(57) **CLAIM**

The ornamental design for a set top box, as shown and described.

DESCRIPTION

FIG. 1 illustrates a front view of the set top box of the present invention;

FIG. 2 illustrates a right side elevational view thereof, the left side elevational view is substantially symmetrical to the right side elevational view;

FIG. 3 illustrates a top plan view thereof;

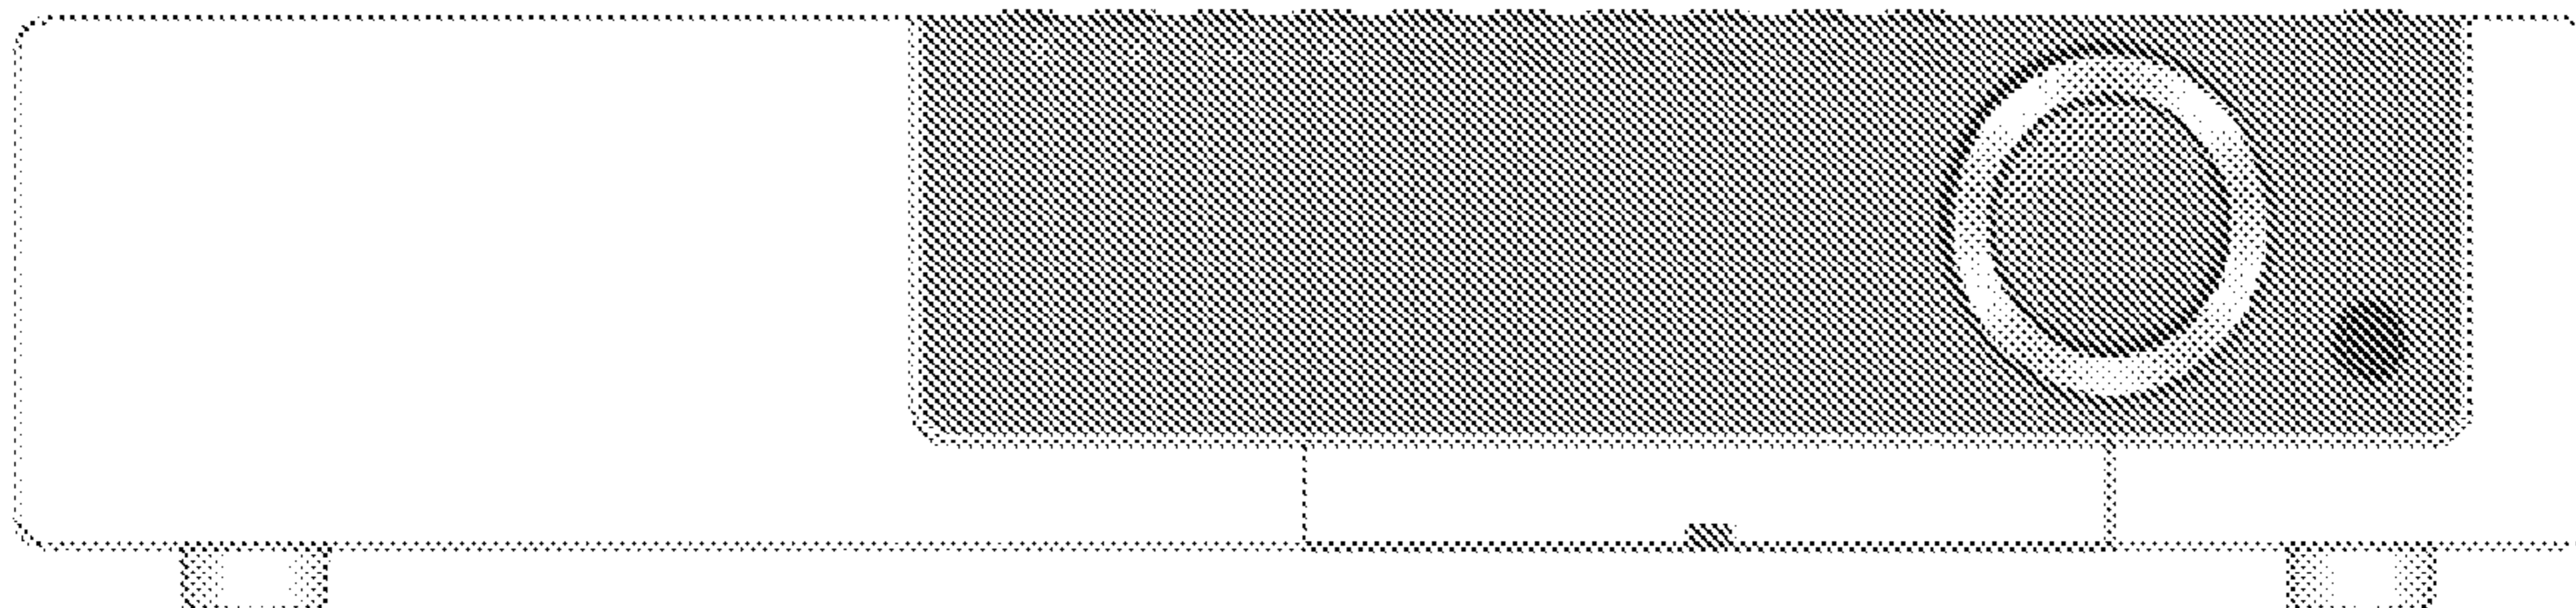

FIG. 4 illustrates an exploded view, in perspective, showing a removable face plate of the set top box of the present invention;

FIG. 5 illustrates a perspective view of the rear of the removable face plate of the set top box of the present invention;

FIG. 6 illustrates a front view of the removable face plate of the set top box of the present invention; and,

FIG. 7 illustrates a cutaway view of the face plate as installed on the set top box of the present invention.
