*Assistant Examiner*—Barbara Fox

(57) **CLAIM**

The ornamental design for a baseboard corner protector, as shown and described.

**DESCRIPTION**

FIG. 1 is a right front elevational view of the baseboard protector of the present invention covering the right corner of a strip of baseboard where a corner is formed;

FIG. 2 is a right rear elevational view of the baseboard corner protector of the present invention covering the right corner of a strip of baseboard where a right corner is formed;

FIG. 3 is a left front elevational view of the baseboard corner protector of the present invention covering the left corner of a strip of baseboard where a corner is formed;

FIG. 4 is a left rear elevational view of the baseboard corner protector of the present invention covering the left corner of a strip of baseboard where a left corner is formed;

FIG. 5 is a left, top, front perspective view of the baseboard corner protector of the present invention;

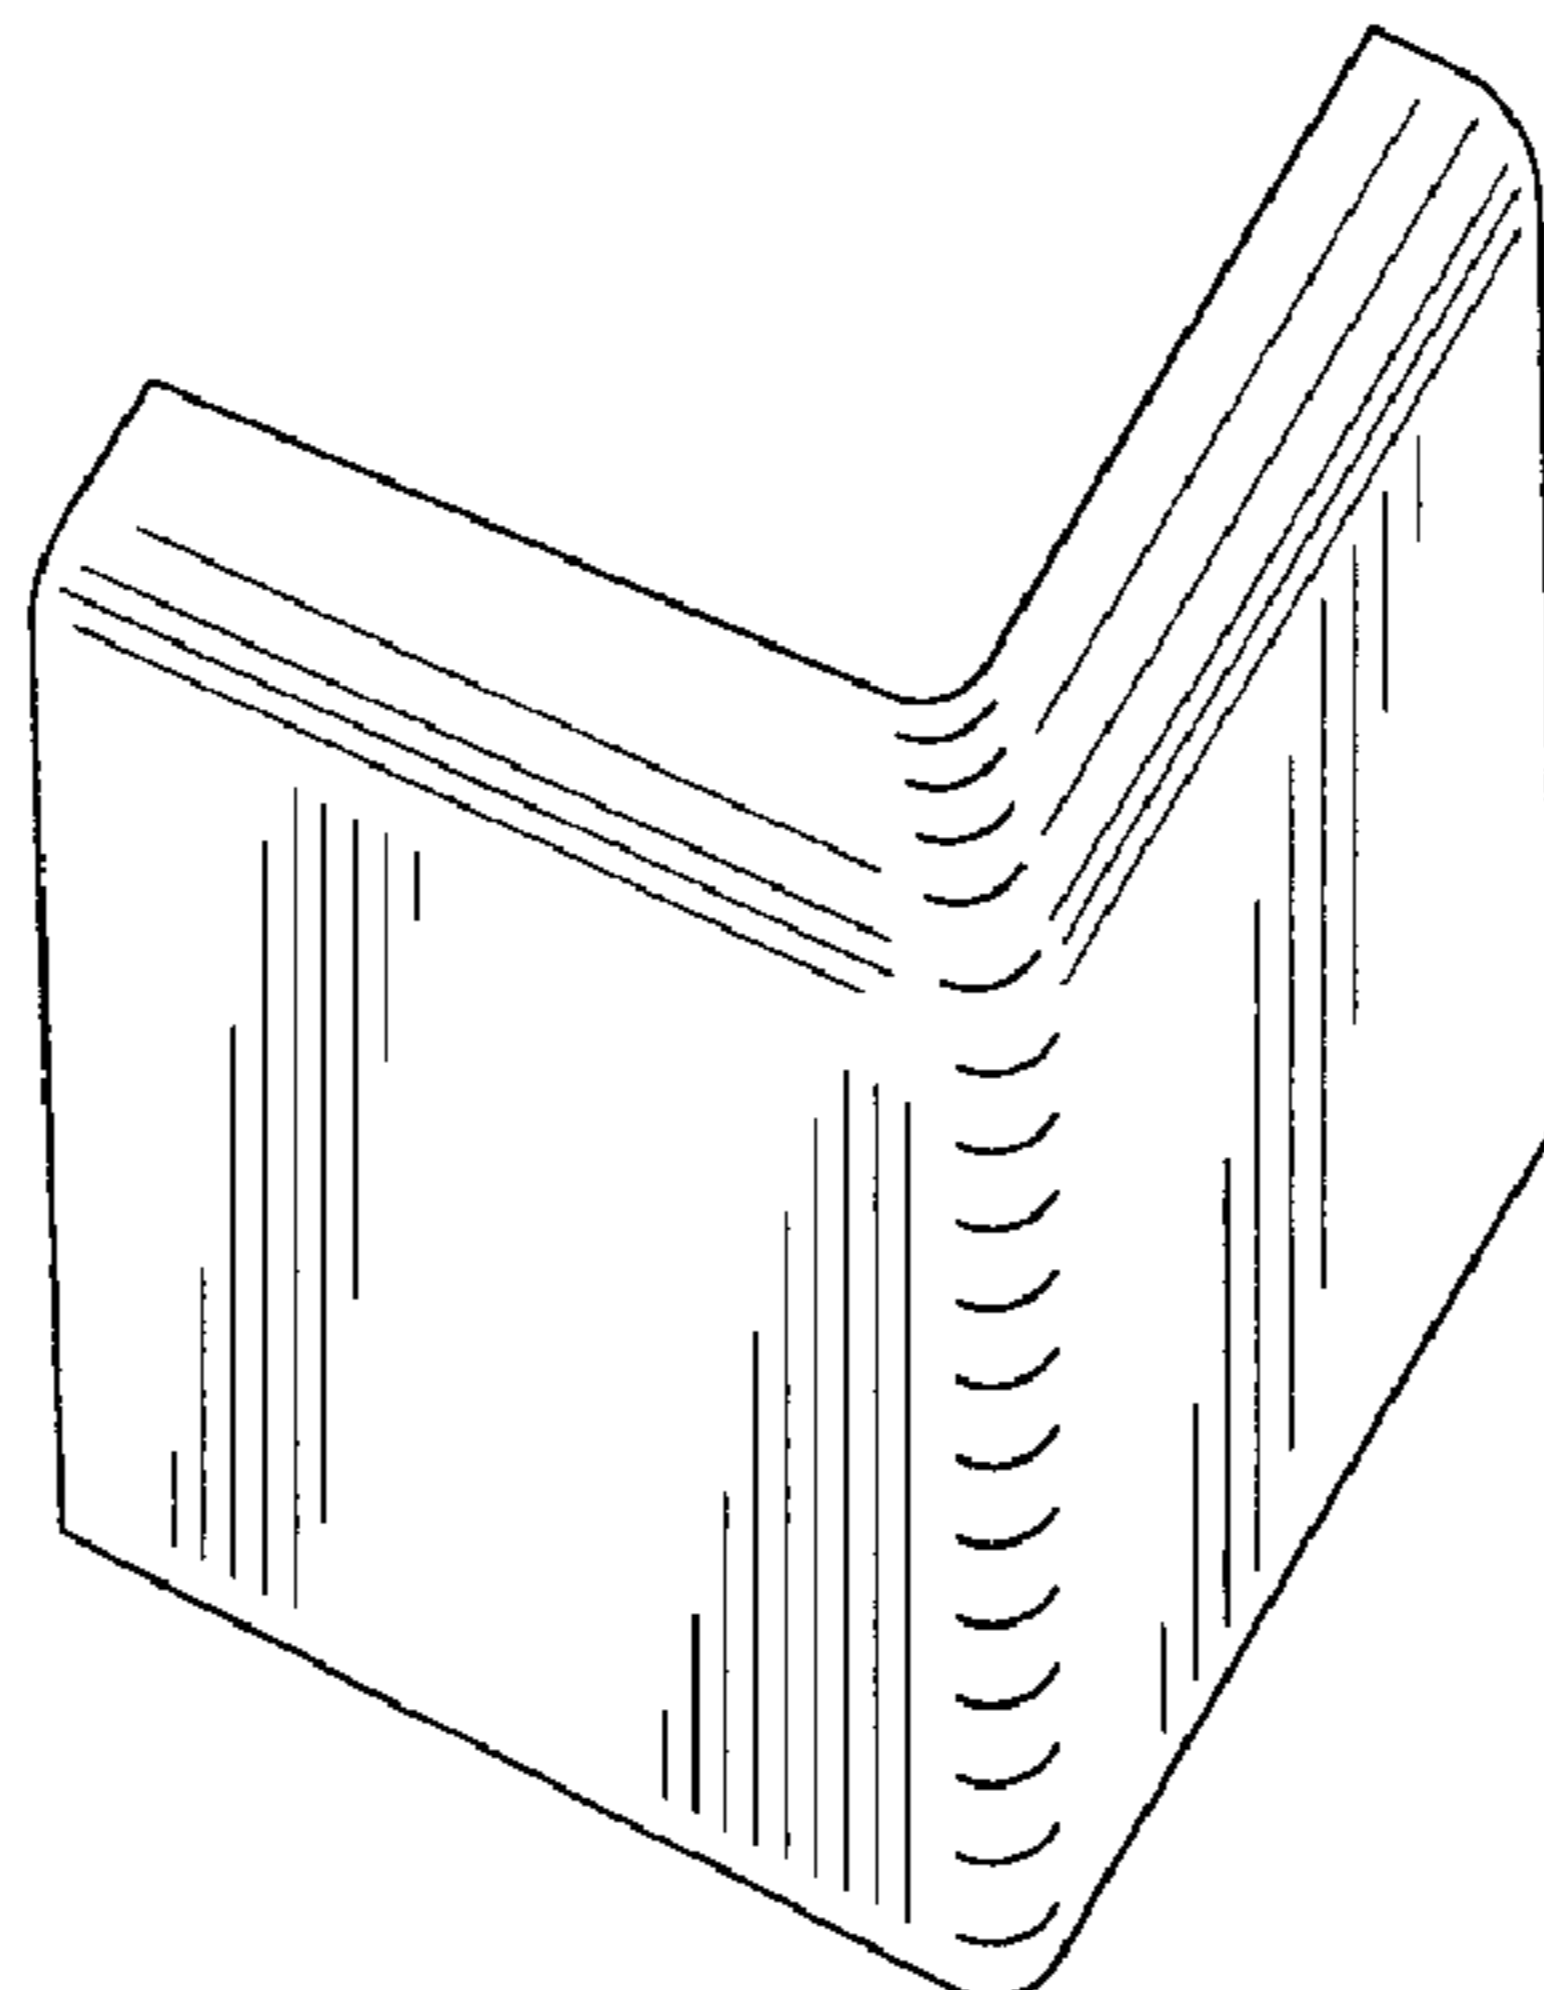

FIG. 6 is a top plan view of the baseboard corner protector of the present invention where a right corner is formed;

