and short broken lines shown in the drawings are for informational purposes only and form no part of the claimed design. The short evenly spaced broken lines that define the bounds of the claimed design form no part thereof.

The remainder of the claimed portion of the design that is not lined for transparency is opaque.
