Primary Examiner—Doris Clark

(57) **CLAIM**

The ornamental design for a floor extrusion, as shown and described.

DESCRIPTION

FIG. 1 is a fragmented front, top, left side perspective view of a floor extrusion embodying my design;

FIG. 2 is a top plan view thereof, the bottom plan view of the floor extrusion being a mirror image thereof;

FIG. 3 is a fragmented rear elevational view thereof;

FIG. 4 is a fragmented right side elevational view thereof;

FIG. 5 is a fragmented left side elevational view thereof; and,

FIG. 6 is a front elevational view thereof; it being understood that the floor extrusion has been broken along one end as an indication of indeterminate length.