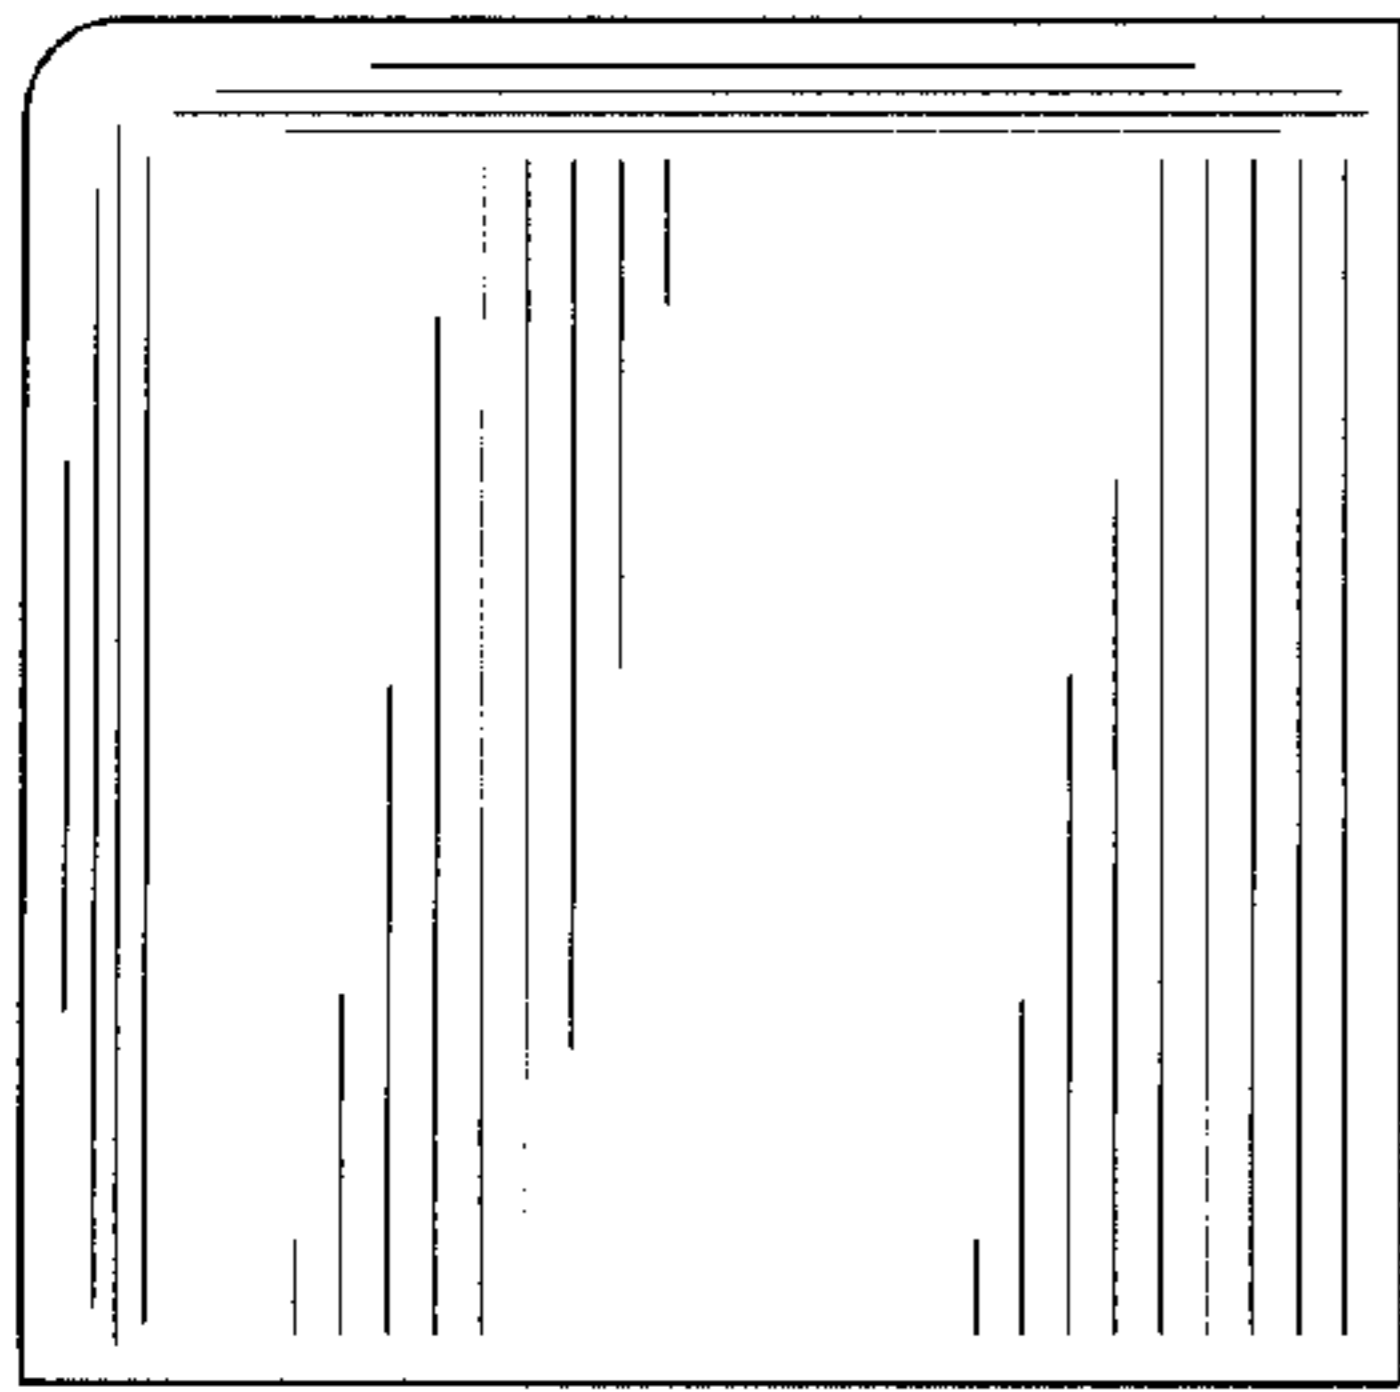

FIG. 7 is a top plan view of the baseboard corner protector of the present invention where a left corner is formed;

FIG. 8 is a bottom plan view of the baseboard corner protector of the present invention where a left corner is formed; and,

