(57) **CLAIM**

A wash pad for vehicles and equipment, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, top, right perspective view of a wash pad for vehicles and equipment showing the new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a right side elevation view thereof, the left side elevation view being a mirror image duplicate;

FIG. 4 is a rear elevation view thereof; and,

FIG. 5 is a front elevation view thereof.

The bottom view has been omitted and forms no part of the claimed design. Non-skid surface effects of the pad floor have been omitted and form no part of the claimed design.
