(57) **CLAIM**

The ornamental design for a front portion of a control device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a front portion of a control device showing my new design.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a perspective view thereof in an alternate environmental configuration.

FIG. 4 is a front elevational view thereof.

FIG. 5 is further front elevational view thereof in an alternate environmental configuration.

FIG. 6 is further front elevational view thereof in an alternate environmental configuration.

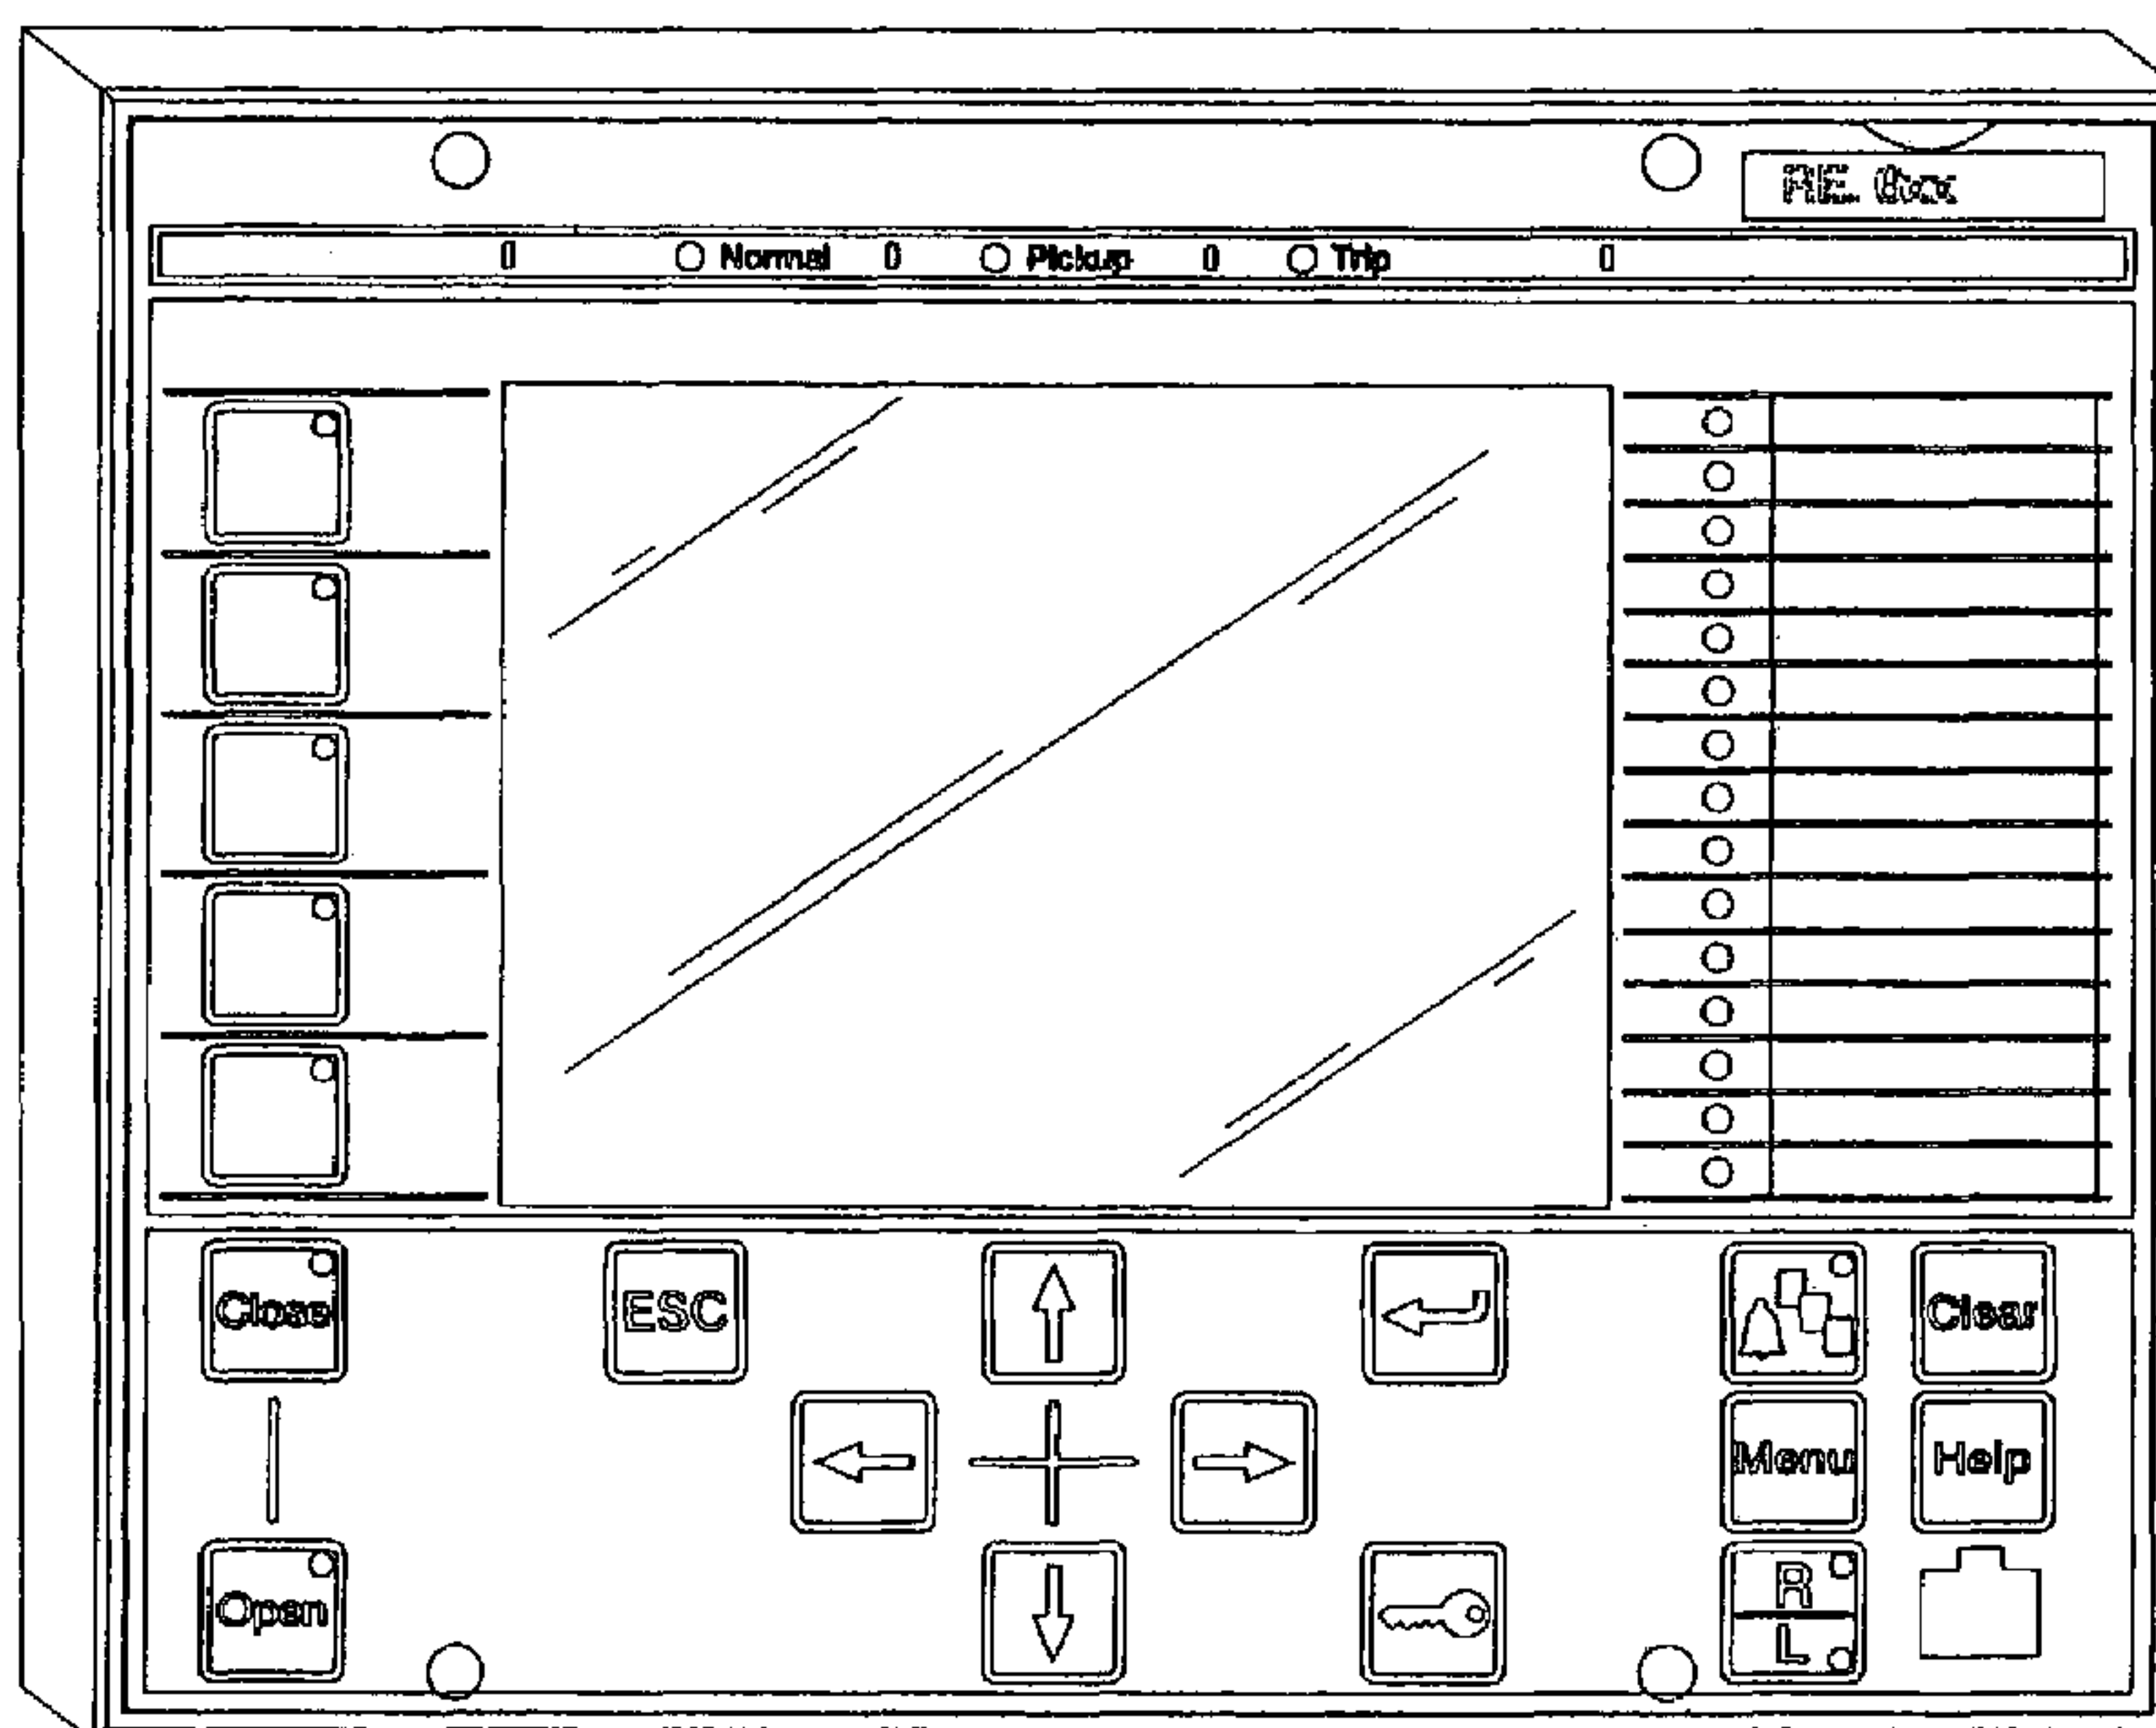

FIG. 7 is further front elevational view thereof in an alternate environmental configuration.

FIG. 8 is further front elevational view thereof in an alternate environmental configuration; and,

FIG. 9 is further front elevational view thereof in an alternate environmental configuration.

The broken line showing of the left hand portion of the front portion of the control device in FIGS. 3-9 and the text "RE. 6xx" in FIGS. 1-9 is for illustrative purposes only and forms no part of the claimed design.
