(57) **CLAIM**

The ornamental design for an operator's station for a materials handling vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an operator's station for a materials handling vehicle as seen from the top, front and left sides showing our new design;

FIG. 2 is a perspective view seen from the top, rear and right sides thereof;

FIG. 3 is an elevational view seen from the right side thereof;

FIG. 4 is an elevational view seen from the left side thereof;

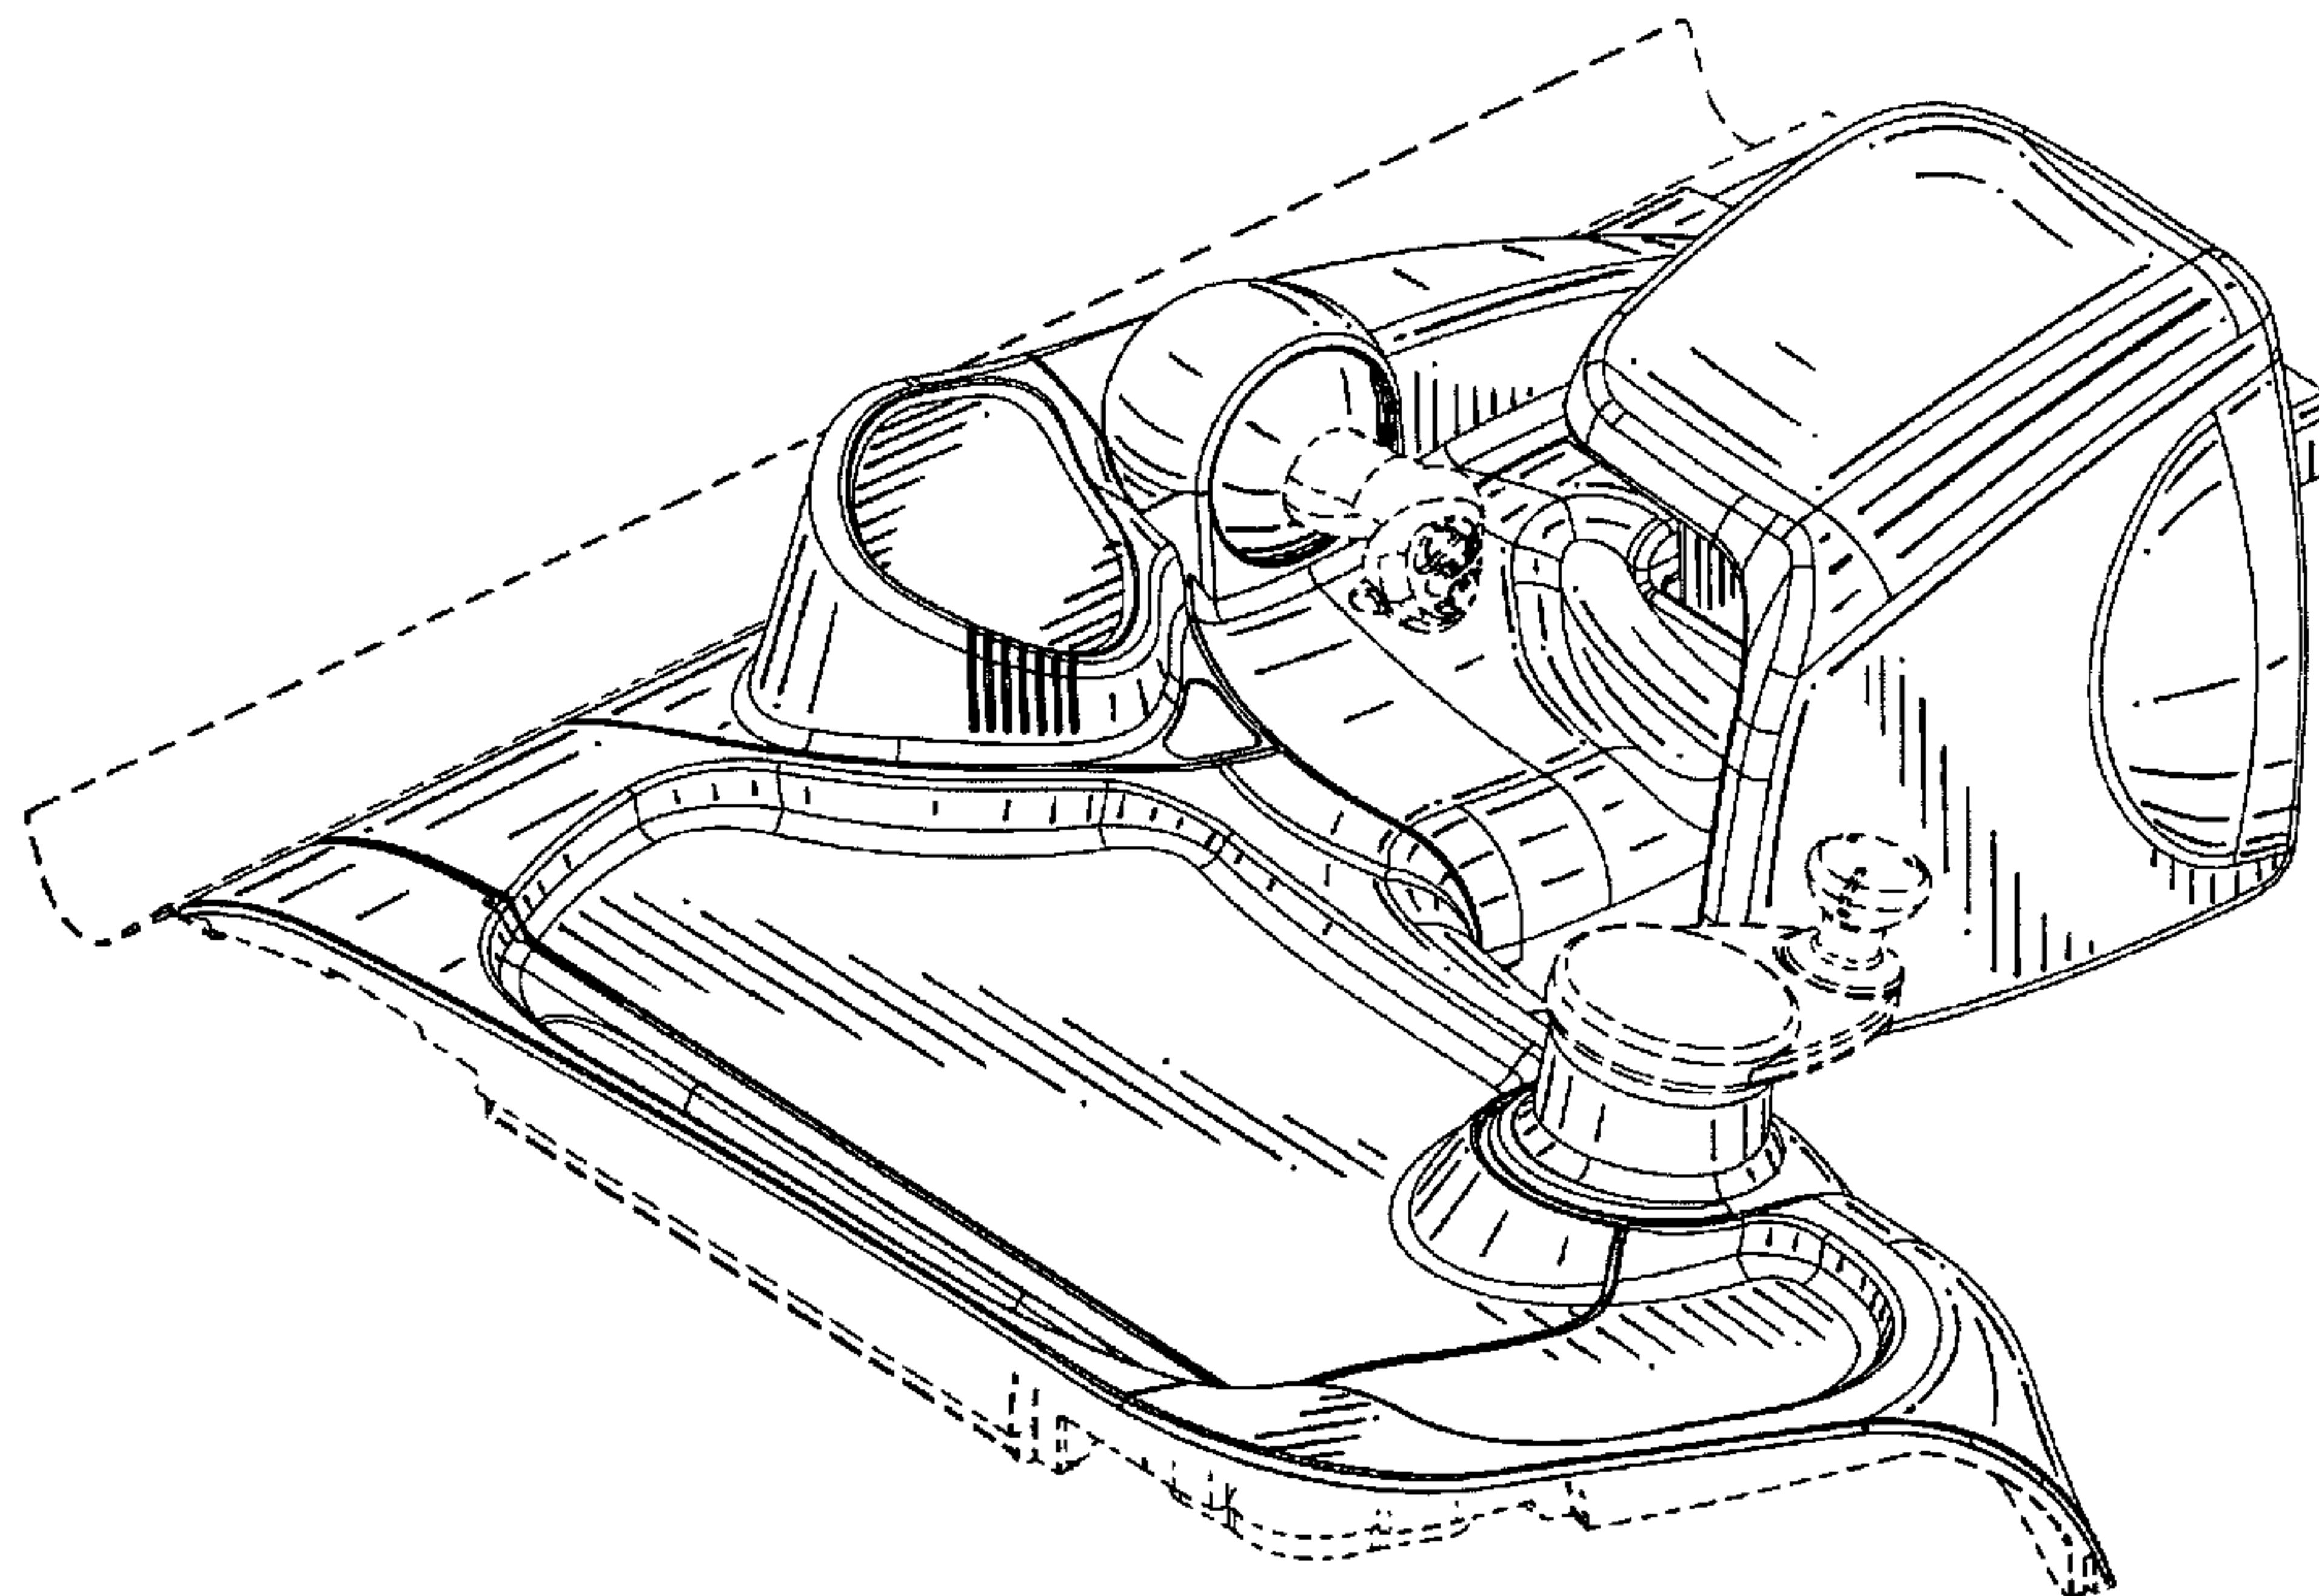

FIG. 5 is an elevational view seen from the rear thereof;

FIG. 6 is an elevational view seen from the front thereof; and,

FIG. 7 is a plan view seen from the top thereof.

The broken line disclosure is included for the purpose of illustrating environment and forms no part of the claimed design.