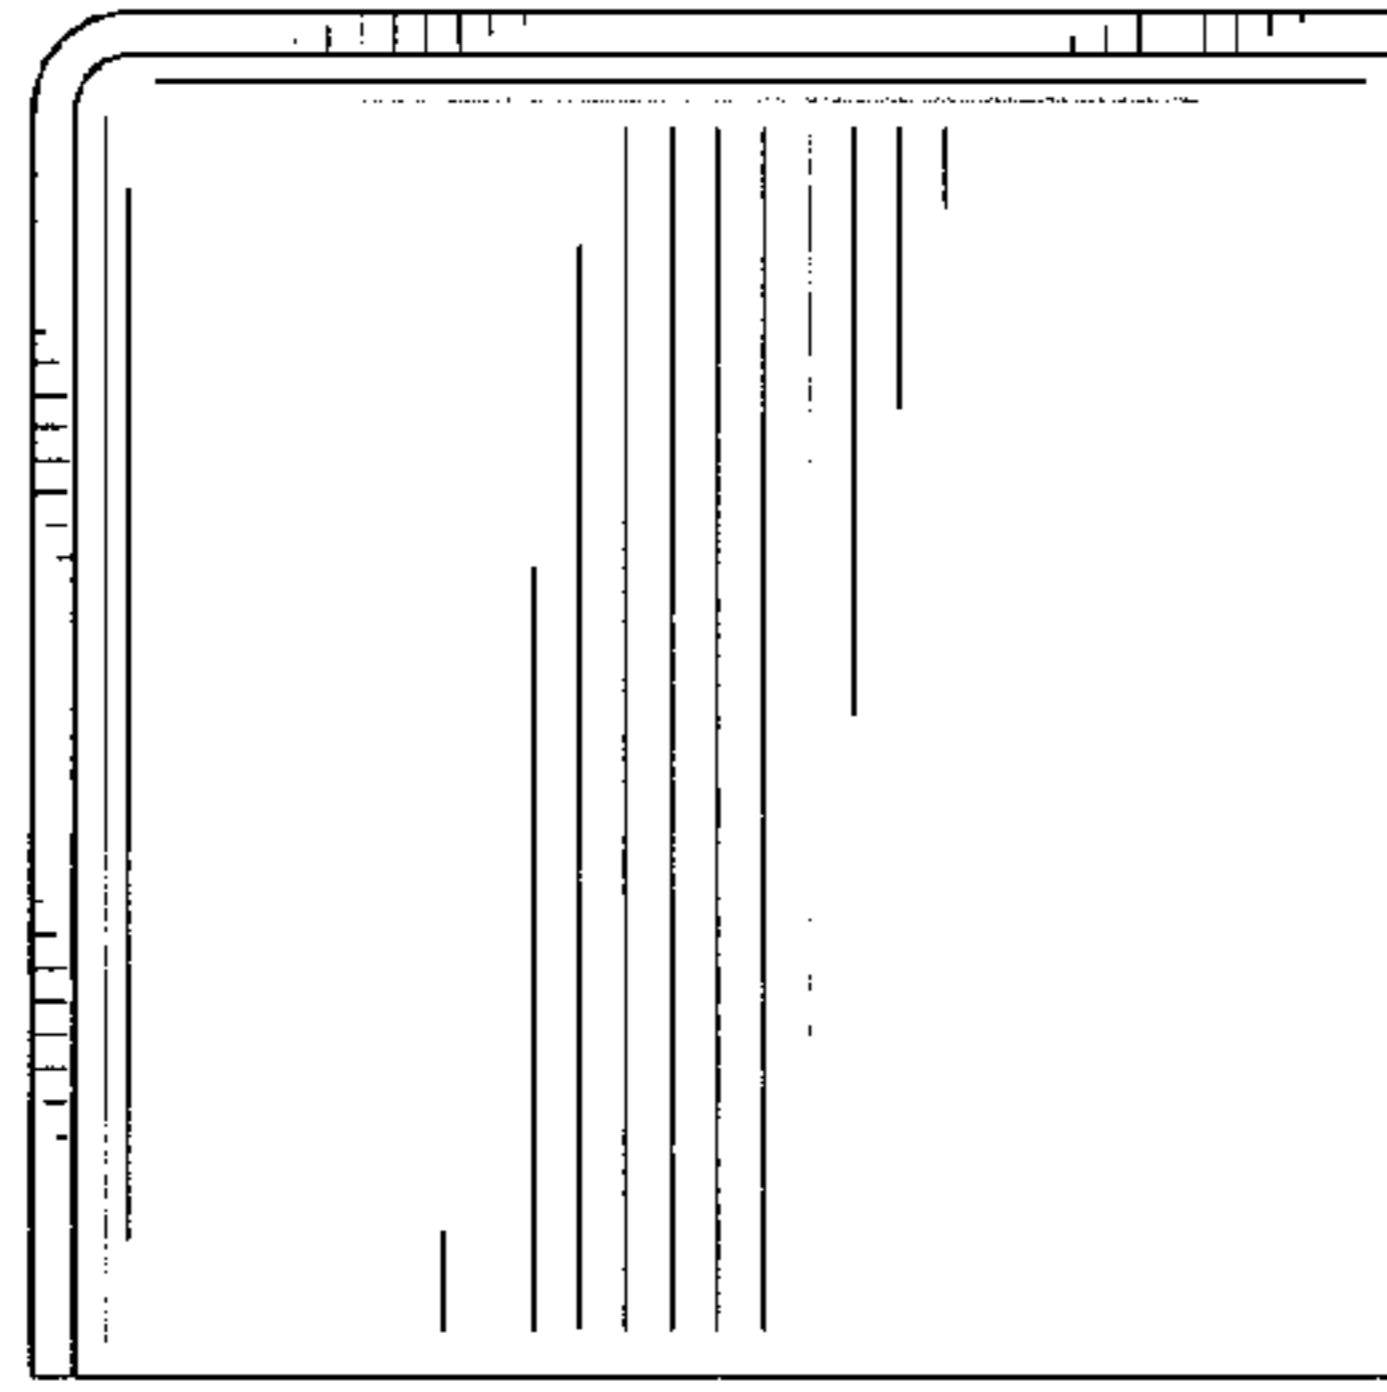

FIG. 9 is a bottom plan view of the baseboard corner protector of the present invention where a right corner is formed.
