(57) **CLAIM**

The ornamental design for a body armor forearm protector, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the body armor forearm protector according to the invention.

FIG. 2 is a rear elevation view of the body armor forearm protector of FIG. 1 in an alternate flattened configuration.

FIG. 3 is a left elevation view of the body armor forearm protector of FIG. 1.

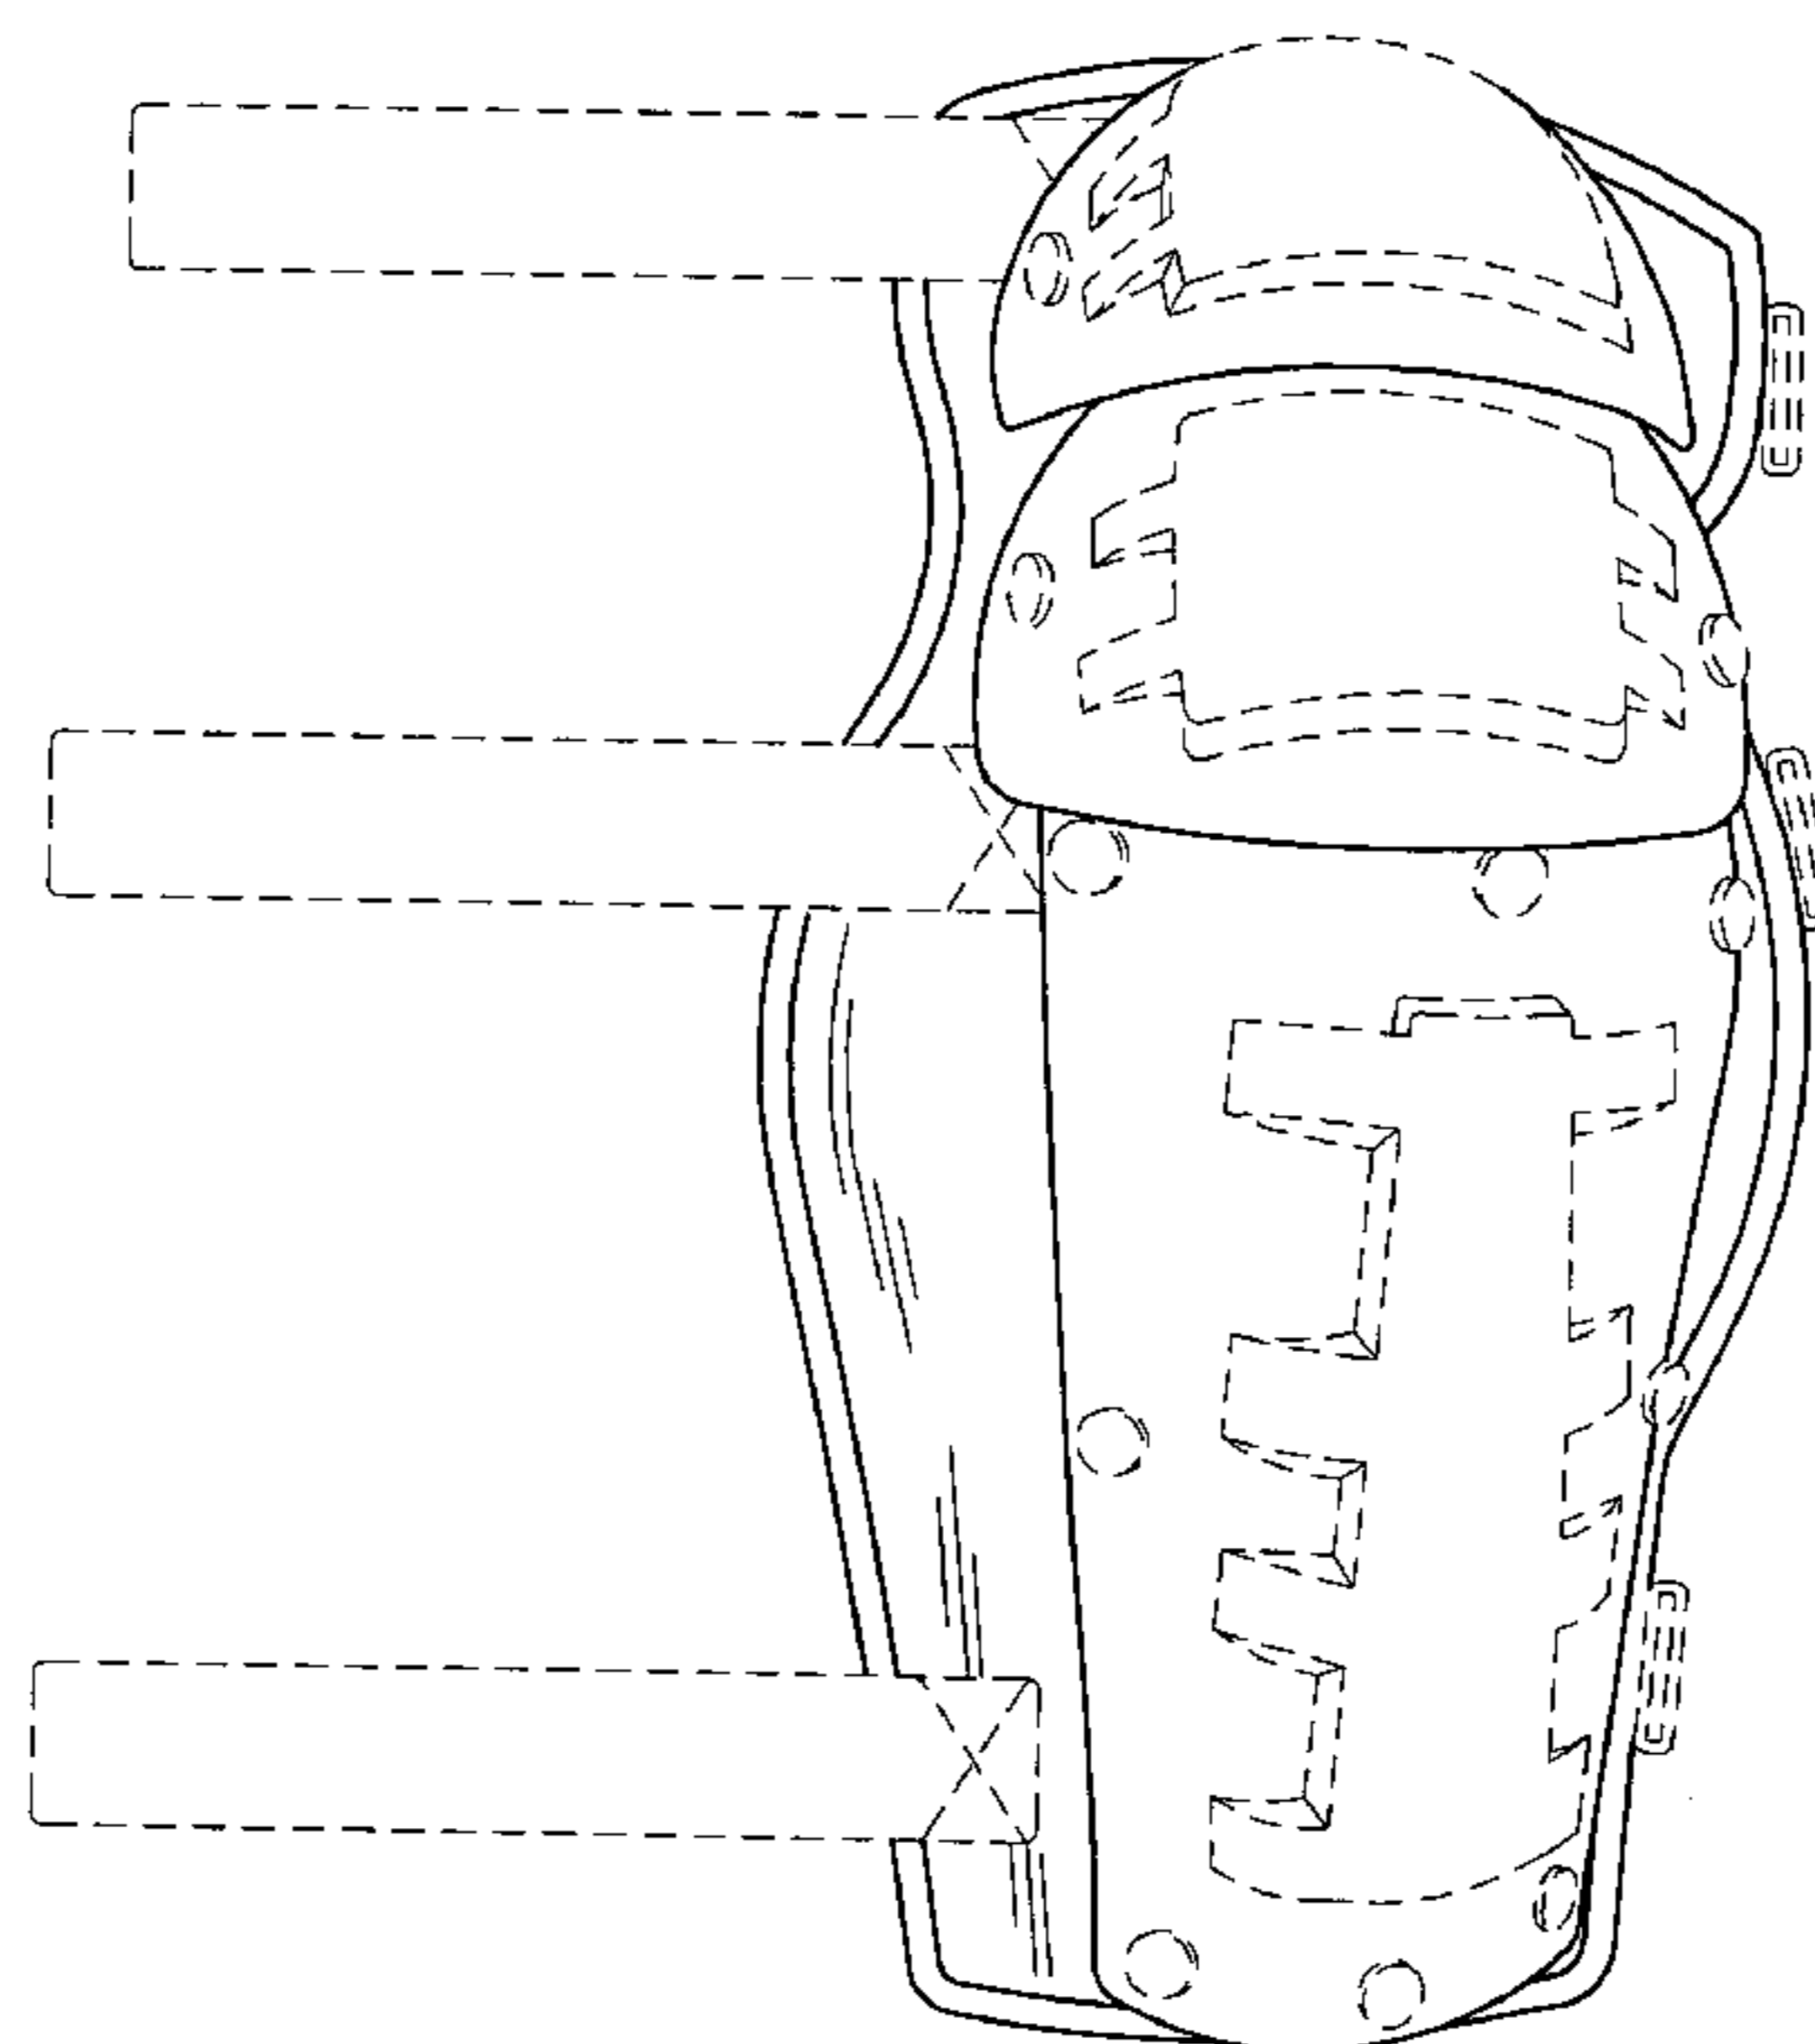

FIG. 4 is a right elevation view of the body armor forearm protector of FIG. 1.

FIG. 5 is an enlarged top plan view of a body armor forearm protector of FIG. 1; and,

FIG. 6 is an enlarged bottom plan view of the body armor forearm protector of FIG. 1.

The broken line portions of the drawings, including the reinforcing ribs and rivets, are environmental and do not form part of the claimed design.

1 Claim, 6 Drawing Sheets
